

ENGAGED.

Marriage is very largely an accident. In few cases do men or women set up a standard of manly or womanly excellence and choose by it. In most cases people become engaged as the result of proximity rather than because of any deep rooted preference. And so it often happens that the wife enters upon the obligations of maternity just as thoughtlessly as she entered on the marriage relation, because no one has warned her of the dangers she faces.

Thousands of women become invalids for lack of knowledge of themselves. It is to this large body of women that Dr. Pierce's Favorite Prescription comes as a priceless boon, because it cures womanly ills.

"Favorite Prescription" establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"After my first child was born," writes Mrs. Jordan Stout, of Pawcettgap, Frederick Co., Va., "my health was very poor for a long time, and last winter I was so bad with pain down in back I could hardly move without great suffering. My husband got me a bottle of Dr. Pierce's Favorite Prescription and a vial of his 'Pleasant Pellets,' which I used as directed. In four days I was greatly relieved, and now, after using the medicine three months, I seem to be entirely well. I can't see why it is that there are so many suffering women when there is such an easy way to be cured. I know your medicines are the best in the world."

Dr. Pierce's Pleasant Pellets the favorite family laxative. One 'Pellet' a laxative, two 'Pellets' a cathartic dose.

Feb. 15—The angel of death basanized visited this community and claimed Mrs. Solomon McFarlane as his own. Much sympathy is felt throughout this community for the bereaved ones.

Lagrippe seems to be the order of the day here just now, and the person who fights clear of the grim monster may count himself thrice blest.

We are enjoying a few days of nice weather just now, high hopes are held out that the worst of the winter is over.

Peter Caverhill has finished his lumbering operations for the Smullin Brothers and is now hauling bark for Gordon Grant.

Johnnie Rockwell spent Sunday last with friends at Green Lake.

About eighty of the young people of this place and Hawkshaw drove to Prince William where they were entertained to a most delightful evening by Mr. and Mrs. Bennett. Dancing was the chief feature of the evening.

Mr. Peter L. Caverhill spent Sunday with his parents, returning to his school at Temperance Vale this morning.

We are afraid we are going to lose our popular school teacher, as the continued visits of a certain young man from Hawkshaw seems to indicate wedding bells in the near future.

Some weeks ago Saele Cronkhite captured a strange looking bird. Its crown is black, below which the sides of the head are a soft flesh color, the body is black except for a small triangular spot on the breast. Miss Cronkhite has succeeded in taming it and it will now come wherever she calls it. No one has been able to name it although some say they think it is a specimen of the woodpecker.

H. S. Savage, our popular merchant, is doing a large business just now.

For Stomach Troubles.

"I have taken a great many different medicines for stomach trouble and constipation," says Mrs. S. Geiger, of Dunkerton, Iowa, "but never had as good results from any as from Chamberlain's Stomach and Liver Tablets." For sale by all druggists.

Price's Camp.

[Special correspondence to the Herald.]

Feb. 12.—I will try and give you a little more local news about our camp and how we are doing. In December and January we had fifty-six men, now we

have only thirty-six. We had thirteen teams hauling and are hauling seven to eight hundred a day. The teams are all hauling on one road and did not need so many men. We are well equipped for fire protection, as we have a water cart, and a great supply of water from the Lake. Marvin Hanson and Howard Griffiths is tending to that part, Ezra Hanson is chief superintendent. The teams are making four turns on the road, but some of them are kicking a little about that. One man asked the boss, Thomas Dunn, if he had a handkerchief to wipe the tears from one of the teamster's eyes who was grieving over driving four turns a day.

Mr. Price, who has been home for a few days has returned, he is quite sick with a cold. Our scaler W. Brewer, who has been critically ill for a few days with a bilious attack, is better now only he has a severe cough which may terminate in long trouble.

Our men seem to be busy on Sunday, some are repairing sleds, some mending harness, one man is repairing horse shoes, but the borax gave out, so he concluded to use a little mullage, which would do as well.

Ezra Hanson, is now running a Peevie Stock Factory.

Mrs. A. W. Price and daughter Mrs. Simon Goodine lately made us a visit.

Sunday seems to be our longest day. We have lots of gossip, their chief talk is, "I have the best pulling horse in the crowd," which excites the teamsters good naturedly. The least we can say of them is they all have good teams and good men to handle them.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. "Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by all druggists.

WHY DO WOMEN SUFFER

Such pains and endure the torture of a nervous headache when a quarter buys a bottle of Nerviline which never fails to relieve. Just a few drops of Nerviline in sweetened water cures nervous or sick headache, relieves heart palpitation and makes you feel better immediately. Nerviline can't be beaten for quickly curing stomach or bowel troubles and should be kept in every home. It's good to rub on for external pain and excellent for inward use. Sold in large 25c. bottles.

SHOT GUN - PRESCRIPTION -

We suppose we are not revealing any trade secrets when we say that many medicines are made up on the principle of the so-called "Shot Gun" Prescriptions, which were formerly somewhat in vogue. The idea of the Shot Gun Prescriptions was to put into a medicine a large number of different drugs, each useful for different purposes, in the hope that some of them might hit the case.

The most successful physicians we know use a more direct method. The medicine we sell under our own name, and guarantee, does the same. This medicine is called

Staples' Dyspepsia Remedy.

It is the best remedy we know of for Dyspepsia in all forms, such as Indigestion, Costiveness, Biliousness, Sour Stomach, Heartburn, Water Brach, Sick Headache and all the terrible diseases caused by Dyspepsia. It is not a scattering "Shot Gun" Prescription but it goes straight to the mark, and has cured so many people right here in town, that it gives us confidence to sell it on an absolute guarantee, as follows: If you use a bottle and it does not help you, we will give you your money back without a word of complaint. We could not afford to guarantee it so boldly if we had not seen it succeed ninety-eight out of every one hundred cases.

DR. WOOD'S NORWAY PINE SYRUP

CURES

Coughs, Colds, Bronchitis, Pain in the Chest, Croup, Hoarseness, Sore Throat, Asthma, Whooping Cough, Quinsey, and all Throat and Lung Troubles.

It is pleasant to take and is soothing and healing to the lungs. There is nothing to equal it for stopping that tickling sensation in the throat, and the persistent cough that keeps you awake at night.

Price 25c. at all Dealers.

QUICKEST AND MOST EFFECTIVE.

I have used Dr. Wood's Norway Pine Syrup in my family for the last six years, and have found it the quickest and most effective medicine for all kinds of coughs and colds I have ever used. My little boy had a severe attack of bronchitis, but before using half a bottle of the Syrup he was completely cured. I cannot praise it enough.

Mrs. Wm. J. FLEWELLING, Arthur, Ont.
