On Wednesday afternoon at the home of Mrs. Elizabeth Ward, her eldest daughter, Maude, was united in marriage to George H. Wilkinson, of Hawk's Park, Florida. Rev. A. A. Rideout performed the ceremony. The happy couple left on the 5.50 train for New York and thence by boat to Florida, where they will spend the winter.

The ladies connected with the Hospital Aid will hold another one of their delightful teas on Saturday afternoon from four to six o'clock. The committee in charge of this week's tea are Mrs. A. J. Gregory, Mrs. R. F. Randolph, Miss Neill, Miss Cunningham, Miss May Hilliard, Miss Hazel Edgecombe. Home made candy will be on sale also.—Dec. 7, d31.

SOME GOOD SCORES.

At the Queen Hotel bowling alley yesterday afternoon, Charles McLaughlin put on the handsome score of 125 with the candle pins, including three successive strikes. In the evening Robert Anderson, manager of the alley, made an average of 112 in two games with the candle pins, and put on 58 in a game of five back immediately afterwards. C. F. Randolph put on a score of 108 with candle pins.

CASE OF CRUELTY.

Two colored men named William Hoyt and Charles Nutt, were before the police court this morning on the complaint of Ex-Ald. Macpherson, charged with cruelty to one of his horses. They both pleaded guilty and were remanded until tomorrow morning for sentence. As there are revolting circumstances in connection with the case, the chances are that the prisoners will be severely dealt with.

LIVE GAME FOR BOSTON.

Surveyor General Sweeney has granted a permit to Jim Paul, Indian guide of St. Mary's, allowing him to capture twelve live partridges and take them to the Boston Sportsman's Show. He has also given permission to take to the show a young bull moose now in possession of James McKilligan, of this city. This moose was exhibited at the Fredericton and Sussex exhibitions and attracted much attention.

FIREARMS GALORE.

A large consignment of rifles and shot guns of various makes was received at the crown land office yesterday, from Game Warden John Robinson of Newcastle. They were seized during the past season from North Shore residents found hunting without a license. In all probability they will be sold at auction. The collection is a rather unique one and includes everything in the shape of fire arms, from the old gas pipe smoothbore to the modern high power Winchester rifle.

DEATH AT NASHWAUK.

Mr. Christopher Manzer, a well known farmer, died at his home at Nashwaak Village last evening after a brief illness from heart failure. He was seventy-two years of age and leaves a widow and two sons, Luther, who lately returned from the west, and Charles, of Somerville, Mass. Mr. B. B. Manzer, of Woodstock, is a brother. The funeral will take place on Thursday at one o'clock, with services by Rev. C. W. Sables. Mr. R. B. Adams is the undertaker in charge.

FREAK OF NATURE.

Mr. H. M. Balkam, one of the engineers of the transcontinental railway working on the Tobique, sent to the crown land office recently a natural curiosity in the shape of a strip of wood twenty feet in length, which he found growing to a white birch tree. The strip is about half an inch in width, and in shape somewhat resembles a barrel hoop, although it has a bark covering on both sides. Col. Loggie says it is the strangest freak in wood that he ever saw, and he has written Mr. Balkam for further particulars.

THE CUMMING ESTATE.

Sheriff John O'Brien, of Northumberland, is in St. John in connection with the estate of Wm. C. Cumming, of Doaktown, who assigned some time ago. The store building, which also contains dwelling, was sold at Chubb's Corner Wednesday afternoon by Auctioneer T. P. Lantalm and was bid in by J. B. M. Baxter for Otto Hildebrand of Doaktown, for

\$1,925. The book debts were bought by Mr. Cumming for \$375 and he also bought for \$40 a small farm, part of the estate. The stock was sold by tender some days ago to W. S. Loggie at 51 cents on the dollar. Sheriff O'Brien is the assignee.

HON. MR. FARRIS.

Outline of His Address Delivered at the Fat Stock Show.

Hon. Mr. Farris remarks in reply to the address of welcome at the opening of the Amherst Fat Stock Show on Monday evening are thus reported by the Amherst Daily Telegram:

"Mr. Farris said that he had no reason to feel ashamed of the N. B. exhibits alongside of the N. S. exhibits. A number of orchards had been started and so far have had much success. The New Brunswick people are trying hard to come up to the Nova Scotia people and if they can do no doubt will feel proud said Mr. Farris. 'We are', he said, 'trying to rival and learn from you.' A number of successful meetings have been held during the past year and much attention has been given to poultry raising." New Brunswick, he said, was very much indebted to the different governments of the maritime provinces for the aid they have given. It showed the interest they have taken. No country could be successful if it was not for agriculture, and he hoped that this fact would be appreciated by all. He then closed his speech thanking those present for their attention."

THE LEGISLATURE.

Will Meet for the Despatch of Business on February 8th.

At a meeting of the local government this morning it was decided to advise His Honor the Lieutenant Governor, to summon the Legislature to meet for the despatch of business on Thursday, February 8th. This is one month earlier than the House met last year.

The government bonus for roller flour mills, has been voted to Mr. Watson, Roads of Riversdale, Albert County, and Mr. Beverly Lawrence of Burt's Corner. The latter is to receive the sum of \$1,000.

Owing to the pressure of public business, Premier Tweedie has been obliged to decline the invitation to attend the banquet of Premier Gouin at the Windsor Hotel, Montreal, on Monday evening. In all probability Attorney General Pugsley will represent the government.

Premier Tweedie and Attorney General Pugsley were appointed a committee to meet Sir Frederick Borden, minister of justice, and discuss with him the proposal to introduce military training into the public schools.

The financial showing of the institution as disclosed by the accounts, is the best for a number of years. There is a surplus on the year's operations amounting to nearly \$700, which circumstance elicited much favorable comment from the members of the senate. The amount expended on the gymnasium up to the present time is \$5,370. All that now remains to be done is to fit up a dressing room for the students and complete some wainscoting.
