

Events of a Day.

CONTINUED FINE WEATHER.

Toronto, Sept. 23.—(Special.)—Fresh southwest to northwest winds, fine today and on Sunday. Not much change in temperature.

CONTRACTS AWARDED.

The following contracts have been awarded by Chief Commissioner La-Billiois:
High water wharf, Armstrong's Point, to William Durst.
Coal's Creek bridge, Whitman Brewer.

MILLS CLOSED DOWN.

The cotton mill at Marysville is closed down today to allow the help to enjoy the exhibition. The other mills have been down since the opening day. The Phoenix mill is also down for the day, and it looks as if the attendance today would be very large.

TEACHERS' INSTITUTE.

The convention of the York Teachers' Institute was brought to a close last evening. The most interesting feature of the afternoon session was an address by Prof. W. C. Murray of Dalhousie College. His remarks were of a very practical nature and were attentively listened to.

SUNDAY SERVICES.

Advent Christian church, St. Marys. Sunday Services, Pastor, Rev. Harry D. Sebley, Sunday school eleven a. m.; preaching at three and seven p. m.; Subject for afternoon sermon "Parable of the Rich Man and Lazarus". Subject for evening sermon: "Examination of Ezekiel's Prayer." Seats free. Strangers invited to be present.

MIGHT HAVE BEEN WORSE.

The Misses Abbie and Jennie Currier, daughters of Constable Henry Currier of Royal Road, had a narrow escape from serious injury this morning. They were driving over the highway bridge, towards the city, when their horse took fright from a tug and ran away. The carriage became detached and the occupants were thrown out, but fortunately escaped with nothing more serious than a severe shaking up.

COBURN-DONALD.

Little River, Sunbury County, was the scene of a very pretty wedding on Wednesday morning last, when Miss Bessie B. Coburn, third daughter of M. Henry Coburn, was united in marriage to William Donald, of Blackville, Miramichi. The ceremony was performed by the Rev. Mr. Peppers. The bride, who was unattended was attired in a pretty costume of brown with hat to match. After the ceremony luncheon was served.

THE MARKET TODAY.

The market today was one of the largest this season, the exhibition, no doubt, being an incentive to many people to bring their produce to town. There was a large display of all kinds of produce and it was quickly sold at very fair prices. Quotations are as follows:

Hay per ton, \$9.
Potatoes per barrel, \$1.
Apples per barrel, \$1.50.
Chickens per pair, 50c.
Ducks per pair, \$1.
Pork per lb., 6 to 8c.
Turnips per barrel, 40c.
Eggs per doz., 20c.
Butter per lb., 20c.
Cabbages, each, 5c.
Green tomatoes per peck, 25c.
Plums per peck, 75c.
Carrots per bushel, 25c.
Lamb per lb., 8 and 9c.

CLOTHS AND TWEEDS.

The Oxford Manufacturing Company Has a Fine Display at Exhibition.

A booth that attracts a great deal of attention and is certainly beautiful is that of the Oxford Manufacturing Company Limited of Oxford Nova Scotia, which is situated in the centre of the building on the main floor. The structure which covers a space twenty feet long and ten feet wide, was built by Ald. Moses Mitchell and is a credit to that man's workmanship. It is well put together being surrounded by signs covered with advertising matter. The company's factory at Oxford is compelled to run day and night in order to satisfy the increased demand for their excellent goods which are shipped to different parts of Canada and from Ocean to Ocean. They also ship a large quantity to the United States market and to England. The scores of handsome new patterns and designs on exhibition are beautifully and very tastefully displayed, this part of the work having been done under the skillful management of Mr. William Irvine, of the establishment of Fred B. Edgcombe Co., Ltd.

Mr. Andrew Myles is in charge of the whole exhibit and is the right man in the right place, and is very obliging and willing to answer all questions in regard to the business and with the ladies assistance who is tireless in giving all the information asked for, the booth is continually crowded by interested spectators. One marked feature of this company is that all the celebrated gold medal tweeds and costume cloths are manufactured from native wool. They also manufacture the famous health brand blankets.

Everybody visiting the fair this year should not fail to pay this booth a visit and see the very tasteful little booklets they are distributing to the public. This company made a very beautiful exhibit at Halifax last week, it being considered one of the best in the building.

YOUTHFUL THIEVES.

Two Caught at the Exhibition by Policeman Rideout.

Two boys named Seymour Chase and Clinton Kitchen, were arrested by Policeman Rideout last night on the charge of stealing two electric flash lamps from Perham and Stewart's booth at the exhibition. The theft was reported to Policeman Rideout early in the evening, and he was not long in getting on the track of the missing articles. Chase had sold his, but the other was found in the possession of Kitchen. Both lamps were recovered and the boys have acknowledged the theft. They were arraigned at the police court this morning and remanded in jail by Col. Marsh until Tuesday. It is understood that Perham and Stewart are not anxious to prosecute.

FRUITFUL PEAR TREE.

Mr. William Cameron, a well known Fredericton citizen, who owns and cultivates a farm on Maryland hill, has a pear tree loaded with the delicious fruit, its yield this year being estimated at between two and three barrels, illustrating that pears can be successfully cultivated in this part of New Brunswick. The species is Clapp's Favorite, and the tree with its fruit has been very effectively photographed by Mr. Geo. P. Taylor and is shown by Mr. T. A. Peters, deputy commissioner for agriculture, an enthusiastic believer in New Brunswick as a field for successful fruit raising.

DEATH BUSY AT ST. MARY'S.

Within ten days three souls, through what may be called violent deaths, have been summoned from earth, and thus cast a gloom over Gibson and its neighborhood. In tender sympathy with the bereaved, and as a call to repentance to the careless ones, a solemn service will be held in St. Mary's church tomorrow evening at 7 o'clock. In every way that the beautiful Liturgy of the church lends itself to the expression of sorrow for the dead and comfort to the living and this service of condolence will be rendered, in heart searching pathos. The choir, under the direction of Mr. T. B. Kidner, choirmaster, have prepared a soul-stirring Nunc Dimittis, and other special music as obsequies for the dead. The Rev. Dr. Duffy will preach on "Death, the last enemy that shall be destroyed." The whole service will strike the chord of triumph and victory over the grave.
