FIREMEN'S FESTIVAL.

Last Night's Show At Scully's Grove Was a Success.

The festival held at Scully's grove last evening by the firemen to enable them to raise funds for the tournament to be held here next July, was fairly well attended. The weather conditions were all that could be desired and the different games and attractions were liberally patronized. The Fredericton Brass Band rendered an excellent program for dancing which pleasant pastime was liberally indulged in.

Following is the list of prize winners:

Ladies' Bagatelle—Miss Smallett, silver meat fork.

Gents' Bagatelle—Herbert Lyons, box of cigars.

Excelsior—Arthur Blackmer, briar pipe.

Rifle—Jack Dever, picture.

Bean toss—1st prize, box of cigars, F. P. Hatt; 2nd prize, razor strap, Joseph Cain.

African dodger—T. C. Doherty, box of cigars.

The ladies' gate prize, a silver cake dish, was won by the holder of ticket No. 686, and the barrel of flour given for a gent's prize, was drawn by ticket No. 256.

The firemen previous to the festival gave a street parade, which was witnessed by a large number of people. Headed by the band they left the hose station at 7.30, and marched up King street to Westmorland, thence out to Queen street, down Queen to St. John, out St. John to Brunswick, up Brunswick to Regent, and thence to the grove. When opposite the Queen Hotel the parade halted and after the band had finished a selection the firemen gave three lusty cheers for Landlord McCaffrey, in appreciation of a recent act of kindness on his part.

The firemen wish to thank the following for donations: Leonard & Sons, Lucy & Co., Barker House, Shute & Co., W. A. Lindsay, George Y. Dibblee, McKay & Co., J. A. Bell, C. W. Hall.

FELL TWENTY FEET.

Three Well Known Carpenters Had a Narrow Escape.

Three carpenters, Messrs. Thomas C. Allen, Harry McAdam, and William Murphy, were the victims of an accident yesterday afternoon, that came within an ace of being attended with fatal results. They were at work resinsiding the ell of Mrs. H. W. Gregory's house on Regent street, when without a moment's warning, the staging, on which they were standing, gave way precipitating them to the ground. In falling Mr. McAdam struck his breast heavily upon a post and a bundle of shingles falling from the staging caught him on the head. He fared much worse than his companions, but fortunately had no bones broken. His injuries will likely confine him to his home for a week or fortnight. Messrs. Allen and Murphy, both came in for a bad shaking up and are today confined to their homes. In falling all three just escaped a high picket fence located just beneath the staging. They were considerably cut and bruised by the fall.

The accident was probably due to some defect in the staging.

ENJOYED THEIR TRIP.

New York Party Had Pleasant Outing on Miramichi.

Capt. and Mrs. J. W. Woolfolk of New York, returned by the I. C. R. at noon today from a fortnight's fishing trip on the Southwest Miramichi. They took the river at Foreston, Carleton county and angled right through to Boiestown, camping along the route. The water was rather low for fishing but they had the good fortune to land fourteen salmon and grilse. Mrs. Woolfolk killed a salmon single handed which measured twenty-two inches in length. Capt. Woolfolk says that the trip was one of the most enjoyable he ever experienced, and the scenery along the route was something grand. Mr. William Griffin, Jr., of Cross Creek, was chief guide for the party. Capt. and Mrs. Woolfolk are guests at the Queen and have arranged to remain for a few days. They will visit Halifax before returning home.
