

THE GUNPOWDER PLOT.

Local Orangemen Fittingly Observe the Anniversary

AN ABLE SERMON BY REV. A. A. RIDEOUT.

The Orangemen of the city and vicinity celebrated the three hundredth anniversary of the famous gunpowder plot Sunday morning by attending divine service in a body at the George street United Baptist church. The brethren assembled at the Orange hall at 10.30 o'clock and marched to the church by way of Queen and York streets, headed by the 71st regiment band.

Although the weather was unfavorable and the walking none too good, the turnout was a large and very creditable one. Past Grand Master A. D. Thomas acted as marshal and discharged their duty in a most energetic and skillful manner.

The lodges represented in the parade were Whitestone Precinctory of the Royal Black Knights, Royal Scarlet Chapter, Graham Lodge No. 20, Equal Rights Lodge, No. 32, Walker L. O. L. No. 21, Rossmore Lodge and the Gibson Lodge of Prentice Boys. There were about one hundred and fifty in the parade and they made a good appearance, and marched with military precision.

The service at the church was conducted by Rev. A. A. Rideout, and was of a most impressive character. The choir was reinforced by members of the band and the music was quite in keeping with the other features of the beautiful service.

THE SERMON.

Rev. A. A. Rideout, the pastor of the church, was the preacher, and delivered a very able and appropriate discourse, which was followed with the deepest interest. He took for his text "What mean these stones," Josh. 4-21, and said in part: "To the children of Israel the stones meant that their God, who had led them through the sea and the wilderness, had enabled them to enter the land of liberty. The religious liberty which we now enjoy has been won by passing through many conflicts, and God has ever led not a light in the darkest skies but by His light in the human

conscience. Liberty is a desire implanted by the Creator. Christ came to proclaim liberty to the captive. God intended that England, an island at the centre of the land surface of the globe should be the home of liberty and of His word.

He went on to show how England was saved from moslem rule in their defeat by Charles Martel, how the invention of printing brought an increase of knowledge and with it the protest against the interpretation of the spirit of Christ. Protestantism is this protest, and it has lived through the persecutions and all efforts to crush it. The overthrow of the Spanish Armada was a victory for liberty. The gunpowder plot was an effort to overthrow religious liberty. If it had been successful it would have plunged the nation into a civil war and Spain might again have invaded and conquered. In the Battle of the Boyne, and the failure of the siege of Londonderry another great victory was won. These events came not by chance, but by the will of Him who guides the destinies of nations. It should be with thanksgiving that we review the history of the past.

Orangemen stand for a principle, equal rights to all, special privileges to none. They wish all to enjoy the fullest religious liberty and the one who seeks to oppress they will oppose with all their powers. The word of God is to them an open book and from it they take their teachings. He admonished them to stand true to their principles and seek in strength divine to live them. Then should their pathway be like unto the pathway of the just that shineth more and more unto the perfect day.

At the close of the service the brethren marched back to the Orange Hall where the procession was disbanded. A hearty vote of thanks to Rev. Mr. Rideout for his excellent sermon was unanimously adopted.

A SERIOUS CHARGE.

Dumfries Resident Accused of Violating the Game Law.

Mr. John Carlton of Allendale, Dumfries, was before the police court this morning on the complaint of Game Warden Hawthorne, charged with killing a cow moose, contrary to the form of statute made and presided. The defendant pleaded not guilty to the charge, and the trial was commenced, Mr. J. H. Barry, K. C., appearing for the prosecution.

Mr. Nehemiah Gilman of Pokitok, was the only witness but his testimony was very conclusive. He swore that while passing Carlton's house on Sept. 21st, while on his way to Allendale, he saw a moose in the field. When he returned later in the day, the animal was dead and Carlton told witness that he had shot it. The moose was quite young, but the witness could not swear that it was a cow as he had not examined it very closely. Although he had worked in the lumber woods a great deal he knew very little about moose.

At the conclusion of Mr. Gilman's evidence the case was postponed until November 14th to enable the prosecution to procure additional witnesses.
