MARYSVILLE NEWS.

The Oddfellows' Visit--Brethren Heartily Welcomed by Mayor Gibson, M. P.

(By Our Own Reporter.)

Aug. 12—Shortly after two o'clock yesterday afternoon a train containing five cars well filled with members of the Oddfellows and Rebekah order, pulled into town from Fredericton. Although the weather was not very promising Marysville looked her best and the citizens turned out in large numbers to welcome the strangers as most of the visitors were delegates from different parts of the Maritime Provinces. The visitors at once proceeded to the Oddfellows' Hall where they were right royally entertained by Nashwaak Lodge, No. 72, and Amethyst Rebekah Lodge and they were serenaded by the Marysville brass band, which was stationed on the beautiful lawn. Mayor Gibson, M. P., welcomed the order on behalf of the citizens in a very neat and well worded speech and said he was sorry that he was unable to call them brothers and sisters but hoped to have that honor and pleasure on their next meeting. Mr. Gibson was followed by Mr. H. P. Lint who made an excellent speech on behalf of the local Oddfellows. The next speaker introduced by Chairman George Tapley was Grand Master Whear of Charlottetown, P. E. I., who spoke in very flattering terms of the warm reception the delegates had received at the hands of the Fredericton and Marysville people and spoke of the beauties of our progressive little town. Mr. Whear was followed by grand master elect, Mr. Charles A. Sampson, who made a very witty and interesting address and was in his usual good form. At the conclusion of the speech making all were invited into the hall where refreshments were served and a very pleasant hour spent in conversation. The Daughters of Rebekah were tireless in their efforts in trying to make all present feel welcome and it was certainly a very pleasant and profitable afternoon. The visitors were loud in their praise of the beautiful cosy spots to be seen in and around Marysville, especially the P. N. Knoll, and those who visited the Methodist church were not only surprised but delighted with everything they saw and all seemed to appreciate the kindness extended by the local brethren. The return trip was made at 3.20.

Cured Painful Irregularities.

Strong Testimony From a Lady Resident of Clarksburg Proving That Ferrozone Surpasses All Other Remedies for Diseases Peculiar to Woman.

If the thousands of women who silently suffer from functional derangements were to tell their sad story, it would make a book of countless pages. The health of many women is constantly imperilled through failure of certain organs to work according to nature's requirements. Where this condition occurs there is no safer remedy to employ than Ferrozone which has a specific action in female troubles. Not only does it act directly on the organs, ensuring regularity and freedom from pain, but by forming rich red blood fortifies the system against weakening drains. Every young girl and woman will find a true friend in Ferrozone. It is a special remedy for their troubles that offsets the deadening influence of ill health by restoring order and regularity. Ferrozone possesses a volume of merit totally absent in the ordinary medicine, and its superiority is proclaimed by thousands of women it has restored to vigorous health. From Mrs. F. G. Caldwell comes the following endorsement: "I went through a most trying experience with what is commonly known as 'Female Trouble.' It isn't necessary to state my symptoms but I suffered a great deal. My health was well nigh ruined, and I got into such a condition that I couldn't even sleep. I was dreadfully nervous weak and pale. Different prescriptions were recommended and I tried them. But Ferrozone was the first to help. I improved steadily under

Ferrozone, and normal conditions were finally established. I gained weight, my color and spirits improved and my former health was restored. Ferrozone cured me and with a full heart I recommended this good medicine to all other women.

SMALLPOX AT ZION CITY.

Where the People Don't Believe in Vaccination.

Chicago, Ill., Aug. 12.—An epidemic of smallpox is said to be raging at John Alexander Dowie's Zion City on the north shore, and from twenty to thirty victims are said to be in quarantine at the pest house. One patient is said to have died last night.

The officers of Zion City refuse to either confirm or deny the reports, which have created great uneasiness in the neighbouring towns. Mayor Pearce of Waukegan this evening stated that he would report the conditions to the state board of health with a view of establishing a quarantine to prevent the disease from spreading to Waukegan. There is no medical treatment for the disease at Zion City, and vaccination is not resorted to.

A STUDY OF OLD AGE.

Reveals the fact that the blood is usually thin and lacking in the strengthening properties of young folks' blood. If you want to fill your blood with the fire of youth, build up your strength, restore your nerves, just use Ferrozone. It's the most potent tonic known and will renew the flickering flame of an aged life by imparting nourishment to the enfeebled organs. Ferrozone fortifies weak systems, feeds the blood, brain and nerves with new life. Try Ferrozone. Price 50c. per box.

Farm Laborers' Excursion, 1904.

Latest reports show that the wheat crop of Manitoba and the Northwest is as good, if not better than past seasons, and many thousand laborers will be required to assist in harvesting the same.

The farm laborers' excursion from the Maritime Provinces will be run on August 31st, from points in Cape Breton and Nova Scotia, east of New Glasgow; from all other stations in Nova Scotia, Prince Edward Island and New Brunswick on Thursday, September 1st.

Second class tickets to Winnipeg will be sold from each coupon ticket station, and the rate from points in New Brunswick on Canadian Pacific lines will be \$12.00 going, \$18.00 returning; from points on the Intercolonial lines in New Brunswick and Nova Scotia, also from D. A. R. stations in Nova Scotia, rates will be \$13.00 going, and \$19.00 returning, and from coupon ticket stations in Prince Edward Island, rates will be \$13.50 going, and \$19.50 returning.

These tickets will be sold to female as well as to male laborers, but half tickets will not be issued to children, and the purchaser of each ticket will be given farm laborer's verification certificate and extension coupon. On arrival at Winnipeg special trains will be met by farmers and Manitoba government representatives and when extension coupon has been signed by the farmer showing that the holder thereof is engaged to work with him in the harvest fields, this coupon will be taken up by the ticket agent, and free tickets given to the Canadian Pacific station nearest to the point where the laborer has engaged to work, and on the arrival at that station the laborer must deposit the verification certificate with the Canadian Pacific ticket agent. When he has worked for thirty days and has a certificate signed by the farmer, such certificate will be honored for return ticket to starting point any time prior to Nov. 30, 1904, on payment of the return rates above quoted.

It is expected special passenger trains will be run on the main lines for the accommodation of laborers, and tickets will not be good on regular passenger trains.

150 lbs. baggage wearing apparel only, will be allowed on each free ticket to Winnipeg, and every piece of baggage checked should bear the owner's name and permanent address. If however anyone has made prior arrangement to work with the same farmer they were employed with in previous years, they may check their baggage through to that point, but not beyond Moosejaw, Yorkton or Estevan, as no free tickets will be furnished to points beyond those stations.

Owing to the great difficulty in handling fifteen to twenty thousand laborers to one station at Winnipeg, baggage delivery may be slow, and as much as possible should be carried in hand grips in the cars with the passengers instead of checking.

Anyone requiring any further information should write to Mr. C. B. Foster, District Passenger Agent of the Canadian Pacific Railway at St. John, N. B., and those who intend joining the excursion should notify each ticket agent at once.

When washing greasy dishes or pots and pans, Lever's Dry Soap (a powder) will remove the grease with the greatest ease, as

CASTORIA

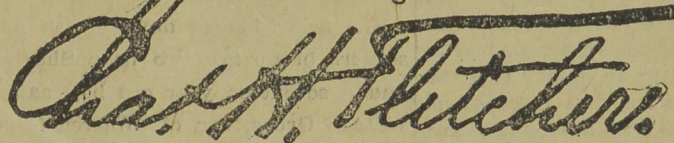

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is Pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, cures Constipation and Flatulency. It assimilates the Food, regulates the Stomach and Bowels, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.
