THE RING.

BRITT AND NELSON.

San Francisco, Aug. 23.—Realizing the benefits that a fighter can derive by training in two climates, Jimmy Britt, lightweight champion of the world, commenced his training here today for his fifty-round contest with Battling Nelson. As soon as Britt was informed that he had been signed to fight Battling Nelson to a finish, the champion discarded his swell togs and donned his heavy road suit. He and Trainer Keding, who is here with Britt, started on a fourteen-mile hike.

Britt's pleasure will be supplanted by plenty of business-like signs that the champion intends to get all the physical benefit possible. Britt went on the road again this morning and on returning took a long swim in the lake.
After talking with his brother, Jimmy and Sam Berger set out for a ten-mile horseback ride.

Britt is now in active training for the big bout. After the consultation with Brother Bill, Britt said: "I am glad to have the opportunity to show the public that I am Battling Nelson's master, or, for that matter, the master of any other lightweight in the world, in a limited round contest or in a fight to a finish."

"I am the champion and I will at-

ways be found ready and willing to defend my laurels against any man in the world at any kind of a contest. I have beaten Nelson once, and as he don't seem satisfied, I will knock him out this time.

"This will settle all disputes. Nelson is a good, strong, tough fellow. So am I. If he beats me he is the champion and can take the money. I am in a fine shape right now.

"During the last three weeks I have lived a healthy outdoor life, walking, rowing, fishing and swimming. I would like to have stayed in the mountains a little longer, but I realized the importance of getting down to hard training grind as quickly as possible."

Britt is credited with the honor of having made the biggest trout catch of the season.

New York, Aug. 23.—Eddie Cain, the hard hitting Brooklyn lightweight, is anxious to get busy with any of the topnotchers at his weight for six to twenty rounds, in private or before a club that will offer inducements to box. Fred Douglass, Martin Canole of Fall River, Mass., or in fact, any other boxer who thinks he has it him, can have a match.

New York, Aug. 23.—Jack (Twin) Sullivan, the clever New England middleweight, who has been doing all kinds of stunts in the Far West, has wired the Los Angeles A. C. that is ready to post a forfeit and sign articles to meet Tommy Burns, the Detroit middleweight. Sullivan says that if a club will come forward and Burns wants to fight, let him show the color of his money.

THE TURF.

WELL KNOWN HORSE DEAD.

Black Pilot, the well known stallion, owned for the past few years in Moncton by Mr. Ezekiel Steeves, was chloroformed on Monday night. Black Pilot was one of the best known trotting horses in the province in his day and was one of the handsomest beasts P. E. Island boasts of raising. He was about 23 years old and was the sire of many fast horses throughout the province. Many Islanders recall the famous race between Black Pilot and Hernandez which took place at Summerside quite a number of years ago.

SUGGESTS OFFICIAL JUDGES.

The Summerside P. E. I. Agriculturalist says:—
Frank Power, of Halifax, is the best starter, bar none that ever gave the word "Go" at any races in the Maritime Provinces. He has no favorites, everyone is used alike. His starts are always fair, and he uses good horse sense to the best of his

judgment. We hope that the time will come when we will have not only an official starter, and in this office we consider he has no equal but also have official judges for Associated Races, men who know something about the rules, and not pick up a lot of men who for their social standing, and because they are supposed to be sports and horsemen, are selected by local tracks to judge the gait, position and place of horses, who, if they were asked the difference between a pace and a trot couldn't distinguish them.

AQUATIC.

CHARLEY BARR'S LUCK.

No one can beat Skipper Charley Barr in the matter of luck. In a recent race of seventy footers in Long Island sound, off Larchmont, N. Y., Barr was at the wheel of the Mineola. The Yankee was well in the lead when all contestants were becalmed. Finally a light breeze sprang up, but it was not enough to make much difference. A tug, towing three barges, came down the sound and slanted across the bows of the Mineola. Much to his disgust, to avoid collision, Barr had to fall off his course and sail far to leeward. His last chance seemed gone and expressions of sympathy were heard on other boats. Of a sudden, however, the Mineola's sails began to swell. They filled and before a spanking breeze Barr steered his craft to victory, for the Yankee was still becalmed, outside the area of the breeze. The tug was an angel in disguise, so far as Barr was concerned. "Can you beat that for luck?"

FOOTBALL.

