

Events of a Day.

MAMMOTH CHICKENS.

Mr. Fred Long of MacTague, had a pair of chickens in the market this morning which tipped the scales at thirteen pounds. He had no difficulty in selling them at fifteen cents per pound, \$1.95 being the amount realized.

TO PREACH AT MONCTON.

Rev. J. H. MacDonald and Rev. Dr. McLeod left this morning for Moncton and will conduct services at the reopening of the second Baptist church there tomorrow. Rev. Mr. MacDonald will preach in the morning and Rev. Dr. McLeod in the evening.

A PLEASANT FUNCTION.

The members of the Birches Club, wound up the season by a grand dinner at their camp on the Woodstock road last evening. About fifteen sat down to an elaborate repast served in princely style by Harry Donahoe, head chef of the Queen Hotel. The list of invited guests included Mr. E. H. Allen, claims agent of the I. C. R.

ST. ANN'S RECTORSHIP.

A meeting of the parishioners of St. Ann's church to elect a rector in succession to the late Rev. Dr. Roberts, is to be held at the church hall next Wednesday evening. Among the names mentioned for the position are those of Rev. J. DeWolfe Cowie, late of St. Mary's. Rev. Dr. Raymond and Rev. G. R. E. McDonald, of St. John. Rev. Mr. Forster and Rev. H. Montgomery of Springfield.

EXCHANGE OF PULPITS.

Rev. A. B. Cohoe, who lately resigned his pastorate at St. John, will occupy the pulpit of the George street Baptist church tomorrow morning and in the evening will preach at the Stone Baptist church. The services at the Stone Baptist church in the morning will be conducted by Rev. A. A. Rideout, and Rev. Mr. Cohoe will be at the George street Baptist church.

MOUNT ALLISON WON.

At Sackville Friday, Mount Allison succeeded in retaining the intercollegiate football trophy by defeating Acadia by the score of 8 to 6. The game was won in the last ten minutes, when the home team made eight points and turned what seemed a crushing defeat into a glorious victory. A large crowd was present, and Acadia had many supporters, seventeen accompanying the team from Wolfville.

BIG GAME NOTES.

Mr. Thomas Wilson of Tay Settlement had in the market this morning the head of a fine caribou shot by him a few days ago a few miles from his home. Mr. Walter Smith of Mangerville, shot a fine moose on mill stream a short time ago. It had an antler spread of fifty-two inches. Mr. W. D. Hagerman of Keswick, who is lumbering on the Lepreau, shot a fine moose in that country a few days ago.

LOCAL SPORTSMEN IN LUCK.

A party of jolly sportsmen composed of Messrs. J. A. Winslow, James Tibbitts, C. H. Allen, S. Dow Simmons and Norman Tennant returned last evening from a successful hunting trip to Little River. They had fair luck considering the unfavorable weather, bagging a moose, a caribou and a deer. All enjoyed the outing very much and have nothing but good words for their guide Lorenzo Savage, and Adolphus Allen, who performed the duties of teamster.

SUDDEN DEATH.

The death occurred at her home at St. Marys last night of Mrs. Eliza Lyons, wife of Mr. Alexander Lyons. She was about the house yesterday as usual, and her sudden demise was a great surprise to her relatives and friends. Heart failure is supposed to have been the cause. The deceased was sixty-eight years of age and leaves a husband, but no children. The funeral will take place at 2.30 on Sunday to the Pickard burying ground. Mr. R. B. Adams is the officiating undertaker.

MISSION WORK.

Very Successful Meeting Held in the Methodist Church.

A most interesting meeting under the auspices of the Women's Missionary Society was held in the vestry of the Methodist church last evening. Mrs. F. P. Thompson, president, presided, and Mrs. Rogers, Mrs. Coulthard and Mrs. C. H. Thomas occupied seats on the platform. The opening prayer was offered by Rev. Dr. Rogers, after which Mrs. Thompson gave a pleasing address in which she urged every woman to join the society. She plainly presented the need of united support in this great work, and looked for the accomplishment of increased success in the future. Mrs. (Dr.) Rogers gave a Bible reading bearing upon missionary effort and in her usually fluent manner pictured the duty of Christians along these lines and at once convinced the audience that her grasp of the situation was broad and intelligent. Mrs. C. H. Thomas followed with an interesting report of the branch meeting held at St. Stephen in October. She spoke of the pleasure of the

meeting and gave the chief points of discussion and deliberation of each session. The branch continues to enlarge in number and its work.

Mrs. W. B. Coulthard, who was a delegate to the recent board meeting in Peterboro, Ont., delighted her audience with a description of the foreign missionary work, and without going into particulars of the annual meeting Mrs. Coulthard presented a great variety of moving pictures of scenes in China, Japan, Mrs. Coulthard introduced her audience to scenes in Chentu and other missionary points in China, and other missionary work in China, and then exposed the interior work in the schools, hospitals, and other centres in Japan and then gave interesting incidents connected with work among the Galicians in the Northwest, and laborers in other fields. She was able to announce that the W. M. S. had increased 4,000 the past year, making its present membership about 40,000.

Brief addresses were delivered by Rev. Dr. Rogers, and Dr. Inch. During the evening Miss Lottimer presided at the piano, and a most pleasing feature of the exercises was an instrumental duet by the Misses McCatherine.

PROMOTED.

Truro Daily News—Another Truro young lady has just secured high honors in her profession and has found that there is plenty of room at the top of the ladder. Miss Bigelow graduated a little more than a year ago from St. Luke's Hospital New York City, and has since proved herself so efficient in her profession that, on the recommendation of officials of this fine hospital, she has been appointed to a very responsible position in a private hospital in the national capital—Washington.

(Miss Bigelow has many friends in Fredericton who will be pleased to hear of her success.)

AROUND THE MARKET.
