

Give the Children

"FRUIT-A-LIVES" whenever the head aches, the stomach gets upset, or Constipation troubles them. Little folk may take them every day in the year without fear of ill-effects. It's just like giving them ripe apples, oranges, figs and prunes. That's what

Fruit-a-lives

or Fruit Liver Tablets

are. The fruit juices are so combined by our secret process, that the medicinal action is intensified many degrees. Nothing like them to keep the children plump and rosy—and free of the stomach and bowel troubles of childhood.

Equally effective with grown folk. 50 cents a box.

ACUTE INDIGESTION.

A Trouble that Causes Untold Suffering to Thousands Throughout Canada.

"I suffered so much with acute indigestion that I frequently would walk the floor through the long nights," said Mrs. Thomas Vincent, residing at 98 St. Peter street, Quebec. "I had been afflicted with the trouble," she continued, "for upwards of twenty years, but it was only during the past year that it assumed an acute form. There were times when I was almost distracted; everything I ate disagreed with me and the pains in the region of the stomach were almost unbearable. When the attacks were at their worst my head would grow dizzy and would throb violently, and sometimes I would experience severe attacks of nausea. As time went on I was almost worn out either through abstinence from food or the havoc it wrought when I did take it. I tried many much lauded dyspepsia cures, but they did me no good. In fact I got nothing that helped me until my nephew urged me to take Dr. Williams' Pink Pills. He had used them himself with the greatest benefit, and assured me that they would help me. After I had taken three or four boxes of the pills there was some improvement, and I continued to take the pills regularly for about three months, and at the end of that time I found myself cured. I could eat a hearty meal and eat it with a relish; I slept soundly at night, my weight increased, and my constitution generally was built up. I think Dr. Williams' Pink Pills will cure any case of dyspepsia, if they are given a fair trial such as I gave them."

Dr. Williams' Pink Pills cure cases like Mrs. Vincent's simply because they fill the veins with that rich, red blood that enables every organ of the body to do its work properly. That is the reason why the pills cure all blood and nerve troubles, skin diseases, St. Vitus dance, paralysis and the special ailments of growing girls and women of middle age. When you ask for Dr. Williams' Pink Pills see that you get the genuine with the name "Dr. Williams' Pink Pills for Pale People" printed on the wrapper. Sold by medicine dealers everywhere, or by mail at 50 cents a box or six boxes for \$2.50 by writing the Dr. Williams' Medicine Co., Brockville, Ont.

Treated by Three Doctors
for a
Severe Attack of
Dyspepsia,

Got No Relief From
Medicines, But Found It At
Last In
Burdock Blood Bitters.

Mrs. Frank Hutt, Morrisburg, Ont., was one of those troubled with this most common of stomach troubles. She writes:—"After being treated by three doctors, and using many advertised medicines, for a severe attack of Dyspepsia, and receiving no benefit, I gave up all hope of ever being cured. Hearing Burdock Blood Bitters so highly spoken of, I decided to get a bottle, and give it a trial. Before I had taken it I began to feel better, and by the time I had taken the second one I was completely cured. I cannot recommend Burdock Blood Bitters too highly, and would advise all sufferers from dyspepsia to give it a trial."

The Courage of Failure.

All honor to the man or woman who knows no such word as defeat, who follows the pathway of a consistent purpose and in the line of duty, even with the dark shadow of failure obscuring the way. To have the courage of one's convictions at all times and under all circumstances requires no small degree of character and determination. It is better to go down to ultimate overthrow in a cause which one believes to be just and right than to profit by any compromise with conscience or suffer the lowering of the moral tone which must come to all who lose the consciousness of adherence to their faith rather than wear the laurels of honest defeat.

Better Than Text Books.

A system that develops a fine sense of honor is worth more than all the text books can teach. It is more valuable than calculus or logarithms, Sanskrit or early Saxon forms, Greek roots or Roman history. Honor means honesty, fearlessness, courtesy and fidelity to the standards set by conscience. No college can teach anything better or higher.

The Boy's Way.

Senior Partner—Didn't you hear that new office boy call you "Jones" this morning? Junior Partner—Yes, but he's only been here a week. Give him time; he won't begin to call me Bill until next week.—Exchange.

Can Tell a Lie.

Nordy—Washington could not tell a lie. Butts (mournfully)—I wish my wife was that way. She can tell one of mine a mile off.

Comparison.

A man coming home at 3 o'clock in the morning can be as quiet sneaking upstairs as he can be noisy with his growls the next morning.—New York Press.

YOUR MIRROR

TELLS THE
TRUTH

If your mirror tells you that your face is losing its roundness, the eyes their lustre and the cheeks their glow, don't blame the mirror. You are losing flesh—there's a waste somewhere. Try the scales. You don't tip the beam at the point you did formerly. It's several notches back. Try on last year's clothing. Doesn't fit so snugly, perhaps. These are all evidences that you need Scott's Emulsion because you need more flesh. Nothing picks up lost flesh or stops wasting like

SCOTT'S EMULSION

Losing flesh may be all right for people who are overweight, but the average person can spare little and retain the even balance of health. If your body is in need of more flesh, try Scott's Emulsion. If there are any evidences of wasting, try Scott's Emulsion. It will put you back in normal condition and restore your lost weight so quickly that you will wonder why you didn't try it before.

The Duel Was Abandoned.

An Irishman traveling in France was challenged by a Frenchman to fight a duel, to which he readily consented and suggested shillelahs as weapons. "That won't do," said the Frenchman's second. "As challenged party you have the right to choose the arms, but chivalry demands that you should decide upon a weapon with which Frenchmen are familiar." "Is that so?" replied the Irishman coolly. "Very well, we'll fight with guillotines."

Narrow chested, weak lunged people can't be cured by medicine. Plenty of fresh air, mild exercise and "The D & L" Emulsion at the first sign of weakness or loss of weight is the best treatment.
