

Seventy-five people out of every hundred need Scott's Emulsion just at this season; the other twenty-five would be benefited by it—there's scarcely anyone whose general condition would not be improved by Scott's Emulsion at this time of the year. It puts on solid, healthy flesh and builds up the whole body.

That is what Scott's Emulsion is guaranteed to do. As Scott's Emulsion has been the standard for thirty years this guarantee means something.

By reason of the great scarcity of cod liver oil just now substitutes of all kinds are being offered to the public.

Insist upon Scott's Emulsion and you will get the pure oil and the best emulsion made.

Scott's Emulsion never changes in quality, purity or effect.

We'll send you a sample free upon request.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that the remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by all druggists.

THE SCRATCH of a pin may cause the loss of a limb or even death when blood poisoning results from the injury. All danger of this may be avoided, however, by promptly applying Chamberlain's Pain Balm. It is an antiseptic and unequalled as a quick healing liniment for cuts, bruises and burns. For sale by all druggists.

The Home Product.

"I should think you would be ambitious for political distinction."

"No," answered Mr. Cumrox, "I don't care for it. My daughter has studied painting and her pictures of me are funny enough without calling in the aid of any professional cartoonist."

The Single Misfortune.

"Misfortunes never come singly, you know, Miss Priscilla."

"Alas," said the poor maiden, shaking her head, "the single misfortune is the worst of all!"

Painless Operation.

The old beau was trying to make himself look youthful.

"He is dying for love," they commented.

The kicker usually does not make much progress, notwithstanding that he puts his best foot forward.—Boston Transcript.

The growth of a big business is merely a survival of the fittest.

For Stomach Troubles.

"I have taken a great many different medicines for stomach trouble and constipation," says Mrs. S. Geiger, of Dunkerton, Iowa, "but never had as good results from any as from Chamberlain's Stomach and Liver Tablets." For sale by all druggists.

Father and Son

BOTH CURED OF

KIDNEY TROUBLE

BY

Doan's Kidney Pills.

Mr. Benjamin Brooks, a well-known farmer of West Cape, P.E.I., tells of how his son was cured of Kidney Disease, and how he was cured of Backache.

The First Sign of Kidney Trouble.

He says: "Our little boy was troubled with kidney disease. We had tried many kinds of kidney pills but they only helped for a time. We got Doan's Kidney Pills and one box effected a perfect cure. About six weeks after this I caught a very bad cold that settled in my kidneys. My back was so sore I could hardly walk. I went to the drug store and got a box, took them according to directions and the result was that my back was completely cured. I believe they are the best kidney pill on the market to-day."

There is not a kidney trouble from Backache to Bright's Disease that Doan's Kidney Pills will not relieve or cure. The price is 50 cts. per box, or 3 boxes for \$1.25 and may be procured at all dealers or from

SHOT GUN - PRESCRIPTION -

We suppose we are not revealing any trade secrets when we say that many medicines are made up on the principle of the so called "Shot Gun" Prescriptions, which were formerly somewhat in vogue. The idea of the Shot Gun Prescriptions was to put into a medicine a large number of different drugs, each useful for different purposes, in the hope that some of them might hit the case.

The most successful physicians we know use a more direct method. The medicine we sell over our own name, and guarantee, does the same. This medicine is called

Staples' Dyspepsia Remedy.

It is the best remedy we know of for Dyspepsia in all forms, such as Indigestion, Costiveness, Bilioussness, Sour Stomach, Heartburn, Water Brach, Sick Headache and all the terrible diseases caused by Dyspepsia. It is not a scattering "Shot Gun" Prescription but it goes straight to the mark, and has cured so many people right here in town, that it gives us confidence to sell it on an absolute guarantee, as follows: If you use a bottle and it does not help you, we will give you your money back without a word of complaint. We could not afford to guarantee it so boldly if we had not seen it succeed ninety-eight out of every one hundred cases.
