The imports for the quarter ending September 30th, were valued at \$106,949, and the duty for the same period was \$13,305.34. For the corresponding period last year the imports were valued at \$110,658, and \$11,858.45, was collected in duty.

TELEPHONE QUESTION.

City Council May Erect Line of Poles to Government Lane.

The city council will probably take action on the telephone question at the monthly committee meeting to be held this evening. On Friday the sub-committee to whom the applications of the New Brunswick and Union Telephone Companies were referred had an interview with Senat-

or Thompson in regard to a proposal that the city should buy out the poles on government lane and lease them to the rival companies. The senator did not view the proposition with favor and intimated that if his company could not obtain a lease of the city light poles, they would cross the street and make use of the poles owned by the Western Union Telegraph Company. He gave the committee to understand the Telephone Company would not think of selling their poles.

It is now stated that in order to dispose of the troublesome question the committee will recommend that the council erect a line of poles on government lane to the city limits and lease them to any telephone or light companies that may wish to use them. It is contended that of the water system is extended to the Aberdeen mill, the lighting system will have to follow, therefore the city will have to erect poles in that locality anyway. There is a possibility also that the Fredericton Gas Company may some day want to use the line to reach patrons on government lane. Under the law the city council has the right to erect poles on either side of the street, whether a line exists at the present time or not. It is likely if such an arrangement were carried out it would be satisfactory to the Union Telephone Company.

FORMER FREDERICTONIAN

Nominated for the Massachusetts Legislature and Will be Elected.

A Boston despatch says: After a service of three years in the Boston Common Council, Edwin T. McKnight of Ward 21, Roxbury district, has been nominated for the legislature by the republicans of his ward, and his election is regarded as reasonably certain. Mr. McKnight is a native of Butterfield Ridge, Kings Co., N. B. He graduated from the University of New Brunswick in 1894 and from the Harvard Law School in 1897. Prior to his college course he was a school teacher in New Brunswick. He is a member of the law firm of Eaton & McKnight. In his campaign for the legislature Mr. McKnight was supported by the British colony in Roxbury.

(Mr. McKnight is well known here, both as a former U. N. B. student and as principal of the Charlotte street school. "Bunt" is getting along well in his adopted country, and might yet be president of the United States had he not happened to have been born outside the republic.)

TALKED PLAINLY.

Dr. Inch Told Grand Falls People They Should Build a New School House.

The principal speaker at the evening session of the Victoria Teachers' Institute at Grand Falls last week was Dr. Inch, chief Supt. of Education, and in his address he referred to the lamentable lack of school accommodation in Grand Falls. The doctor stated that the town should erect a ten thousand dollar school building and issue bonds for that purpose, payable in twenty-five years. Now more than two hundred and sixty-five children are crowded into a few small inadequate rooms badly ventilated, under four teachers, and averaging more than sixty pupils to each teacher.

Other speakers remarked on the lack of interest in educational and town matters, and said that although Grand Falls was one of the prettiest towns in the province, the residents had done very little if anything, to improve the town and render it attractive to visitors and tourists.

Dr. Inch's address made a deep impression on the people and his views regarding educational matters will likely be adopted.

UNEXPECTED DEATH.

Marysville Young Man Succumbed to Attack of Congestion.

Mr. Barry Brown, son of Mr. and Mrs. Fred Brown, died very suddenly at the home of his parents, Sunday about noon after a few days' sickness from congestion of the lungs.

Mr. Brown, who has been employed in St. John for a few years, came home Saturday week to spend a few days and take in the exhibition, and while at the races last Wednesday contracted a severe cold, and being in delicate health, it resulted fatally, causing his death Sunday, after much agony.

The deceased was very popular, and had many friends in St. John as well as in Marysville. He was an active member of Victoria Lodge Prentice Boys.

Although he had been in ill health for some years, it was not thought the end was so near.

Besides his parents he leaves one brother, Hayward, of Marysville,

GIBSON NEWS.

Oct. 2.—The St. Mary's Parish church was crowded to the doors Sunday evening the occasion being a special Temperance service conducted by the rector, Rev. Dr. Duffy, who took his text from Jeremiah XXXV.—"Therefore Thus Saith the Lord of Hosts, the God of Israel, Jonadab the Son of Rechab shall not want a man to stand before me for ever." The sermon was certainly a gem and preached in the rector's usual eloquent manner who told some startling stories to fully illustrate his remarks, which were at times very startling, sympathetic and touching, showing as they did the dreadful evils of intemperance, both spiritually, morally and physically. The clergyman thus pointed out the great benefit and good to be taken from a temperance organization and intimated that every young man and married man should be a member of some temperance society especially one that carried insurance. The speaker closed his very interesting and instructive remarks with a strong appeal to all to help the temperance society in the community. The singing by the excellent choir was splendidly rendered and has been prepared especially for the occasion. Noticeable in the large congregation were several temperance workers from both sides of the river, including a large number of the members of Royal and Star council, R. T., of T. and Albion Lodge, I. O. G., who marched to the church in a body. The service all through was a very beneficial one and should be the means of doing a lot of good in the village of Gibson as well as elsewhere.

Next Sunday will be Harvest Sunday and a special sermon suited for the occasion will be preached by the Very Rev. Dean Partridge of Fredericton.

On Wednesday, Oct. eleventh, the Ladies' Auxiliary Society of the Church of England, intend holding a grand Harvest supper in church hall. Next Wednesday evening there is to be the first of a number of parlor socials at the residence of Mr. and Mrs. James Davidson's. These socials are under the auspices of the Free Baptist church which is a guarantee as of their quality. A good time is promised to all who attend.
