Clawson of the University of New Brunswick, will leave England for home in a few days. He has completed his special mathematical course at Cambridge University, and after reaching home may enter upon teaching in that branch of study.

CHURCH DEDICATION.

Interesting Methodist Services at Dorn Ridge.

The new Methodist church on Dorn Ridge was dedicated yesterday. Many people from the surrounding settlements were present and filled the church to overflowing.

Rev. James Crisp conducted the morning service and preached the dedication sermon, other ministers were present and assisted in the service. Rev. Mr. Cooke took part in the ceremony of dedication.

At the close of the service Mr. Crisp asked the congregation present to wipe off the indebtedness which was about \$60. He said he would call for "fives" down to "ones," the people responded liberally and the amount was soon raised.

Rev. Mr. Murray preached in the afternoon and was assisted in the service by others. Mr. Crisp again made a few remarks in reference to finances and when the collection was taken up it was found that about \$75 has been raised thus far during the day. The surplus will go towards the purchase of an organ.

Rev. Mr. London was announced to preach in the evening.

The opening was pronounced by those present a decided success and the many visitors were warm in their praise of the hospitality of the people of Dorn Ridge, and the people of Dorn Ridge feel grateful for the interest and liberality displayed by those who came from a distance.

The church is a handsome and commodious building and reflects great credit on those who have had the matter in hand. There were present on the platform Rev. Messrs. Crisp, Cooke, McCutcheon, Murray and London. Miss Nellie Bird presided at the organ in the morning and Miss McDonald in the afternoon.

Sporting Notes.

Lecture on California at Marysville.

Rev. J. R. deWolfe Cowie's interesting talk on California is to be repeated on Thursday night next, June 16th, at the Marysville Hall. This lecture is a description of the various points of interest from San Francisco to the Mexican boundary, and from the sea coast to the Sierra Nevada Mountains. Mr. Cowie has been all over this state and speaks of it as an eye witness. The slides are excellent and his use of acetylene gas has, at his previous lectures, given excellent results.

Dominion Day.

Entries are being received for the Dominion championship bicycle races to be held here on July 1st, and citizens of Fredericton will have the opportunity of witnessing the greatest day's sport ever seen in this city. Besides bicycle races there will be track events. In the morning the bicycle and boating club will hold water sports and a grand festival will be held in the evening, making a whole day of enjoyment. There will doubtless be a large number of strangers in the city.

"Men Are So Absent Minded."

Is that the reason, or is it an unsolved scientific problem that men always put the left sock on last, which reminds us that they are showing an exceptionally fine line of men's cotton, lisle thread and cashmere socks at Edgecombe's. Have a look at them, "Adam."—d.

THE MCADAMITE COMPANY.

Active Measures for the Establishment of Works at St. John.
