C. of E. PICNIC.

Young and Old Spent a Pleasant Day at Copenhagen.

Undoubtedly the largest picnic of the season and Conductor Andrew Crookshanks says it was the largest crowd that ever went over the Canada Eastern, was the Church of England Sabbath schools that went to Copenhagen yesterday. It is estimated that over fifteen hundred people were in attendance. There were two trains one at 9.30 and another at 2.30 each being well crowded, the picnickers representing all denominations who were more than delighted with the beautiful grounds and gardens of Rev. W. W. Brewer, it being the first visit to the ideal spot of many of them. The visitors were unanimous in their praise of the picturesqueness of the artistically arranged flower beds and different variety of plants and vegetables and the little rustic summer house attracted much admiration and attention. The usual picnic games and sports were provided and all were well patronized, valuable prizes being awarded for the different events. Mr. Joshua Chappel was on hand with his rifle and did a rushing business and the ever popular bean toss was on the grounds as usual and the prize was keenly competed for. The ball box game was something new and proved a paying pastime. There was a very interesting and exciting baseball game between two Fredericton teams the batteries for the teams being Jones and McMinnamin and Clarke and McGinnis. Jimbo acted as umpire and his decisions were very satisfactory.

A very interesting feature of the day's outing was the baby contest, the four months old baby of Mr. and Mrs. William Mills won the prize which was a beautiful silver mug. There was also a prize for the best bouquet of wild flowers in which 10 girls took part, Mr. Duncan Thomas was the judge and awarded the prize to Miss Gertrude Smith, whose collection was certainly very pretty. Dr. Roberts was on hand as usual and entered heartily into the athletic games and worked hard to make the picnic a success. The return trip was made shortly after seven o'clock and all voted the picnic one of the most successful they ever held.

A Distinguished Visitor.

Right Rev. Thomas A. Jaggar, D. D., Episcopal bishop of Southern Ohio, accompanied Mrs. Jaggar and their daughter, arrived here by the steamer Majestic this afternoon. The bishop, who is a very enthusiastic sportsman, has arranged through the Fredericton Tourist Association for a hunting trip on the Tobique, and his wife and daughter will probably go to Davidson Lake to remain during his absence. The bishop has hunted in Maine, Newfoundland and the Rockies, but has never given New Brunswick a trial. He will probably arrange to spend a few days trout fishing on the Nepisiquit, prior to the opening of the hunting season.
