OF ROYAL DESCENT.

Grandson of George IV and Mrs. Fitzherbert Claim
Latter's Estate.

AN ECHO OF THE KING'S SECRET MARRIAGE TO ONE OF HIS SUBJECTS.

New York, Nov. 17.—(Special)—That the British legation at Washington paid for the tuition of James Ord, the reputed son of King George IV., and his lawful wife, Mrs. Fitzherbert, that British officers visited Georgetown University where he was trained, and that the original Ord bore striking resemblance to the English king, is the statement made yesterday by Rev. John W. Fox, S. J., President of St. Peter's College, Jersey city.

Father Fox was at Georgetown University for many years, and was intimately acquainted with the Jesuit astronomer, Father Curley, who knew James Ord.

Father Fox said "Father Curley died at the age of 94. I recall distinctly his speaking of the Ord mystery and of the young student whom he knew as a boy at the university. He told me that in his days the latter

part of the eighteenth century young Ord was spoken of as one of royal birth.

Father Curley said particularly that he contracted by young Ord were met by the British legation and in his time, British officers frequently visited the institution and enquired for Ord.

Two of the oldest sons of Ord attended the Georgetown University, when Father Curley was stationed there as a priest. I met James Ord in 1889. I did not reach the subject, but when he gave his name I recalled Father Curley's story. Although bent with age there was a kingly bearing about him.

James Ord, Western Union Superintendent at Chicago, is a direct descendant of Ord and he believes himself to be a grandson of King George IV. and heir to the estate of Mrs. Fitzherbert, which is said to be worth \$6,000,000.

A SICKENING SIGHT.

Bull Fight Which Proved Entirely Too Realistic for the
Spectators.

MEN FLED FROM SCENE AND WOMEN WERE CARRIED OUT UNCONSCIOUS.

El Paso, Texas, Nov. 17.—(Special)—At a bull fight at Cuba Juarez, yesterday, given for the American Mining Convention, there was a panic when Felix Robert, a French matador, who claims to be the only matador of that nationality, was tossed in the air, and carried from the arena bruised and bleeding.

Later the same bull, a ferocious beast from the ranch of General Luis Terras, governor of Chihuahua, made a run and plunged his long sharp horns through Matador Francisco Alonzo Piquir, tossing him in the air first, then dragging him about with the blood streaming from wounds in the man's body.

The spectators sickened at the sight, women fainted and screamed to be carried out. The arena was packed with Americans, few whom had ever seen a bull fight and for a time the situation was serious.

Many of the men rushed from the sickening sight in horror, while the women in many instances were carried out unconscious.

Order was finally restored, but most of the Americans had left, deciding they had already seen enough of the fight and the Spanish national sport, although this was only the second bull up for slaughter out of four marked for the matadors' swords.

RUSSIAN STRIKE EXTENDS.

Leaders have been Supplied with Funds and Assume a
Bolder Attitude.

St. Petersburg, Nov. 17.—(Special)—The outlook for the early collapse of the strike is more gloomy today, and the situation is distinctly more menacing. The council of workmen's delegates, or the strike committee, are manifestly encouraged by the extension of the strike in St. Petersburg, and various organizations, including bank clerks, telephone girls, and some of the professional leagues having voted to join in the movement.

However, it is seen that the workmen's council have received funds, consequently they present a bolder front.

Practically all pretexts based on

economic demands have been abandoned. Eight hours a day figures in the oratory at meetings in order to hold the workmen who have been looking for improvement in their condition.

The council have replied to Count Witte's appeal, ridiculing the government's profession of solicitude for the workmen and renewing their demands for an immediate abolition of martial law in Poland.

Count Witte's attempt to negotiate directly with the strike leaders has come to naught, although he offered concessions in the case of Cronstadt mutineers in the event of their being condemned to death, but the leaders refused all compromises. "All or nothing" was their response.

A PLUCKY ACT.

Ald. Stockford's Timely Capture of a
Runaway Horse.

Ald Stockford accomplished a plucky deed this afternoon in stopping a runaway horse belonging to Mr. Duff Mitchell, of Lincoln. The animal took fright while standing near the Carleton street corner and dashed up the street at a lightning clip. Ald. Stockford apprehended the animal and brought it to a full stop at Dibble's. A lady was crossing in front of the runaway and but for the alderman's prompt action, would undoubtedly have been run over, and perhaps killed.

If a man is engaged to two girls it is bad luck for him to marry on Friday.

ARRESTED FOR THEFT.

Post Office Clerk at Halifax Charged
with Robbing Mails.

Halifax, Nov. 17.—(Special)—A post office clerk, named Burns, was arrested this morning, charged with the theft of letters from the mails.

For some time back letters have been going astray from the mails, one firm alone losing over fifty.

A "dummy" letter placed in the mail last night by this firm caused Burns' arrest. The accused proclaims his innocence.

Toolbox (who has just had his photo taken): "Well, what do you think of it?" Wife: "Beautiful, dear. I wish you would look like it sometimes."

UNIVERSITY OF NEW BRUNSWICK.

Y. M. C. A. and Bible Society Addresses, Football,
Glee Club, Etc.

The University, Nov. 17th.

Rev. J. H. MacDonald of this city will address, our Y. M. C. A. on Sunday afternoon at 4 o'clock. That his address will be a most interesting one, is a foregone conclusion.

Rev. G. M. Campbell, Canadian Secretary of the British Foreign Bible Society, will speak in the Auld Kirk this evening at 7 o'clock, in the interests of the Bible Society. The Rev. gentleman extends a very cordial invitation to the College students in general.

