

Events of a Day.

Change of Residence.

Miss McCorquindale has changed her residence to the Grand hotel, Queen street, where her customers will find her hereafter.—d3s.

On the Road.

The Herald bears that Mr. A. R. Tibbitts, late manager of the Riverside branch of the Bank of New Brunswick, has gone on the road for a leading mercantile house of Sackville. Mrs. Tibbitts is expected here shortly to visit her relatives.

Indians Beaten.

The Millicate Indians at hockey made a very poor showing against the Crescents in the Marysville rink last evening. The latter had no trouble in running up the score to 13 to 0. During the latter part of the game the Crescents laid back and took things easy, but even then the Redskins could not score.

Died in Montana.

William B. Morrison, youngest son of the late William J. Morrison of St. John and nephew of the late John A. Morrison, Sr., this city is dead at Lewiston, Montana, aged 39 years. Deceased was a cousin of Messrs. J. A., Frank I. and Stewart L. Morrison of Fredericton and had many friends here.

The Band Concert.

The sale of reserve seats for the Fredericton Brass Band Concert to be given at the opera house this evening has been large, and the indications are there will be a crowded house. A splendid programme, including vocal and instrumental solos by the best local talent, and selections by the band will be carried out. The bandmen are determined that all previous efforts by them in the entertainment line shall be eclipsed.

Official Visit.

Last night C. A. Simpson, grand master of the I. O. O. F. for the maritime provinces paid an official visit to Peeler's Lodge, Carleton, St. John, while Pioneer Lodge was paying Peeler's a fraternal visit. B. Thorne, noble grand, presided, and a most enjoyable time was spent. The grand master and other officers made speeches and an enjoyable programme was given. Grand Master Simpson will pay a visit to Jewel Rebekah Lodge on the west side tonight.

A Narrow Escape.

Warren Hoegg, son of Mr. George W. Hoegg formerly of this city, had a very narrow escape from being run over by a train at the railway crossing Sussex, Saturday afternoon. He was riding on a sled driven by Robert Parry, and when driving over the crossing Mr. Parry noticed a train almost upon them and struck the horse with the whip to get out of the way, which threw Mr. Hoegg out of the rear end of the sled on the track. He rolled over and over and just rolled off in time to save himself.

In a New Role.

Dr. J. R. Pauline, the celebrated hypnotist, arrived from New York by the noon train today and is a guest at the Barker. The doctor has been compelled by the state of his health to abandon hypnotism for the present, and he is now in the employ of the International Pictograph Company, a moving picture concern. Mr. W. T. H. Fenety of this city, and Mr. H. S. Crane of New York, are associated with him in the venture and they will shortly begin a tour of the Maritime Provinces. The doctor states that his moving picture show is positively the best now on the road.

Twilight Concerts.

Prof. Harrison has reorganized his twilight concert chorus and is preparing to give a series of concerts. One will take place about Easter and four others in May or June. The membership of the chorus will be limited to between thirty-five and forty the object being to keep the number of male and female voices properly balanced. A small number of singers will still be required and those wishing to enrol are requested to call on Mr. Harrison at his studio. The

first rehearsal was held last evening in Mr. Harrison's rooms. It was well attended and quite enthusiastic.

THE TROJANS WON.

Easily Defeated the R. C. R. in the Local League Match.

The Trojans easily defeated the R. C. R. in the local league hockey match at the Arctic rink last evening, the score at the close standing 6 to 2 in their favor. Some important changes have been made in the personnel of the Trojans since the last match, and there was naturally some curiosity to see how the boys would take hold. Sandy Staples was on the ice for the first time this season and did effective work in his old position of cover point. Frank Rowan, who was rendered hors de combat about a month ago by a blow in the eye from the puck, was again in harness last evening in his old position of right wing, and was apparently as good as ever. Frank Staples played at point and Captain Coleman did good work in centre. George Clynick took Dennison's place at left wing.

In the first half the Trojans by superior play were able to pile up four goals, while their opponents managed to slip the puck into the net twice. In the second half the Trojans added two more to their list, while the military men failed to get any further ahead.

The imported players have broadened from the Trojans and judging by last evening's performance, the team is none the worse for the change. They skated well and put up a good combination all the way through. The military men also put up a very good game under the circumstances. Mr. Trites of the U. N. B., refereed in a satisfactory manner.

