

CONSL. SCHOOL.

(Continued from second page.)

The inner man attended to, the visitors were shown over the school garden and the work explained by Principal D. W. Hamilton. Adjournment was next made to the school building where the work of the various departments was viewed with satisfaction, especially the operations of the pupils in the manual training department under Mr. C. W. Kelly, and the newly established domestic science department with Miss Bessie Young in charge. The school consists of four departments with six teachers as follows:

D. W. Hamilton, principal and instructor of the higher grades and in nature studies.
C. W. Kelly, manual training.
Miss Inez Mersereau, grades 6 and 7.
Miss Bessie Young, domestic

a most attractive programme was carried out.

As His Honor the Lieut. Governor, ex-Governor McClellan, Premier Tweedie, his colleagues in the government, Dr. Inch, Chancellor Harrison, Mr. J. D. Hazen, M. P., entered the hall, the pupils sang with heartiness and fervor the national anthem. The gentlemen named seated themselves on the platform where they were received by Principal Hamilton and Mr. A. R. Wetmore, the energetic chairman of the consolidated school board. His Honor wore his Windsor uniform, and was much touched by the hearty welcome extended to him.

Mr. Wetmore opened the proceedings by speaking a few words of welcome to His Honor and the other distinguished visitors and introduced Dr. Inch as the chairman of the meeting.

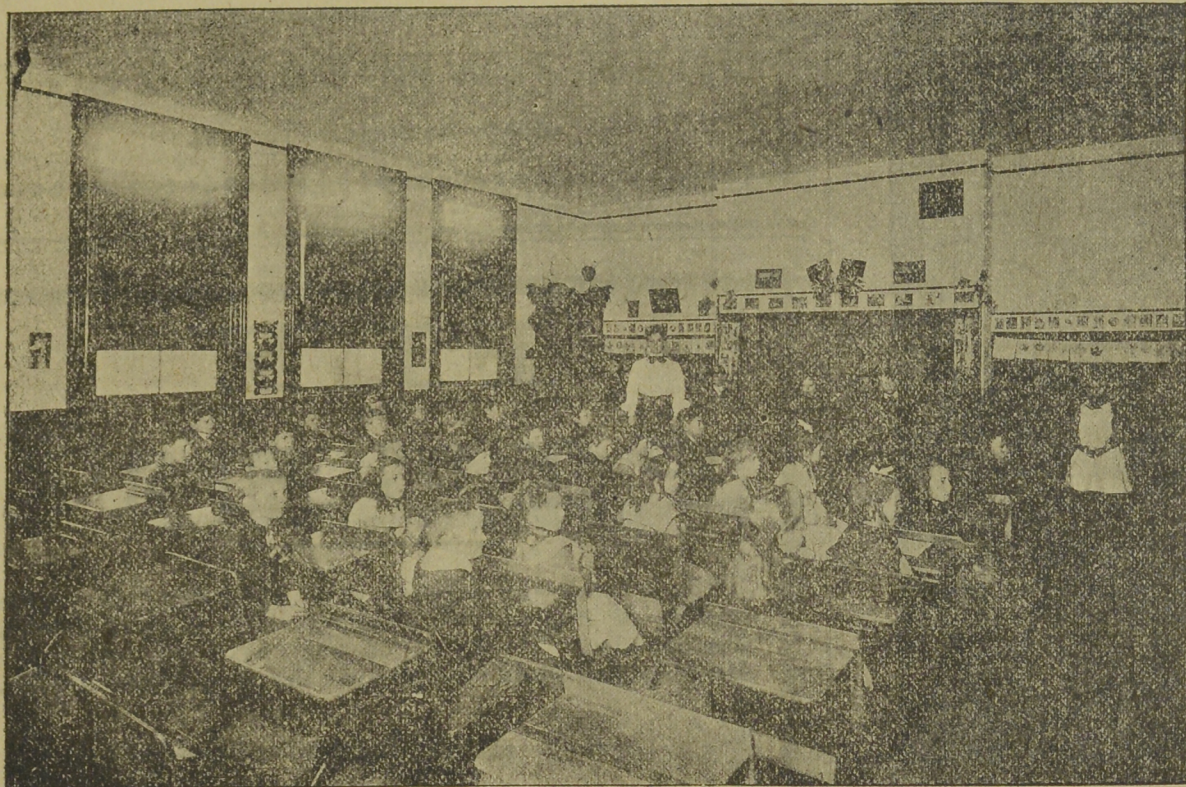

THE CHIEF SUPERINTENDENT after thanking the visitors for their presence, expressed the great satisfaction he felt at the success of the

or about to be launched.

