

Events of a Day

STORES TO KEEP OPEN.

In keeping with the usual custom the dry goods and grocery stores of the city will remain open each evening next week until ten o'clock.

DOG RUN OVER.

A dog of the cur variety had the misfortune to get run over by a team on the corner of Regent and George Streets last evening, sustaining fatal injury. Policeman Rideout was called to the scene and put the poor brute out of its misery with a revolver bullet.

A CHILD'S DEATH.

Annie Mildred, the six months old child of Mr. and Mrs. Simon Albert, died at Durham Bridge last night, after a brief illness from spinal meningitis. Undertaker Robert B. Adams has charge of the funeral arrangements.

HOLINESS MEETING.

A meeting for the promotion of holiness of heart and life will be held in the L. O. G. T. Hall, over Bart's grocery store, on Monday evening next, Dec. 18th, at 8 p. m. Rev. G. B. Trafton, of Marysville, will conduct the service (D. V.). A cordial invitation is extended to everyone to come and enjoy a spiritual feast.

ANOTHER COLD ONE.

Another cold wave struck the city and seems to have come to stay for a few days. Last night the mercury registered twenty-six degrees below zero, which means that it was the coldest night of the season with one exception. At eight o'clock this morning glasses along Queen Street indicated eighteen degrees below the cipher.

APPRECIATED.

Mr. J. A. Winslow has kindly placed at the disposal of the curling club, the use of an excellent piano for the winter and it will be installed next week in the club's nicely furnished general meeting room upstairs. The club includes a fine musician, Mr. W. A. McKee, organist of the Baptist church, among its members, and he will be induced to manipulate the instrument.

CURLING SEASON OPENED.

The cold weather has made Fredrickton curlers glad, providing a fine sheet of ice at the rink for the popular game. Last night a dozen or more enthusiastic curlers laid out the rings and colored them, and this afternoon the first game of the season took place. The rink will likely be fully occupied this evening, and active play of the season will be inaugurated.

UNIVERSITY NOTES.

There will be no debate at the University this evening.

In the intercollegiate debate to take place in this city in February, next, the U. N. B. has decided to take the negative side. The resolution to be debated is:

"Resolved, that the political union of the United States and Canada would be more beneficial to Canada than her present relations to Great Britain."

The judges have not yet been selected.

AN ILLUMINATED MOOSE HEAD.

Dr. C. R. Fletcher, of New York, a gentleman with many friends in Fredrickton, recently placed an order with Emack Bros., the Fredrickton taxidermists, for a moose head, with the antlers wired for electric lights. The head was forwarded to Pittsburg, Pa., by express last evening. It is a splendid specimen and the antlers have seventeen points, an incandescent electric bulb being attached to the tip of each. The wires were inserted by a secret process known only to Emack Bros., and are not exposed to view. Dr. Fletcher ordered the moosehead for a New York friend.

GASOLINE EXPLODED.

St. Stephen Courier.—On Tuesday afternoon, as Mrs. W. J. McWha was passing through the millinery store of the Misses Young, holding a saucer of gasoline, the fluid exploded without apparent cause other than its inherent cussidness. The flames singed Mrs. McWha's hair and her face, before she extinguished it in a curtain. The curtain caught fire and in extinguishing this, Miss Annie Young was badly burned on the face and hands. Some papers caught fire and an alarm was sounded, but the services of the fireman were not needed.

CURED BY FAITH.

A well known fire insurance man is today telling a good joke on himself. Last night he had a severe attack of rheumatism in his shoulder, so bad that his better half had to get up and give him a rubbing with Johnson's Liniment. He was greatly relieved, probably by faith, for in the morning he discovered that his wife had got hold of the wrong bottle, and instead of using liniment had given him a thorough application of Le-mont's Furniture Polish. We shall not charge Le-mont & Sons for this.

COLLEGE Y. M. C. A.

The citizens of Fredrickton are cordially invited to a joint meeting of the University Y. M. C. A. and Y. W. C. A. tomorrow afternoon at 4 o'clock. Special music will be provided for the occasion including a solo by Miss Kelly, with Miss Everett and Ray McGibbon as accompanists.