The line up was as follows:

Trojans, 6.	R. C. R., 2.
Ryan goal	Burns
R. Staples point	Teta
S. Staples cover point	H. Martin
McManiman rover	King
Coleman centre	Martin
Clynick left wing	Boswell
Rowan right wing	Sancton

CALL TO REV. MR. RAMSEY.

Methodists of Nashwaak Circuit Want Him for Pastor.

At the meeting of the Quarterly Board of Nashwaak Methodist Church, held a few days ago an unanimous call was extended to Rev. Mr. Ramsey of Blainville, to become pastor of the Nashwaak circuit when Rev. A. D. McLeod's term expires next July.

Rev. Mr. McLeod has not yet decided where he will locate at the close of his present engagement at Nashwaak circuit although he has more than one call. During his stay at Nashwaak Mr. McLeod has made many friends not only among his own congregation but among all classes. He has done a large amount of good work, and his services are very much appreciated.

Civic Matters.

To the Editor of The Herald:
Sir,—I see by the Saint John Telegraph of this date the business men of Saint John have made a move in the direction of civic reform and it may be the movement here has had some influence on them.

There are many people who think this is only a bluff on the part of The Gleaner, but whether a bluff or not many think there is a chance for improvement in the council.

I would suggest these men who are at the head of this movement identify themselves with Local Improvement Association and make their influence felt through that helpful association.

They I am informed expect to hold their annual meeting in a few days. Let us watch the St. John movement, and see if there is anything in it for us.

Yours truly,

ST. ANN'S WARD.

Skating.

There will be no band at the Arctic rink tonight. Skating from eight to ten o'clock.—c.

Mrs. John Palmer returned from Boston by the noon train accompanied by her daughter, Miss Grace, who was taken ill while attending school in that place.

THE ROARIN' GAME.

Truro Plays Here Tonight—Campbelltons Tomorrow—The Fredericton Rinks.

The Truro curlers left home last night for Fredericton, but missed connection at St. John and will not arrive here until this evening. There are three rinks of them, and they are the first curlers outside of New Brunswick who have ever come to this city to play the good old game. Fredericton, however, met Truro on their own ice some twenty-eight years ago, and later played them at a St. John bonspiel.

A special meeting of the Fredericton club was held last night for the election of skips against tonight's visitors and R. F. Randolph, T. L. Fowler and A. E. Massie were chosen on the first ballot. Subsequently they met and selected the following rinks:

J. B. Kinghorn	A. A. Shute
A. R. Wetmore	C. F. Randolph
J. H. Hawthorn	H. C. Rutter
A. E. Massie, skip	R. F. Randolph, skip
S. D. Simmons	
T. L. Fowler, skip	

For some reason or other Mr. Fowler did not complete the selection of his rink, but said he would pick up two other players during today.

Fredericton vs. Campbellton.

The Campbellton men, four rinks strong, are expected here on the I. C. R. at noon tomorrow and will play the home club afternoon and evening. Following are the Fredericton rinks:

Afternoon.

A. K. Limerick	C. H. Weddall
R. S. Barker	F. H. Peters
T. A. Wilson	T. L. Fowler
H. C. Rutter, skip	H. V. Bridges, skip

Evening.

A. S. McFarlane	C. J. B. Simmons
C. W. Hall	G. H. Ferguson
A. E. Massie	L. C. Macnutt
J. H. Hawthorn, skip	James Tibbitts, skip

The committee in charge of the finishing of a new room for meeting and banqueting purposes in the Fredericton rink, met yesterday afternoon, and decided to push forward the work at once. Harry M. Clarke will be the contractor. The Campbelltons were defeated at Moncton yesterday 73 to 41. They are playing at Chatham today.

Truros at St. John—Will be Here This Evening.

A St. John despatch to the Herald this afternoon says: Three rinks of Truro curlers arrived this morning.

The players are Lyman W. Cox, Dexter, H. C. Bigelow, H. A. Dickie, Jas. Dover, W. H. Semple, J. R. Fisher, H. A. Murphy, J. A. Christie, Jas. Doran, G. H. Leaman and J. K. Fraser.

They are playing the Carleton Curlers this afternoon, and leave for Fredericton this evening.

They will return tomorrow morning, and will probably play the St. Andrew's Club afternoon or evening.

The Truro men also wish to have a game with the Thistles if it can be arranged.
