

LATE SENATOR WARK'S ESTATE.

Probated at \$20,500—Miss Helena Wark the Principal Beneficiary.

PERSONAL PROPERTY INCLUDES 78 SHARES OF BANK OF MONTREAL STOCK.

St. Paul's Church to Have a Scholarship at the U. N. B.

Yesterday, and letters of administration granted by Judge Barry to Miss Helena Wark, executrix, and Rev. Willard McDonald and J. Wesley Hoyt, as executors. The estate was sworn at \$20,500, of which \$765 represents real estate and the balance personal property. The real estate consists of two small lots of land in the town of Richibucto, Kent County, where the deceased at one time resided. The personal property consists of seventy eight shares of Bank of Montreal stock, which has a present market value of \$256 per share. The will, in part, is as follows:

"I give and bequeath to my executrix and executors, thirty shares of the stock of the Bank of Montreal, par value of \$200 each, now owned and held by me, in trust for the following purposes:

1. To hold the same during the life time of my daughter, Helena, for her benefit, and on payment and receipt of the semi-annual dividends thereupon, to pay the said dividends when and so received by them, over to my said daughter, Helena.

2. Upon the death of my said daughter, Helena, my executors hereinafter named, or the survivor of them, for his representative, as such trustee or trustees, shall transfer and convey to the general assembly of the Presbyterian church in Canada, fourteen shares of the said stock, the dividends or principal thereof (as the said general assembly may at any time resolve and decide) to be appropriated or spent in the mission or educational work of the said church as the said general assembly may see fit; but it is my wish that no part thereof shall be spent outside of the British empire.

3. My said executors or the survivor of them or his representative or such trustees or trustee, shall upon the death of my said daughter also transfer and convey ten shares of the said stock to the Synod for the Maritime Provinces of the said Presbyterian Church of Canada, for the purposes, and it is my will and request that the said Synod shall out of the semi-annual dividends and payments received therefrom, in the first place, set apart and appropriate the sum of \$100 annually towards the support and education of such student at the Presbyterian College, in Halifax, Nova Scotia, as the said Synod or a committee thereof may choose to receive the same, and in the next place pay and appropriate the balance of such semi annual dividends as the Synod may from time to time determine.

4. My said executors or the survivors of them or his representative as such trustees or trustee shall also, upon the death of my said daughter, Helena, transfer and convey six shares of the said stock to the minister and elders constituting the session of St. Paul's Presbyterian Church in Fredericton for the following purposes:

The will of the late Hon. David Wark was admitted to probate yesterday, and it is my wish and request that the same shall be by them held and expended as follows:

To pay out of the income and dividends received annually from the said shares to such student attending the University of New Brunswick and being during his college course a member or adherent of the said church or congregation thereof, as the said church session shall from time to time select, the sum of \$100 annually during his college course; and the said minister and elders shall from time to time deem best in the interest of the said church and congregation. And in case no such student or deserving student of said University is at any time a member or adherent of the said church or congregation, then to appropriate the said sum of \$100 with any other income from said stock received by them in the purchase of suitable books for the congregational library or tracts for general distribution, or in such other way or manner as the said minister and elders constituting the said session may deem best for the benefit of the said church or congregation.

It is my will and request that my said daughter, Helena, shall each and every year during the joint lives of herself and her cousin, Mary M. Coburn, and so long as they may continue to reside and live together, pay to the said Mary M. Coburn, out of the dividends and income annually received by my said daughter from the said bank stock above mentioned, the sum of one hundred dollars; and in the event of circumstances arising which may render it necessary or desirable for them to live apart, and they do live apart, that she shall then pay to the said Mary M. Coburn the sum of one hundred and fifty dollars annually, out of the said dividends and income from said stock; and I make the said bequest of said stock dividends to my said daughter, Helena, chargeable with the said annual payments to the said Mary M. Coburn.

The will is dated February 9th, 1902, and is witnessed by J. D. Phinney, K. C., and Pearl D. Nason. There are two codicils, the first bearing date February 9th, 1905, and the second August 5th, 1905. The first appoints Mr. J. Wesley Hoyt of McAdam, executor in place of Mr. G. E. R. Burpee, of Bangor, the testator's brother-in-law, who predeceased him. The second codicil provides that all the residue of the estate, both real and personal shall go to the testator's daughter to be held and used by her as she deems best.

The first codicil is witnessed by Messrs. J. D. Phinney, A. S. McFarlane and the second by Mr. Phinney and Miss Mabel Stalker.

Mr. J. D. Phinney is proctor for the estate.
