SWELL OTTAWA EVENT.

Particulars of the Toller--Cranston Wedding at the Capital.

BRIDE IS A NIECE OF LADY TILLEY.

Ottawa Free Press Wednesday:—One of the prettiest weddings of the season took place at two o'clock this afternoon, when Miss Mary Frances Toller, eldest daughter of Colonel Toller, comptroller of Dominion currency, Finance department, was married to Dr. James Goldie Cranston, only son of Dr. James Goldie Cranston of Annapolis.

The ceremony was performed in All Saints' church, the interior of which was beautifully decorated with tall palms, asters and hydrangeas, intermingled with graceful foliage. The officiating clergyman was the Rev. A. W. Mackay, rector of All Saints' church. The service was fully choral.

On the entrance of the bride Loughlin's Wedding March was played and the choir preceded the bridal party up the aisle. During the singing of the register "Beloved, It is Morn" was sung by Mr. Henry Hoodspeth.

The bride, who was given away by her father, Colonel Toller, looked very handsome in an exquisite wedding gown of ivory white crepe de chene over taffeta, the gracefully trained skirt ornamented with panels of tucked chiffon and bordered round the hem with lace medallions, while the bodice decorations consisted of a yoke of tucked chiffon and berthe of old rose point embroidered in sequins which had been worn by the bride's mother on her wedding day. The puffed elbow sleeves terminated with

a fall of lace and the deep corselet belt was of white liberty satin. A long veil of point Bruxelles fell back wards from a wreath of orange blossoms, while a shorter veil of beautiful old rose point, the gift of Mrs. Brembridge, a great aunt of the bride, a lady who has reached the advanced age of one hundred and five, was also worn. The bride held a shower bouquet composed of white roses and maidenhair fern and her only ornament was a pearl and diamond sunburst, the gift of the groom.

The maid of honor was Miss Laura Toller, sister of the bride, who wore a picturesque costume of pale blue coat of cream lace bound with pale blue rosettes fastened with buckles of cut steel; the draped waistcoat and belt were of pale blue crepe de chene with chemisette, cravat and long tricorn hat was of pale blue chiffon trimmed with three ostrich feathers of pale blue.

The bridesmaids, Miss Vera Toller and Miss May Beddome of London, Ont., wore similar costumes, their coats being ornamented with pink rosettes and their hats trimmed with clusters of dresden flowers, roses, forget-me-nots and heliotrope and cut steel buckles and all three carried bouquets of pale pink roses tied with pink ribbons.

The best man was Mr. Daniel Mc-

Laughlin of Annapolis and the ushers were Mr. Guy Toller and Mr. Philip Toller, brothers of the bride. Dr. Howard of Toronto and Mr. Godfrey Greeno, the groom's gifts to the bridesmaids were gold safety pins with the initials T. C. in pearls. The ushers received similar stick pins and the best man a silver cigarette case.

Mrs. Toller, mother of the bride, wore a beautiful gown of heliotrope fleur de poplin, the skirt ornamented with tucks laid in Vandyke points and the bodice shirred on the shoulders under a collar of old rose point empiement of white mousseline de soie embroidered in heliotrope flowers and hat of black chenille trimmed crepe de chene, the long full skirt shirred at the top and a redingote with white ostrich feathers edged with mauve.

Lady Tilley, aunt of the bride, wore a handsome suit of black satin with white hat and diamond ornaments. After the ceremony a largely attended reception was held at the residence of the bride's parents in Chapel street, where a marguerite, gaily decorated with flags and bunting, was erected on the lawn for the accommodation of the guests. The interior of the house was also beautifully arranged with flowers and the bridal couple received the many congratulations of their friends, standing under a floral design of hearts intertwined, composed of white asters.

Later in the afternoon Dr. and Mrs. Cranston left for Montreal en route to New York and other points. The bride travelled in a smart tailor-made suit of light grey tweed checked with green, the long Newmarket coat opening over a white silk blouse trimmed with insertion and ribbon, and hat of grey chenille trimmed with green velvet.

PALE AND ANXIOUS.
Your Countenance Indicates the Body's Awful Struggle for Health.
Impossible to think or work clearly when there is no reserve of vigor, no nourishment in the blood, no supply of nerve energy.
The life of the half sick man is pitiful, in fact, almost criminal, when bounding strength is so quickly derived from Ferrozone.

This nutritive tonic is guaranteed to strengthen all men, women and children. Weak organs get new force, vital energy is generated. Muscles and fat are added, healthy color is restored, and the blood fairly tingles with new found life.

Read the evidence of Jno. Carter, of 424 King Street, East, Toronto, who says:

"After a severe attack of grippe my health was almost shattered. I suffered constantly from nervousness, and dyspepsia. At night I would wake up with terrible palpitation and heart pains. Work became a great effort. At ten in the morning I was so tired and weak that I could hardly work another minute."

"Then came a bad attack of rheumatism, which laid me up in bed. I could scarcely lift the weight of a pound, and to stoop or bend was impossible. My druggist recommended Ferrozone, and he knew what he was talking about, for it rebuilt my strength, gave me abundant appetite, better blood and new nerve energy. The rheumatism has disappeared. I weigh more, feel refreshed and vigorous, and am able to work ten hours a day. Ferrozone did it all."

You will be steadied, toned and strengthened for all time to come with Ferrozone. Get the genuine in 50 cent boxes, or six boxes for \$2.50, at all dealers, or N. C. Polson, & Co., Hartford, Conn., U. S. A., or Kingston, Ont.

A French warship sent a party of marines, who arrested three chiefs, but the natives declared that the murderers had been taken to Nau-mea.

DROPPED ALL OTHERS.

"I dropped all liniments but Nerviline because I found Nerviline the quickest to relieve pain," writes E. S. Benton of St. John's. "If my children are croupy or sick, Nerviline cures. If a case of cramps or stomach ache turns up, Nerviline is ever ready. We use Nerviline for Neuralgia, rheumatism and all kinds of aches and pains. It's as good as any doctor." The great Canadian remedy for the past fifty years has been Polson's Nerviline—nothing better made.

The \$10,000,000 gift of John D. Rockefeller to the general education board, which was announced last June, was paid to the board by Mr. Rockefeller in cash Monday. The \$10,000,000 were delivered to the executive committee of the board while in session by F. T. Gates, a representative of Mr. Rockefeller, and also a member of the committee. The payment was made in a series of checks made payable to George Foster Peabody, treasurer of the board. Six of the checks were for \$1,000,000, and two for \$2,000,000 each.

THE ARCH FIEND OF THE AGE.
No war, more deadly than ever this modern butchery—but Catarrh which leads to consumption, and annually kills more than famine and war combined. The doctors now successfully fight Catarrh with a remedy that never fails—"Catarrhokzone." It's death to every type of Catarrh. It destroys every root and branch of the disease so thoroughly that a relapse need never be feared.