Our Glee club met this morning for the election of officers. Prof. Perrot consented to a nomination and was elected accompanist. The students feel very grateful towards Prof. Perrot and they are glad to know that our new and eminently qualified professor of engineering takes such a lively interest in the students. Mr. Lunney '06 was elected secretary-treasurer. Prof. Harrison of this city, will be instructor. Prof.

Harrison succeeded in doing good work with our Glee club last year, and we are confident that his successes will be equally as creditable this year.

The first regular meeting will take place in the College on Saturday evening at 7 o'clock, and we hope that a majority of the students will avail themselves of the splendid opportunity of becoming "jolly good singers."

Probably the last football match of the season will take place on the college field tomorrow at 2.30 p. m., when the F. H. S. and the U. N. B. second team will line up. Captain Baird, '02, has announced his line up as follows:

Forwards—Thomas, Bridges, Righby, Eastman, Day, Wood, Gilchrist and Rutledge.

Quarters—Graham and Anderson. Halves—McLachey, Doc. Smith, Baird and Allingham.

Full—Harrison.

RESOLUTION OF CONDOLENCE.

Members of Ruri-Decanal Chapter of Fredericton, Ex-
press Regret at Canon Roberts' Death.

At a meeting of the Ruri-decanal of Fredericton held at the Bishop's residence on Thursday, November 16 it was moved by Rev. Canon Montgomery, seconded by Rev. T. W. Street, sub-dean, and resolved that this Ruri-decanal Chapter of Fredericton desires to place on record their sincerely heartfelt sense of the loss sustained by the Chapter in the death of the late Canon Roberts, L. D., rector of Fredericton.

During the long period of his ministry of 48 years he was for 36 years an active and earnest member of this Ruri-decanal Chapter was always foremost in promoting the aims and objects of the chapter. In this successful endeavor we recognize how largely he contributed by his faithful and devoted service to the furtherance of the interests of the church at large, rarely missing a meeting of the Chapter and always ready with a word of counsel and sympathy to cheer and encourage his brethren amid the difficulties and discouragements that might beset them, ever a dear kind brother, a warm, constant friend; words cannot express the great loss that we, his brethren,

have sustained.

Our consolation is in the fact that his is gain and his a happier portion in that blessed paradise of the saints of God, far outweighing any sense of regret on our part in his departure from our midst.

In conclusion, let us in recognition of all that he was to us, and in affectionate regard to his memory, humbly pray that it may please God to increase in each of us those gifts and graces which he possessed to such an eminent degree and which endeared him so greatly to us and his parishioners.

Further resolved, that a copy of the above resolution with our sincere assurance of sympathy and condolence be sent to Mrs. Roberts and family in their sad bereavement, humbly praying that the great sense and support of the Divine Comforter may be to them a tower of strength in bearing the great sorrow that has come to them.

REPUDIATES HIS LEADERS.

Girrior, Tory Candidate in Antigonish, Says They Are
No Good.

LIBERAL CANDIDATE CHISHOLM CERTAIN OF ELECTION.

Mr. William Chisholm was nominated by the Liberals of Antigonish on Thursday for the House of Commons, and Mr. J. L. Girrior was nominated as his Tory opponent.

After the nomination a public meeting was held in Celtic hall, presided over by Warden McMillan. Mr. Chisholm was the first speaker and had fifty minutes. Mr. Girrior had an hour, after which Mr. Chisholm had ten minutes to reply. It was practically Mr. Chisholm's first appearance on the public platform, and he created a splendid impression. He dealt exhaustively with the record of the government and pointed out that it would be disadvantageous to this county to take a backward step just now. For some time he kept the audience entertained dealing with the antics of Mr. Girrior on the question of the salary grab. Mr. Girrior, he said, had thrown Borden, Foster and the rest of the Conservative leaders were no good and he could not, he said, conscientiously support them. The remaining fifteen minutes were devoted to a recital from the Tory campaign document of 1900, the chapter relating to the Yukon. It was at once recognized as Mr. Girrior's speech when in 1900 he was a candidate against Mr. McIsaac. He concluded without expressing an opinion as to whether or not he would accept a salary in case he be elected, although invited by Mr. Chisholm to do so.

Mr. Chisholm replied vigorously for ten minutes and was given an ovation when he concluded.

Conservatives and Liberals alike concede Mr. Chisholm's election by a large majority.

The campaign speeches being urged in North York, Wentworth and Lambton. The presence of Liberal members in this county was accounted for because they had nothing to conceal from the people. They were not like the Conservative leaders both ashamed and afraid to face Antigonish electors.

Forty-five minutes of Mr. Girrior's time was taken up with a discussion of the salary grab. Messrs Borden, Foster and the rest of the Conservative leaders were no good and he could not, he said, conscientiously support them. The remaining fifteen minutes were devoted to a recital from the Tory campaign document of 1900, the chapter relating to the Yukon. It was at once recognized as Mr. Girrior's speech when in 1900 he was a candidate against Mr. McIsaac. He concluded without expressing an opinion as to whether or not he would accept a salary in case he be elected, although invited by Mr. Chisholm to do so.

Mr. Chisholm replied vigorously for ten minutes and was given an ovation when he concluded.

Conservatives and Liberals alike concede Mr. Chisholm's election by a large majority.

MONTREAL'S TAMMANY.

Montreal, Nov. 17.—(Special)—An organization along Tammany lines has been formed under the name of the Montreal Benevolent Protective Society, with L. A. Lawson as president. J. M. Fortier was also one of the movers. It is expected to grow to a strength of 25,000 members.
