GIBSON AND ST. MARY'S

Fine Budget of News From These Thriving Village.

Aug. 3.

Mrs. C. Hardig accompanied by her little grandson, Master Percy O. Sewell left on the 9.30 train this morning for Brown's Beach St. Martins, to visit her daughter, Mrs. John A. Howard.

The Salvation Army visited our parts last evening and held two open airs. The first was held at Vanwart's Corner, in St. Mary's. A large crowd soon collected and a good service was conducted. An especially pleasing feature was a solo by Miss Etta Harris, "Up in the Golden City." About half past eight they marched to Gibson, and took up their stand at Barker's Corner. Here they met with somewhat better success. Two small boys stepped from the ranks on the sidewalk and entered the ranks of the S. A. They are going to continue their open air meetings in these two places. There are lots of chances for doing good work here and may the Salvation Army meet with success.

Henry Watts, who has been employed with Mr. Wm. Harding of Lower St. Marys, for the past year, was yesterday removed to Victoria Hospital suffering from an attack of typhoid fever.

The friends of Mr. and Mrs. Morris Macklin will be glad to learn that the condition of their little son Douglas has somewhat improved. The little fellow, who has had whooping cough and double pneumonia was so ill at one time that there was little, if any, hopes for his recovery.

Mrs. Wm. Bailey (nee Miss Mabel Currie) received yesterday afternoon and evening. She was attired in a grey voile. Mr. and Mrs. Bailey will board with her parents for some time before they commence housekeeping.

Mr. and Mrs. Sharp with their little daughter Viola left yesterday for London, England. They came here a few months ago with the intention of settling here but the climate did not agree with the delicate constitution of the little girl and acting upon the advice of a doctor they returned home.

The funeral of the infant son of Mr. and Mrs. J. Val. Magee of St. Marys, took place Tuesday afternoon at 4 o'clock. The bereaved parents have the sympathy of many in their loss.

Miss Lena Staples is spending the week at Ravine Lodge, the guest of Mrs. T. Amos Wilson.

The many friends of Mrs. Malcolm Brown of Gibson, will learn with regret of her severe illness.

WHY CATARRH POISONS THE SYSTEM

The catarrhal germs excites inflammation, offensive secretions are thrown off and pass into the circulation, contaminating the river of life and thus wreck the whole body. Every catarrh victim should use fragrant healing Catarrhozone, the surest cure for every type of catarrh yet discovered. Catarrhozone can't fail to cure because its vapor kills the germs and removes the cause of the trouble. Then it soothes and heals, stops the cough and relieves the stuffed up condition of the nose and throat. Tens of thousands have been cured by Catarrhozone which is guaranteed. Use only Catarrhozone. Complete outfit \$1.00; trial size 25c.

RICH COLOR AND SOFT SKIN

May be imitated, but beauty is more than skin deep—it is hidden in the blood. Eliminate the poisonous products of indigestion by Ferrozone and the complexion rapidly improves. Increase the red coloring matter in the blood, give it more nutrition and more red cells, do this and cosmetics won't be needed. Give up cosmetics, they wither too quickly. Use Ferrozone and have your complexion firmly established. There isn't a case of blotched skin, poor complexion or lack of color that can't be quickly remedied by Ferrozone. Try it. Price 50c.

Aug. 1.—Mr. James Humble of Cross Creek, his wife, Mrs. Brown, his mother-in-law and sister-in-law, Miss Brown, were driving from church yesterday with a speedy team of horses in a heavy express wagon, the tongue became detached on one side causing the wagon to go to one side of the road and frightening the horses so that they made a dash at full speed, throwing the occupants and breaking Mrs. Humble's arm and cutting and bruising the party very badly. The detached team also ran over George Merritt and his wife in a buggy, demolishing the buggy and inflicting a wound on the head of Mrs. Merritt, but no serious results are expected.

On the chest and relieves that tight feeling and hard cough like Nerviline," writes E. P. Renshall of Sutton.