Address to the Governor.

After the pupils had sung a patriotic song an address on their behalf was presented to the Lieut. Governor by Miss Ethel Thompson, in which His Honor was very warmly welcomed and satisfaction expressed at his great interest in education evident from his kind presentation of medals to the various high schools of the province and to his presence here today.

The governor made a very happy reply, voicing the pleasure he felt at being present and witnessing the interesting exercises of the occasion. The happy countenances of the pupils, he said, betokened the pleasure they found in their studies under such favorable conditions and the success of the school was a source of great satisfaction to the Board of Education as it must be to those who were directly profiting from its instruction. He referred to the liberality of his predecessor, ex-Governor McClellan in donating such

PRIMARY DEPARTMENT, KINGSTON SCHOOL, 1905.

science.

Miss Darling, grades 3, 4 and 5.

Miss Stewart, primary department. The enrolment of pupils reaches 180, and the average attendance since the establishment of the school in August last is 90 per cent. The pupils are drawn from a radius of six miles, and are driven to their work each morning and returned home at the close of the day's work in seven two horse vans, which make their headquarters in a large stable adjoining the school.

The school building is a model of convenience, fitted up in the most modern style, heated by hot air furnaces, with splendidly ventilated rooms large and airy and leaving nothing to be desired by instructors and pupils.

An Attractive Programme.

At 2 p. m. all the pupils were massed in the large assembly hall of the school on the upper floor, every available inch of space was filled with the interested visitors, and here

school in its initial year. It had been kept in operation almost without a break during the severest winter in the public memory and was admirably fulfilling its mission. He contrasted the school and its surroundings with its condition in the early stage of its existence and declared that the great work already accomplished was a monument to the energy and public spirit of its founder, the trustees, the principal and his assistants. This indeed was a red letter day in the history of Kingston, when members of the government and the legislature, and representatives of the press were here to see and to spread abroad the splendid results and great promise of New Brunswick's first consolidated school, to inspect this new departure in advanced educational methods. Interest in the work will extend as the result of this day's proceedings, and he hoped that the day was not far distant when New Brunswick would have 40 or 50 consolidated schools instead of the three now in existence

a handsome sum (\$5,000) for the establishment of a similar institution at Riverside, a beneficence even more magnificent than that of the founder of the Kingston school, when the wealth of the two gentlemen was compared. He thanked the school for the kindly reception tendered him, and was delighted that he had been able to be present and take part in the day's programme. After another musical selection from the pupils

PRINCIPAL HAMILTON,

extended a welcome to the visitors on behalf of himself and his staff. The school had been honored with the presence of distinguished visitors on former occasions, but this surpassed them all. They would try to be worthy of the kind words spoken of them and he hoped the school would prove equal to all the hopes expressed for its success.

(Continued on fourth page.)

ROYAL ARCANUM RATES HAVE TAKEN A BIG JUMP.

Considerable interest will be taken by the ten thousand Canadian members of the Royal Arcanum in the increase in insurance rates ordered by the supreme council of that order last month. It is in time, but in advance of increases made in several other assessment organizations, and as it is stated to be the result of many years of study by expert insurance actuaries it is pretty sure to have a great influence on the rates of other societies.

The remarkable feature of the new schedule is not the general increase in rates as the extraordinary rise in the price of insurance for the older policy holders, who may be over sixty-four.

For the age of sixty-five the old rate was \$10.98 for \$3,000. Under the new schedule it is \$16.08.

The following table with the new monthly rates for \$1,000 will prove interesting reading to all members of the order, but especially the older ones:

21, 63; 22, 64; 23, 65; 24, 66; 25, 67; 26, 68; 27, 69; 28, 70; 29, 71; 30, 72; 31, 73; 32, 74; 33, 75; 34, 76; 35, 77; 36, 78; 37, 79; 38, 80; 39, 81; 40, 82; 41, 83; 42, 84; 43, 85; 44, 86; 45, 87; 46, 88; 47, 89; 48, 90; 49, 91; 50, 92; 51, 93; 52, 94; 53, 95; 54, 96; 55, 97; 56, 98; 57, 99; 58, 1.00; 59, 1.01; 60, 1.02; 61, 1.03; 62, 1.04; 63, 1.05; 64, 1.06; 65, 1.07; 66, 1.08; 67, 1.09; 68, 1.10; 69, 1.11; 70, 1.12; 71, 1.13; 72, 1.14; 73, 1.15; 74, 1.16; 75, 1.17; 76, 1.18; 77, 1.19; 78, 1.20; 79, 1.21; 80, 1.22; 81, 1.23; 82, 1.24; 83, 1.25; 84, 1.26; 85, 1.27; 86, 1.28; 87, 1.29; 88, 1.30; 89, 1.31; 90, 1.32; 91, 1.33; 92, 1.34; 93, 1.35; 94, 1.36; 95, 1.37; 96, 1.38; 97, 1.39; 98, 1.40; 99, 1.41; 100, 1.42.

