

TEARFUL OR CHEERFUL?

Whether a woman is tearful or cheerful depends not on what she has materially, but what she is physically. Many an indulgent husband is driven almost to despair by the tearful outburst of a wife who has "everything she wants." He wants to know what's the matter. But the wife can't tell. She only knows that she is depressed and despondent. Such a condition is usually related to some form of womanly disease.

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Prolapsus, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure.

Mrs. Alice Adams, of Laboratory, Washington Co., Pa., says: "With many thanks I write to help you know how I am. I can say by God's help and your help I am well. I have taken six bottles of Dr. Pierce's Favorite Prescription and two of his 'Golden Medical Discovery,' and I can do all my work. I can't praise your medicine too highly. I will recommend your medicines as long as I live. If any one doubts this give them my address."

Keep the bowels healthy by the timely use of Dr. Pierce's Pleasant Pellets.

(Special correspondence to the Herald)

Jan. 27.—We are pleased to see the smile of Ambrose McLewain, in our midst again. He has been confined at home for the past few weeks with a cut foot.

We are sorry to report that Mr. Roy Pickard, of this place, is very sick with lung fever.

Walter McDonald, of this place, succeeded in capturing a valuable silver gray fox on Friday last; heretofore he has refused all efforts to buy it. He intends to try and tame it.

Miss Jessie McDonald spent Sunday with her parents returning to her school at Green Lake, in the evening.

Much curiosity and some anxiety is felt over the appearance of a wild looking animal in this place. It has been twice seen in the vicinity of Claude McDonalds and each time on Friday night. What the marauder wants we cannot tell.

Mrs. Wm. McLewain was elected president of the Literary club of this place. We congratulate the club in having secured so good a president.

A happy event took place this afternoon at the Baptist Parsonage when Sadie McHatten was joined in holy wedlock to Clarence McFarlane. Only the near relations were present. The whole community wishes them a long and happy life.

Mrs. Wm. McLewain intends going to St. Stephen next week to visit her sister.

Mr. Peter Caverhill and Miss Annie McDonald paid a flying visit to Green Lake on Sunday last.

Rev. Mr. Bastin preaches his farewell sermon in the church here next Sunday.

We are sorry to lose Mr. Bastin as he is well liked. We congratulate him on having obtained so good a field as Woodstock.

Rev. Mr. Allen is making an extended tour of the lumber camps throughout the province. We wish Mr. Allen every success. He is an able speaker and an untiring worker for his cause and is much liked by the people of this community.

Charles Woodman is getting on finely with his lumbering, he has about one half million feet of logs yarded on top of the school house hill and intends to spend the remainder of the winter hauling them to his brothers' mill at Rossville.

Wm. Hens had a large crew of men at work today getting word to last him over this cold weather.

Miss Sadie Yerna, of Keswick, is visiting friends here.

Miss Annie McDonald paid a flying visit to Keswick this week.

Although this is a quiet town and there is not much out of the ordinary going on yet some things happen here which might surprise our neighbours at the capital and what could be more strange than the finding of a large ripe raspberry after all this cold weather. One was discovered by an inhabitant of this place; the other day growing on the top of Pike's peak, which rumor says is the highest peak in York county. The berry was apparently solid and in good condition as if it had been the first of August instead of January.

Can anyone account for or find an equal to this strange freak of nature.

James K. Pinder our enterprising lumber merchant is busily engaged repairing his mill for early spring operations, he expects to saw about five million feet next summer.

For Stomach Troubles.

"I have taken a great many different medicines for stomach trouble and constipation," says Mrs. S. Geiger, of Dunkerton, Iowa, "but never had as good results from any as from Chamberlain's Stomach and Liver Tablets." For sale by all druggists.

Could scarcely get up or down without help.

Had a severe pain in the small of the back.

Was treated in the Hotel Dieu, Kingston, but not cured.

Kidney trouble was the trouble.

Doan's Kidney Pills

Cured Mr. George Graves, Pitts Ferry, Ont., of a very bad case of kidney trouble.

He tells about the cure in the following words: "I cannot recommend Doan's Kidney Pills too highly. I never took anything that did me so much good. I had a severe pain in the small of my back and could scarcely get up or down without help. I could hardly urinate, but when I did the pain was terrible. I was in the Hotel Dieu, Kingston, last winter and when I came out I was some better but not cured. It was then I saw Doan's Kidney Pills advertised. Since taking them I have been completely cured and have not had any trouble with my kidneys since."

SHOT GUN

- PRESCRIPTION -

We suppose we are not revealing any trade secrets when we say that many medicines are made up on the principle of the so-called "Shot Gun" Prescriptions, which were formerly somewhat in vogue. The idea of the Shot Gun Prescriptions was to put into a medicine a large number of different drugs, each useful for different purposes, in the hope that some of them might hit the case.

The most successful physicians we know use a more direct method. The medicine we sell under our own name, and guarantee, does the same. This medicine is called

Staples' Dyspepsia Remedy.

It is the best remedy we know of for Dyspepsia in all forms, such as Indigestion, Costiveness, Biliousness, Sour Stomach, Heartburn, Water Brach, Sick Headache and all the terrible diseases caused by Dyspepsia. It is not a scattering "Shot Gun" Prescription but it goes straight to the mark, and has cured so many people right here in town, that it gives us confidence to sell it on an absolute guarantee, as follows: If you use a bottle and it does not help you, we will give you your money back without a word of complaint. We could not afford to guarantee it so boldly if we had not seen it succeed ninety-eight out of every one hundred cases.
