PROBABLY MEANS REVOLUTION.

General Strike Ordered Throughout Russia Following Arrest of Prominent Revolutionaries.

GOVERNMENT CHARGED WITH WITHDRAWING CONCESSIONS OFFERED

St. Petersburg, via Eydlukhnen, Dec. 11.—(Special)—There is every indication today that the government's challenge will be accepted, and that within forty-eight hours a general strike throughout Russia will be ordered.

A terrible storm has been raised by the arrest of M. Krustaleff, president of the executive committee of the Workmen's Council, which was followed during the night by imprisonment of the members of the Workmen's Council, and a number of socialist leaders.

"The reaction has commenced," were the words on every lip and in the liberal extremist camp there was only one opinion, namely that it must be resisted to the bitter end.

At all meetings last night, some which lasted till morning, the opinion was unanimous that the government had forced the hands of the proletariat and that supreme weapon, a general strike, must be invoked.

Simultaneously with the arrest of M. Deonskhily here and all members and employees of posts and telegraph at Moscow, with M. Konhanowski at their head, were arrested at Moscow. The railroad men of St. Petersburg, at a meeting yesterday evening, resolved that inasmuch as the

reaction is gaining force and the government is seeking to retract what was won by the first pan-Russian strike, the railroad men stand ready to obey the signal for a general strike but the advice of fellow workers to await word from Central committee, Moscow, as failure must not be risked was accepted.

Interior Minister Dumov today issued an official proclamation not only notifying all post and telegraph employees that failure to return to work tomorrow would be equivalent to their discharge, but these who agitate for a continuance of the strike or are guilty of cutting or otherwise destroying wires and apparatus will be prosecuted to the full extent of the law.

The employees of the Riga-Orel railroad have declared a strike on account of the declaration of martial law in Livonia, and have sent an appeal to other railroads to join.

Last night the railroad men of Baltic lines decided to follow the example of Riga-Orel men.

The situation in Livonia is frightful. Absolute anarchy prevails.

A messenger who arrived here today declares that the streets of Riga were flowing with blood.

After the meeting the railroad men of Riga were mown down by machine guns and artillery.

THE POPE'S CONSISTORY.

Four New Cardinals Appointed—His Holiness Deplores Discouraging Conditions.

Rome, Dec. 11.—(Special)—The Pope held a secret consistory today, the second of his pontificate, in which he created new cardinals and apparently showed a tendency to have a better equilibrium between the foreign and Italian elements in the sacred college, as three of the four new cardinals are foreigners.

The ceremony was performed with the usual pomp. Nearly thirty cardinals were present.

In his allocution the Pope said he wished he could give the cardinals pleasant and consoling news, but the conditions at the present time do not permit consolation.

The new cardinals are:

Mgr. Cagiano De Azevedo, Major Domo of Vatican.

Most Rev. Joseph Samassa, Archbishop of Erlau, Hungary.

Mgr. Spicola, Archbishop of Seville.

Mgr. J. A. Arcovover De Albuquerque, Cavalcanti, Archbishop of Rio Janeiro.

AN APPEAL FOR AID.

Dr. Anglin Wants Christmas Cheer for P. L. A. Patients.

To the Editor of the Herald:

My Dear Sir,—The enclosed circular letter is being mailed to the nearest relative or guardian of every patient in the Provincial Hospital, so far as addresses could be ascertained.

I would be obliged if you made this known to your readers, in whatever way you think best, stating that if any one having a near relative in this institution does not receive such letter within a very few days it is because I am ignorant of his post-office address.

For various reasons the correct addresses of some patients' friends are unknown to me. It is desirable to have them in order that I may be able to notify the parties interested without delay in the event of a patient's becoming dangerously ill.

I am anxious to have the friends of all the afflicted ones resident in the hospital remember them at the Christmas season, but it will be a great boon if through your generosity I am enabled to secure a more accurate list of the addresses of patients' friends than I now have.

I am well aware that despite every endeavor to find there kin there will yet remain not a few patients the trace of whose relatives has been lost. These will especially enlist our sympathies when for the Christmas cheer of many of those sojourning with us there comes from home some proof, no matter how trifling, that the absent one had not been forgotten there.

Thanking you in anticipation,
Very sincerely yours,
J. W. ANGLIN,
Med. Supt.

Provincial Hospital, St. John.
Dear Sir, or Madam:—Will you join in making the coming Christmas homelike and glad some for those under my care by providing some gift for the one or ones here in whose welfare you are most interested. Experience has proved that every patient gets some benefit from the pleasures of a Christmas tree and the

customary observance of the holiday season. Hence words words need not be wasted in urging your co-operation, without which I can do little.

Some poor patients have no relatives known to me. I shall be very grateful for any donation for them, for it is my desire to have none left forgotten on that joyous day.

Presents should be sent, addressed in my care, some days before the 25th, as it takes time to get all arranged for so many. To avoid errors the slip below should be detached, filled out, and enclosed in your parcel.

Faithfully yours,

J. W. ANGLIN.

Moncton, Dec. 11.—John F. Card, aged about 65, died here Sunday morning as the result of a shooting accident in the woods Saturday afternoon.

Card was in the woods a short distance from town, when he came across two boys, Ray and Percy Carson, aged 15 and 10. Ray Carson carried a Martini-Henry rifle, loaded with ball, and Card said he would show the boys some rabbits.

Card led off the boys following, and while going through some thick bushes Carson's rifle was discharged, the bullet striking Card in the back and going clear through his body, piercing the right lung.

The injured man was got out of the woods as quickly as possible, and lingered till 9 o'clock Sunday morning, when death relieved him of suffering.

Deceased was a native of Chester Road, Lunenburg county, N. S., and had lived in Moncton but a short time. He was a carpenter, and leaves a widow, one daughter in Moncton and one son in Chelsea, Mass.