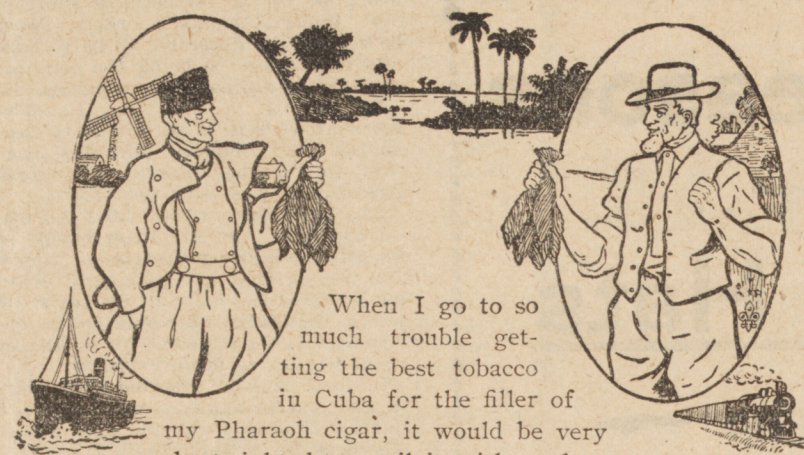

NO FOOTBALL AT ST. JOSEPH'S.

It is understood that the Holy Cross order has decided to prohibit football being played in any shape or form by the students attending their college at St. Joseph's University, situated in the province of New Brunswick, controlled by the C. S. C. Order, and students will, therefore be prohibited from indulging in that sport. It has been customary for the three universities of Mount Allison, St. Joseph's and the University of New Brunswick to play each year for the championship of this province and as result of this rule being passed, the league will be broken up. The custom was for Mount Allison and St. Joseph's to play two games each year, St. Joseph's and Mount Allison visited U. N. B. every alternate year, while once in every two years U. N. B. made a trip during which the team played the two sister Universities.

CRICKET.

THE INTERNATIONAL TEAM.

Toronto Aug. 25.—The International eleven has last been selected. No Montreal or Ottawa players are on the list. T. S. Saunders of Montreal is in Newfoundland, and Hill and Baber could not come. Hal McGivern and Ackland of Ottawa wired that they would not play. The eleven as constituted is purely a local aggregation. Lionel Yorke of

When I go to so much trouble getting the best tobacco in Cuba for the filler of my Pharaoh cigar, it would be very short-sighted to spoil it with a cheap binder and wrapper.

Of course the binder and wrapper are only about 20 per cent. of the cigar, but I do not let that small portion drop below the high standard I have set for the other 80 per cent. of my

Pharaoh Cigar.

To hold the filler together I use a Connecticut broadleaf binder. This is the best binder money can buy.

I import direct from Holland a specially selected Sumatra wrapper—a genuine, clear leaf—the finest wrapper grown.

It is this personal care which I give to every detail in the manufacture of my Pharaoh cigar that makes it such a superior smoke. It is a full flavored, palatable, mellow cigar. Price 10c.

None genuine unless branded "Pharo."

Victoria, B. C., is the only outside player on the team. Here is the team: D. W. Saunders, Toronto, captain and wicket-keeper; L. Yorke, Victoria, B. C.; F. W. Terry, F. C. Evans, W. Whitaker and S. Dyson, Mimico; E. B. Hull and J. J. Cameron, St. Simon's; F. S. Beddow, Rosedale; H. F. Lowndsbrough, Woodstock, and S. W. Mossman, Toronto. The umpire will be Fleet and the scorer A. W. Ross.
Play will begin at 11 o'clock Monday morning next.

BIG RUN GETTERS.

Four men in first-class English cricket are now within measurable distance of making 2,000 runs this season. Up to Aug. 10, Fry, with 2,020, stood alone, but Hoyward's total was then 1,855, Denton's 1,799, Noble's 1,780 and Hirst's 1,715. If Trumper is anxious to approach the record of 2,570 which he made in 1902, he will have to hasten as on Monday his total was only 1,342, twelve runs more than Clement Hill's.

In the Russian army nearly one half of the soldiers are unable to read and write. The percentage of illiterates in the German army is only 0.07.

Up to date there have been 319 statues of the Kaiser erected in Germany.

MORE DEADLY THAN FAMINE.

Neglected catarrh sooner or later causes consumption which destroys more human beings than famine and war combined. The way "Catarrh-ozone" cures catarrh is very simple. It first kills the germs that cause the irritation; then by soothing away the congestion and inflammation it cures the discharge, hawking and dropping in the throat. "I suffered so continually from nasal catarrh," writes Ernest R. Dakin of Rosemont, "that I scarcely knew what it was to be free from headache and pain over the eyes. Catarrh-ozone relieved me at once and made a thorough cure." No other remedy cures like "Catarrh-ozone"—try it for your next cold.
