SERIOUS TRAIN WRECK.

Two Cars on Baltimore and Ohio Train Jumped the Track.

AND PLUNGED OFF A BRIDGE INTO A CREEK.

One Man Killed and Fifteen Others Seriously Injured.

Johnstown, Aug. 3.—(Special)—This morning a Baltimore and Ohio passenger train was wrecked about eight thirty o'clock at Paint Creek Bridge, Somerset county.

A rail broke on the bridge and the train plunged down.

It is believed that nearly every person on board was either killed or injured, but as the spot is isolated, no definite details are yet obtainable.

A special train bearing doctors, nurses and newspaper men has gone from here to the scene.

Pittsburg, Pa., August 3.—A Somerset Pa. despatch says:—Louis Don, baggage master, was killed and fifteen others were injured when the

smoker and baggage car went into the river.

The train which left Somerset at 7.17 o'clock for Johnstown, consisted of an engine, baggage car, smoker and two passenger coaches.

Just where the railroad crosses a creek the rails spread, and the baggage car and smoker went over a twenty foot embankment into the creek, a shallow stream.

Don, the only man killed, was known as the hero of the frightful Duquesne, limited, wreck on the Baltimore and Ohio near Conneville, two years ago.

On that occasion although an eye knocked out was hanging on his cheek, he pluckily went to flag the next train.

BOARD OF EDUCATION.

List of Teachers Who Have Won Manual Training Scholarships—Other Matters.

A large amount of business was transacted at the monthly meeting of the Board of Education here yesterday.

The school districts of Fairville, Hampton, and Durham were authorized to borrow money for the erection of school houses, and a similar application from the trustees of Millerton was taken into consideration.

Mr. Frank M. Humphrey was heard in support of a petition from a majority of the rate-payers of Hampton station, praying for consolidation with the districts of Hendricks and Hampton Village. The matter was left with the chief superintendent to deal with.

The New Brunswick Teachers' Association presented a memorial protesting against the practice of granting local licenses to unexperienced teachers.

They asked that the proposal by the chief superintendent regarding an increase of salaries be allowed to go into effect as soon as possible.

An application was read from the trustees of seven school districts at Springfield, Kings, asking for consolidation. It was strongly supported by Mr. G. G. Scovill, M. P. P.

The following teachers were recommended for scholarships at the Guelph manual training school, for the term opening on Sept. eighteenth.

C. M. Kelly, B. A. Kingston, W. R. Shanklin, St. John, Miss Ella Bradley, Carleton county, J. T. Peacock, Westmorland, Miss Stella M. Hartt, Kingston, Miss Gertrude Morrell, Kings.

There are still several vacancies, which will likely be filled before the term opens.

The resignation of Mr. B. F. Smith M. P. P., as one of the trustees of the Florenceville Consolidated school, was accepted, and Mr. E. F. Smalley was appointed to the vacancy. Mr. Smith is the contractor for the new school building, hence his resignation.

THEIR ANNUAL MEETING.

N. B. Railway Company Met Today and Elected Officers.

St. John, Aug. 3.—(Special)—The New Brunswick Railway Co., met at three o'clock this afternoon in the office of Secretary Alfred Seely, and the following officers and directors were elected:

Robert Meighen, Montreal, president.
Hugh H. McLean, St. John, vice-president.

Lord Strathcona, London, England, Robert Meighen, Montreal; John S. Kennedy, New York; Samuel Thorne, New York; D. Willis James, New York; John Turnbull, Montreal; Joseph Hardisty, Montreal; Frank S. Meighen, Montreal; and H. H. McLean, St. John, directors.

W. T. Whitehead, M. P. P., land agent.
E. R. Burpee, a former director, died during the past year.

UNWELCOME VISITOR.

Found in the First Baptist Parsonage at Moncton.

Moncton, Aug. 3.—(Special)—The police are looking for a man who was found in the First Baptist church early this morning, but who made his escape.

Shortly after daylight Jos. Read and his wife, who have been sleeping in the parsonage since it was vacated by Rev. D. Hutchinson, heard someone walking about upstairs.

Read investigated and was surprised to find a stranger who had apparently spent the night in the

house. The intruder was of the tramp variety. He explained that he thought the house was empty. He threatened violence to Mr. Read, and Mrs. Read becoming frightened, the marauder was allowed to escape. He left his shoes behind him but returned for them while Read was after the police.

The house breaker got in through a cellar window. By the appearance of the house he had been making his headquarters more than one night. There was nothing in the house to carry away, and no loss was sustained beyond the smashing of a cellar window.

It looks like a case where the guardian of the parsonage was sleeping peacefully below stairs, while the tramp has been enjoying upstairs apartments for several nights.

AN ELOPER'S TROUBLES.

Man Who Ran Away With Tiddish Girl Turned Back at Vanceboro.

St. John, Aug. 3.—(Special)—Douglas Harkness, who eloped from Tiddish with Pearl Jackson, and who was stopped here, is in more trouble.

After being stopped here he tried to go to Boston, but was turned back at Vanceboro in the United States immigration officials.

He will make another attempt to get through.

The girl has been taken back home.

OFF TO NEWFOUNDLAND.
St. John, Aug. 3.—(Special)—Secretary Root and party, including his two sons, passed through this city this morning for Sydney, N. S. Secretary of state for United States says he is on a trip to Newfoundland and Labrador to enjoy fishing and will be away four weeks.