The Canadian members are absolutely ruled in this matter of the supreme council, just as are the American members, and will have to pay the increased rates or drop out. There are 8,000 members over 64, and a number of these consider the new schedule a decided hardship after paying steadily for so many years.

ON A FALSE BASIS.

It is stated by Mr. W. W. Sheffield of Toronto, one of the supreme council, that for twenty-eight years the rates have been on a false basis, and that now, after a ripe experience they have hit upon the only honest method of assessment to conserve the finances of the association, and uphold its \$2,000,000 reserve fund,

which even then must be drawn upon to equalize the cost of the policyholders over 64. But any objections to the sudden raise at this age are met by the argument that a sixty-five year old man does not need insurance, and if he does his family should be in a position to pay for what will soon revert to them.

NOW EQUAL RATE FOR ALL.

The committee on laws at the annual meeting, discussing this phase of the matter, says:

There were less than ten thousand members aged 65 and over in the order on Dec. 31, 1904. Much sympathy is expressed for them, because the new plan seems to treat them harshly. It should be remembered that they had their protection in the past years at a rate ridiculously low and have lived. They were paying for cheap term protection and the Royal Arcanum furnished it. The younger members have been paying to make up for the deficits in the contributions of the older members since 1898. Hereafter all will contribute upon the whole life basis and at an adequate rate. How to ease up on the older members was the greatest problem before executive committee, because of their great sympathy for the aged brothers, and they loaded the rates, for the young men all they could stand, in order to help out the old men.

The Royal Arcanum now has a genuine plan, scientifically constructed from its own experience, and mathematically correct, according to standard actuarial formula. Our workers will have something to talk about, which they can back up with facts and figures. The problem is solved.

ORDINARY CORN SALVES CONTAIN ACIDS.

But the old reliable Putnam's Corn Extractor is entirely vegetable in composition and does not eat and burn the flesh. It gradually lifts the corn, causes no pain, and cures permanently. Price 25c. at all druggists. Use only "Putnam's."

When Baby Comes You'll Need Strength.

No Mother Can Rear a Healthy Child Unless She is Herself Healthy.

FERROZONE

Imparts New Vigor—Braces, Nourishes, Strengthens Weak Women.

A woman's anxieties multiply tenfold about the time the new baby is expected. If her strength is exhausted and her blood weak, it goes hard in the hour of trial. Ferrozone should be used because it makes the blood nutritious and rich. By instilling new strength into every part of the body, it uplifts your spirits at once.

Childbirth is certainly made easier by Ferrozone. The following statement expresses the earnest gratitude of Mrs. M. E. Duckworth, of Durham. It is a woman's story—of her own case—told that other women may profit by her experience:

"Before baby was born I was in a miserable, weak, nervous state. I had no reserve strength. I tried to build up, but nothing helped me. I looked upon the coming day with dread, knowing I was unequal to the occasion."

"Ferrozone braced me up at once. It gave me strength and spirits, brought back my nerve and cheerfulness. From my experience with Ferrozone I recommend it to all expectant mothers."

There is more concentrated nourishment in Ferrozone than you can get from anything else. It supplies what weak systems need. Simply take one tablet at meals and you'll feel uplifted at once. Ferrozone makes healthy, virile, vigorous women; try it. 50c. per box of fifty tablets, or six boxes for \$2.50 at all dealers, or by mail from N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

WAR OFFICE SCANDAL.

British Officials Profited by South African War.

London, June 14.—A blue book containing the report of the war office committee, headed by Lieut. General Sir William Francis Butler, was issued today. It fully confirms the forecast cabled to the Associated

WOMEN'S NEGLECT SUFFERING THE SURE PENALTY

Health Thus Lost Is Restored by Lydia E. Pinkham's Vegetable Compound.

How many women do you know who are perfectly well and strong? We hear every day the same story over and over again. "I do not feel well; I am so tired all the time!"

