There should be no doubt in the mind of man or woman where to buy a Suit Case, Hand Grip or Trunk, when such goods are to be had at our store, and we know that wise buyers will come here to make their purchases. Our stock is now very large and all new, and as for price, well, the goods are just as low as you will pay elsewhere for an inferior article. Call and see our stock.

DURHAM BRIDGE.

Great Open Air Service to be Held on Tuesday Evening.

A service of once unique and solemnly impressive will be held in Durham on Tuesday evening, August eighth, at eight o'clock. Perhaps never in the history of the province has such a service been held. It has however, the unerring voice of scripture in its behalf. It was the mode in which Christ preached, the example which the apostles followed. It is preaching in the green fields by the riverside. The holy fane is an expansive one. The floor of the Temple is the grassy fields. The chancel is the orient horizon. The western door of the nave the setting sun. The dome of this temple of the Lord is the blue arched sky. The service is the incomparable liturgy of the Church of England, held on the lawn of the Messrs. Drink Brothers. The preacher is the Rev. Dr. Duffy, rector of St. Mary's. The congregation the farmers of the country side who are expected to come in large numbers from all directions. The sight is one fit for angels as for men. The large concourse of men, women and children standing in the open firmament with heads bowed in prayer. The holy chant and psalm from reverent voices swelling to the sky. The white-robed priest, faithful to the trust committed to him, pouring forth with all the energy of his soul the Gospel message. It will become the Apostolic church, dating back its history to the commission of the Lord himself "Go ye into all the world and preach the gospel to every creature," to hold such a service in the open air of Heaven. Members of the three choirs are expected to lead

GAYNOR AND GREENE.

Another Postponement of the Case Until Sept 5th.

Montreal, July 29.—(Special).—Counsel for the defence of Messrs. Gaynor and Greene succeeded today in getting another lengthy postponement of the hearing of the arguments pro and con in the case of the sought for writ of habeas corpus, to upset the decision of Extradition Commissioner Lafontaine, who committed them for extradition to Savannah, Georgia.

When Judge Ouimet took his seat, the American government was represented by Mr. Claude Hickson, Mr. Marion Erwin, of Georgia and United States Bank Inspector Johnston. Mr. Taschereau and Mr. Casgrain were there in the interests of the accused, who were not present, it being understood that the proceeding would be confined to a question how long a postponement could be granted.

September 5 was the date agreed upon by Judge Ouimet.

Mr. Taschereau asked that the hearing should be set for early in September, but Mr. Hickson vigorously opposed this. He said that an adjournment had already been secured on a sham petition to the Privy Council.

Mr. Taschereau—"This term should not be adopted. It has already been used by the learned counsel for the prosecution. It was no sham petition. The petition was properly drawn and filed, and we are not obliged to say why we withdrew it. There was, however, good reason in the fact that Mr. Justice Ouimet had refused bail. There was no necessity for Mr. Macmaster to go to England and if he were here now we could proceed. Seeing that we cannot, we want a lengthy adjournment so that we can have the vacation due us. There is no object in proceeding before September, as the courts in Georgia do not sit until October."

There was another protest from Mr. Hickson, but the judge finally decided to set the hearing for September fifth.

Cleveland, July 28.—Lou Dillon, 1,581, trotted her two fastest miles of the season at the Glenville track today. Each was made in 2:06. Her previous best mile was 2:06, made on July 15. Major Delmar, after trotting a slow half mile in 1:08, finished the mile in 2:08, which is considered in some respects the most remarkable mile ever trotted by the Major.

TRADE FRAUD EXPOSED.

Ottawa, July 29.—(Special).—The agent of the Dominion Government in Trinidad writes to the Department that unscrupulous parties are endeavoring to destroy the Dominion's share of the oat trade. They are selling inferior oats marked "Genuine heavy Canadian" which do not come from Canada at all but from the United States. Good oats are said to come from the United States and are so marked.
