ST. JOHN WON.

In the second ball game at St. John on Saturday between the Browns of Eastport, and the home team, the latter won, 9 to 4.

THE UMPIRE STONED.

Springfield, Mass., Aug. 9.—Springfield forfeited the game to Holyoke yesterday when the score stood 0 to 1 in the sixth inning, thereby precipitating the wildest spectacle in the history of baseball in this city. Umpire William Smink was hurried down town surrounded by a body-guard of police, but in Main street a few members of a noisy mob began throwing stones and bricks. Smink was hit back of the left ear, but not seriously injured. He finally had to take refuge in a livery stable, where he waited for the police patrol wagon. One brick-thrower was arrested and two men had to be attended to at the Emergency hospital.

Smink had ordered Fitzpatrick from the game for questioning a base decision in Holyoke's half of the sixth. Manager O'Neil, acting according to his interpretation of a recent league ruling, paid the league treasurer, P. H. Prindiville, who happened to be present, twenty-five dollars in fine money and affirmed that the player was eligible to continue. Smink ruled otherwise, and the mob descended. The game was clean and lively as far as it went. Hartley and Bowler were both pitching great ball.

THE RING.

FITZ FOR THE STAGE.

Robert Fitzsimmons is the latest to be pursued by the vaudeville manager, and preparations are under way for a contract that will take the long Cornishman away from the legitimate stage for next season. It is the intention to present him in vaudeville in a one-act play that will embody most of the salient features of his present piece and give him an opportunity to do those things in which he is most adept.

The proposition which was presented to Fitz before he left New York is that a short sketch shall be written for him which will give him a chance to make a horseshoe, punch a bag and indulge in a little sparring of a couple of rounds. These three incidents will be woven into and around the plot in such a manner that there will be a logical sequence of events all the time he is on the stage.

The sketch will require the services of three or four persons other than the fighter. Fitz is of the opinion that \$1,500 would be about the proper figure. The matter will be settled definitely next week.

MACDUFF WON IN STRAIGHT HEATS AT PRESQUE ISLE.

Presque Isle, Aug. 11.—The circuit

of Thursday were no less interesting than those of Wednesday. Each class was well contested and characterized by its own special points of interest.

In the 2.20 class it was expected beforehand that Frank Rich would take the race, but the honors were carried off by Joe Hal, who won in three straight heats. Calvin Swift led him hard to the three quarter pole but there failed to show his superior speed.

The 2.25 trot and 2.28 pace was well contested by Utatlin and MacDuff. Both went a good race but MacDuff pined too much for his competitor and won. It was a close contest between Pat Roast and Whisper for third place, the latter securing it.

In the Free-for-All matinee, Buckshot made it exciting by winning in three straight heats and horsemen say he could have gone several seconds better but his speed was sufficient as it was for his competitors.

Mr. Rich, owner of the Calvin Swift, complimented driver C. Burdill by saying that he drove the best race he had ever seen with a new horse.

Mr. Burnham, owner of Utatlin, drove well.

"Mars," the handsome and valuable new stallion owned by Hon. T. H. Phair, was shown on the stretch by J. N. Willard and was much admired for his superior beauty, fine action and speed.

AQUATIC.

AMERICAN BOAT WON.

Rochester, N. Y., Aug. 12.—In a breeze varying from ten miles an hour at the start to almost a dead calm before the finish, the Froquois, of Rochester, defender of the Canada Cup, defeated the Temoraire, of Toronto, challenger, off Summerville today by twelve minutes and fifty seconds. The race was about a triangle course, three miles to the leg, twice around.

ANOTHER TERM FOR JOLY.

Victoria, B. C., Aug. 11.—Private letters from Ottawa state that it is a foregone conclusion that Sir Henry Joly de Lotbiniere, whose official term expired at the end of June last, will be re-appointed lieutenant governor of British Columbia for a further term of five years. His Honor has not yet been officially advised of re-appointment, but at his office it is stated that such advice would not come in the nature of a surprise. Sir Henri had been asked to remain in charge of affairs in British Columbia until after the Dominion exhibition at New Westminster, and had consented to do so. The second choice for the lieutenant governorship has been Mr. Ralph Smith, M. P., of Nanaimo, while there have also been counted as in the running Mr. Geo. Riley, M. P., Senator Howitt, Boston, Mr. Robert Jardine and Mr. J. C. Brown of New Westminster, and Senator Templeman of this city.

THE ROOT OF NEURALGIC HEADACHE.

ACHE.

Is an irritable condition of the nerves caused by cold. Relief comes quickly from Nerviline, the great pain reliever of the day. "I consider Nerviline a magical remedy for neuralgia," writes Mrs. E. G. Harris of Baltimore. "But I never worry if Nerviline is in the house. A few applications never yet failed to kill the pain. I can also recommend Nerviline for stiffness, rheumatism and muscular pains. In use nearly fifty years; try Nerviline yourself."

PREMIER AT HIS OLD HOME.

Sir Wilfrid Spent a Few Days Pleasantly at Arthabaskaville.

Athabaskaville, Que., Aug. 11.—Sir Wilfrid Laurier and Lady Laurier arrived in this town last Saturday evening, accompanied by Senator David and Mr. Boudraut, private secretary of the Prime Minister.

The citizens welcomed the distinguished visitors by an illumination. Every house was illuminated and the front was decorated.

Since his arrival the Prime Minister had many visitors.

During his leisure hours he traveled all around the mountains and hills surrounding the quiet town. Sir Wilfrid and Lady Laurier left last evening for Quebec, along with Senator David to meet Prince Louis and to assist at the festivities about to take place.

Sends an Open Letter to all

Sufferers.

Most women are tired when they wake up. Housework drags along, with great difficulty. Nervousness is always present, headaches seldom depart, tears are ever ready to flow.

But there is a cure, a true specific for women's ills that restores a prominent lady in Moncton, Mrs. Daigle, who tells the following experience: "About a year ago I had a serious sickness, a sort of general breakdown. My digestion failed entirely, and I was able to eat but very little. I took violent stomach pains and suffered terribly from headache. My doctor said that it was 'nervous exhaustion,' and that I might never get well. My troubles increased, for as I grew fainter I was subject to neuralgia and rheumatism. Sleep finally forsook me and I nearly lost heart. Different medicines didn't help. Doctors couldn't do me any good. I was desperate when I heard of Ferrozone. I tried it on my stomach, gave me a splendid appetite, and then my recovery seemed easier. Ferrozone increased my weight several pounds, has restored my nerves, given me a good color, and strength such as I never had before. For the weak and sickly I can truthfully recommend Ferrozone." (Signed) Emma Daigle.

REMEMBER—No mere stimulant or alcoholic concoction can take the place of the nerve and blood nourishment contained in Ferrozone. This true tonic always does what is claimed for it. Sold everywhere in 50c. boxes or six for \$2.50. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.