More than likely you speak the same words yourself, and no doubt you feel far from well. The cause may be easily traced to some derangement of the female organs which manifests itself in depression of spirits, reluctance to go anywhere or do anything, backache, bearing-down pains, flatulency, nervousness, sleeplessness, leucorrhoea. These symptoms are but warnings that there is danger ahead, and unless headed a life of suffering or a serious operation is the inevitable result. The never-failing remedy for all these symptoms is Lydia E. Pinkham's Vegetable Compound.

Miss Clara Beaubien, of Beaufort, Quebec, writes:

"Dear Mrs. Pinkham: For several years I have suffered with a female weakness which proved a serious drain on my vitality, sapping my strength and causing severe headaches, bearing-down pains and a general worn-out feeling, until I really had no desire to live. I tried many medicines, but did not get permanent relief until I took Lydia E. Pinkham's Vegetable Compound. In two months I was much better and stronger, and in four months I was well; no more disagreeable discharge, no more pain. So I have every reason to praise the Vegetable Compound and I consider it without equal for the ills of women."

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write to Mrs. Pinkham, Lynn, Mass., for special advice—it is free and always helpful.

Press, June 1, showing that the improper disposal of military stores at the conclusion of the South African war had revealed a huge scandal.

The report censures a number of officers, who are alleged to have worked in collusion with contractors. The latter bought stores at absurdly low prices and afterwards resold them to the military authorities at enormous profits.

The value of the stores involved in these transactions is between \$30,000,000 and \$35,000,000.

The officers involved all belonging to the army service corps and pay department.

IF YOU HAVE A BAD COLD.

If you are sneezing and suffering from a "stuffed-up" head and running eyes the best plan is to get fragrant, healing Catarrhazone, the quickest and surest cure for cold in the head, coughs and catarrh ever discovered. This great healing agent is carried by the air you breathe all through the passages of the nose, throat and lungs. It soothes the irritated membranes, kills catarrhal germs, instantly stops the cough and sneezing. It is the antiseptic vapor of Catarrhazone that does the curing. A trial proves that a cold can be killed in a few minutes by Catarrhazone. Money back if it fails. Complete outfit \$1; small size 25c.

Lever's Y-Z (Wise Head) Disinfectant Soap powder is better than other soap powders. It also acts as a disinfectant.

LINDSAY

Wishes to inform the public that the

Ice Cream Parlor

In his new Restaurant has been opened for the season. It is located up stairs and is reached by a separate entrance. Lunches of all kinds will be served here in addition to the most delicious Ice Cream and temperance drinks.

Lindsay's Restaurant is located on King street, and is the largest and best in the city. Anything you can't get at LINDSAY'S in the eatable line must be out of season.

Home-made Cooking fresh every day.

Boston Baked Beans and Brown Bread always on hand.

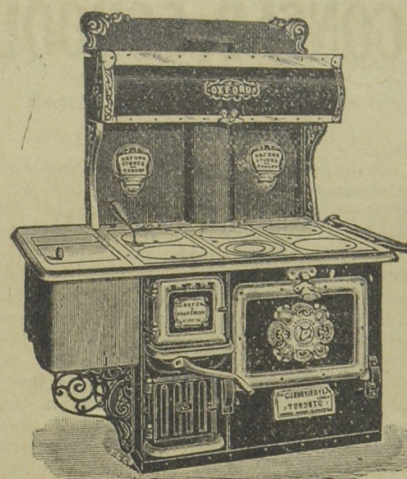

Hot dinners served daily at eleven o'clock, a. m. Lunches at all hours day and night.

Cold Meats always on hand, sliced to order.

All kinds of Fruit in season. Parties forgetting to secure their groceries or meats from the regular dealer can always buy them at Lindsay's. Lindsay serves breakfast at six o'clock every morning.

Telephone No. 16

Wood's Phospholine, The Great English Remedy. A positive cure for all forms of Sexual Weakness, Mental and Nervous Exhaustion, Emissions, Spermatorrhoea, Impotency, Effects of Abuse or Excess, all of which lead to Consumption, Infertility, and an early grave. Price \$1 per bottle, six for \$5. One will please, six will cure. Sold all druggists or mailed in plain package on receipt of price. Write for Pamphlet. The Wood Medicine Co., Windsor, Ontario. Wood's Phospholine is sold in London by all Druggists.

The Woman Who Cooks

Knows a good Stove, and is satisfied with none but the best. She deserves the best. An

Oxford Chancellor Steel Range

Will fill the bill, and is as far ahead of an ordinary cooking stove as an electric light is superior to a tallow candle. Sold only by
