SERIOUS RUSSIAN CONFLICTS.

Citizens and Strikers Clash With Police and Soldiery--
Both Sides Suffered Severely.

Kharkoff, Russia, Oct. 24.—(Special)—A serious conflict between the troops and the people, during which there were many casualties on both sides, occurred here last night.
While a meeting of 2000 citizens, students and workmen, was in progress, the hall was raided and a panic followed.
No persons were killed there, but subsequently the crowd came in contact with a detachment of cavalry. Revolver shots were fired by some civilians and small bombs were hurled among the cavalry. Later there were fired revolvers with blank cartridges, and then with bullets.
Both sides suffered severely. The strikers have armed. A number of bakeries have been destroyed and all works are stopped. Scarcity for the necessities of life are already felt here.

ALMOST INSTANTLY KILLED.

Sad Fate of a Respected Island Farmer--Other Sudden
Deaths.

Charlottetown, P. E. I., Oct. 24.—(Special)—An accident happened at Alberton yesterday by which Mr. John A. Keefe, a highly esteemed citizen of that community, was almost instantly killed.
Keefe was taking a load of oats into his barn and as the horse could not back it in he was unhitched and fastened by the traces to the other end of the wagon. The wagon turned, and as Keefe was passing between it and the barn he was pinned to the building by a pole across the wagon, which almost went through his body.
A boy who was with him, ran to the house and when his wife got to his side he was faintly groaning, but before medical assistance came life was extinct.
Yesterday morning, Major Craig, of Middleton, Prince County, aged 72 was found dead in bed.
This is the third sudden death in this province within a day of men over three score and ten.

CIVIC RECEPTION TO BE HELD AT OPERA HOUSE IN
AFTERNOON.

Elaborate Preparations Being Made for Entertainment
of Royal Visitors.

The civic authorities have received the consent of Prince Louis of Battenberg to attend a public reception during his visit here on Saturday a telegram to that effect having come to hand this morning. It will be held at the Opera House at four o'clock Friday afternoon immediately after the mayor presents the civic address. Those who will be invited to seats on the platform besides members of the city council are:—The Lieutenant Governor, members of the local government, Judges Gregory and Wilson, the civic officials, O. S. Crockett, M. P., Senator Thompson, the local members for York, city clergymen, and the Warden and county council.

A general invitation will be issued to citizens of Fredericton and their families to attend the reception. An orchestra will be engaged to furnish a programme of music and it is expected that the affair will last until nearly six o'clock.

The Prince is expected to reach Fredericton by special train at one o'clock and he will be entertained at the Queen Hotel during his stay in the city. During the afternoon His Worship the Mayor, will call on the Royal visitor at his Hotel, and the Prince will return the call at the mayor's office in the city hall. The members of the city council will then be presented by His Worship, and immediately afterwards all will repair to the Opera House where the reception will be held. It is understood that Mayor McNally will present the citizens to the Prince.

Private Secretary Barker is getting along well with the task

of making preparations for the state ball to be held at the legislative buildings on Friday evening in honor of the admiral prince. Up to last evening he had sent out 2200 invitations and there are a great many more to be disposed of yet. Mr. Barker has advised that large numbers from outside points will attend the ball, including a big contingent from the north shore. He expects at least one thousand acceptances, and thinks the number may run as high as sixteen hundred.

The following telegram from the Prince is self-explanatory:

Halifax, Oct. 24.

Lieutenant Governor, Fredericton:—I shall be accompanied by my nephew, Prince Alex. of Battenberg, as my aide camp whilst visiting Fredericton.

LOUIS BATTENBERG.

(Prince Alexander is a grandson of Queen Victoria, and nephew of the King.)

Hanlon's orchestra has been engaged to furnish music for the ball. Dancing will commence at nine o'clock and will be kept up until an early hour in the morning.

The desks have all been removed from the assembly chamber and a covering of waxed linen will be spread over the floor to make it suitable for dancing. The work of decorating will commence tomorrow morning under the direction of Mr. L. A. W. Tibbits.

Mr. D. B. Winslow is assisting Private Secretary Barker with the clerical work in connection with the ball.

ROOSEVELT'S SOUTHERN TOUR.

President Enthusiastically Received at Mobile--Business
at a Standstill.

Mobile, Ala., Oct. 23.—All Mobile last night lent itself to the reception of Theodore Roosevelt, during his two hours' stay here. There was general closing of all business houses and along the route of the procession from the Union station to the stand on Bienville Square, where the ceremonies took place, residences and stores were covered with decorations of lights and bunting in the national colors.
The route lay out Government street, one of the most noted drives in the south, for ten blocks, passing the homes of some of Mobile's most influential citizens, her chief educational institution and one of her historic churches. The sidewalks and streets along Government street were packed with humanity and at McGill Institute, Barton Academy and one or two other points hundreds of school children were massed, singing national songs as the procession passed. Cheers after cheer welcomed the nation's chief.
A stand was erected in Bienville square which when the president arrived was filled with 80,000 citizens. The area was brilliant with electric lights, while live oaks formed a canopy of green.

The president reached the stand at 5 o'clock, where he was received by a reception committee of 500 citizens. His seat was on an elevated dais in a chair which was built by the students of a technical school in Japan. Back of the chair was an enormous stuffed bear, eight feet tall, bearing in its mouth a floral independence bell and above its head a white dove holding a streamer on which was the inscription: "Blessed is the peacemaker." The bear was killed in a hunting expedition by His Majesty, Alexander II., of Russia, in 1887, according to the inscription on a bronze plate on the base of the mounting.
Oliver J. Semmes, son of Confederate Admiral Raphael Semmes then presented to the president and pinned on the lapel of his coat a handsome souvenir badge as the gift of the people of Mobile.

Judge Alford, chairman of the committee on arrangements, then introduced the president, who was briefly and warmly welcomed by Mayor P. J. Lyons, who paid tribute to him as a man, a statesman and a patriot. The formal welcome was then delivered by Colonel Edward Lafayette Russell.

MISS ROOSEVELT TO RETURN.

San Francisco, Oct. 24.—The Pacific Mail Steamship Company's liner Siberia arrived at this port yesterday direct from Yokohama in ten days, ten hours and 28 minutes, breaking the record for steamers between Yokohama and San Francisco, the fastest previous trip between the two places having been made by her sister ship, the Korea, in 10 days, 11 hours and five minutes. The trans-Pacific record is held by the Empress of China, nine days 15 hours in 1901, from Yokohama to Vancouver.

There were many distinguished passengers on the Siberia, among them being Miss Alice Roosevelt, U. S. Senator Newlands, of Nevada, and wife; United States Senator Warren, of Wyoming; Representative Longworth, of Ohio, and E. H. Harriman, president of the Southern Pacific.

With her baby in her arms and two other children by the hand, Mrs. Gilbert Horton was struck Monday at Tuxedo Park, N. Y., by a freight train a few feet east of the Sloasburg station. The mother and baby were instantly killed, but the other children escaped by leaping to either side of the track.

Chatham World.—Our genial young friend, Mr. Charles Appleby, editor of the Woodstock Dispatch, has been appointed Judge of Probates for Carleton County. And now he is Registrar of Probates, in the Dispatch and Judge of Probates in his law office. Every editor ought to get admitted to the bar, so as to be ready to accept official positions that will not interfere with editorial duties. Laymen have no show in competition with the other fellows. Look at Brother Hannay, for instance, luxuriating on soft snaps year after year.
