

Events of a Day.

WEATHER PROBS.

The weather probs today say: North to east winds, increasing on Sunday. Fair today, Sunday, showery in some localities.

A NEW ARRIVAL.

Mr. John O'Leary of the Herald composing staff is receiving congratulations on the arrival at his home last evening of a little son.

CRITICALLY ILL.

Mr. Robert G. Wetmore, formerly deputy clerk of the peace, is critically ill from a blood cancer on his face, and his death is a question of only a few hours.

WILL REBUILD.

Mr. Jacob Lawrence, whose home was destroyed by fire at Long's Creek on Thursday, has decided to rebuild at once. His loss, not covered by insurance, will be close to \$3,000.

SUNDAY SERVICE.

Rev. J. R. Kerr of Honeybrook, New Jersey, will occupy the pulpit of St. Paul's church tomorrow.

Rev. W. Wilson of Gibson, who has returned from his wedding tour, will conduct services at the Free Baptist church, tomorrow at the usual hours.

WILL TAKE THE FIELD.

Mr. Clarence N. Goodspeed of Pennsylvania, announces that he will contest the parish of St. Marys for municipal honors at the election to be held in October. Mr. Goodspeed is one of the most progressive young farmers in the province and would undoubtedly make an excellent councillor.

DEATH AT ST. MARYS.

Mr. Jonathan Sisson, an old resident, died at the home of Mr. Wellington Boone, St. Marys, last night at the advanced age of eighty-three years. The remains will be taken to Burt's Corner on Sunday morning for interment. Undertaker Robert B. Adams has charge of the funeral arrangements.

APPROACHING WEDDING.

Mr. and Mrs. A. H. Vanwart announce the engagement of their daughter, Anna B., to George W. Massie, youngest son of Mrs. Anna Massie of this city. The wedding will take place on Wednesday, September 2, and the young couple will leave for Calgary, where Mr. Massie will enter his chosen profession of journalism.

TAX COLLECTIONS.

The amount collected in taxes by City Treasurer Golding up to last night, when the discount period expired, was in the neighborhood of \$23,000. Last year, with an assessment of \$55,000, the discount was allowed on \$35,000. As the assessment for the present year is \$60,000, it will be seen that the snowing is quite up to last year.

THEIR GOLDEN WEDDING.

The Rev. J. Gravinor and wife of Grand View, York County, will celebrate their golden wedding on Wednesday, September thirteenth. This estimable couple are well known to a great many all over this end of the province. May they live many years longer is our wish, in which all, we are sure, will heartily join.—Woodstock Sentinel.

MORTALLY WOUNDED.

A message to the Woodstock Sentinel from Bristol, Carleton Co., states that a man by the name of Cody, an expert at blasting, was it is thought mortally injured by a premature discharge of dynamite, eight miles back from the river, where the man was employed. Cody was about 40 or 45 years of age, and belongs somewhere down river. He is not known here.

LOGS GETTING SCARCE.

It is expected that rafting operations at the Douglas boom will be finished on Monday. All the logs in the boom have been disposed of except about seventy-five joints stranded on the Merrithew bar. A great many logs are stranded along the shores of the river within the boom limits, and a two foot rise of water would set them adrift.

COMPLIMENT FOR MR. BURPEE.

A Quebec newspaper printed in the French language referring to Mr. Tyler C. Burpee's position over the I. C. R. track department says: "Mr. Burpee is a true man without any attempt at 'spread'. He is a prince among men, and especially among the men in his own department. We congratulate the I. C. R. trackmen on having Mr. Burpee for a chief head."

THE GAME SEASON.

The season for shooting ducks and woodcock opens on Friday of next week, and the indications point to

fair sport. Local sportsmen already have covets of woodcock scattered out, and will lose no time getting after them when the season opens. Ducks are reported to be plentiful on the Portabella and Grand Lake marshes, although pot hunters have already been getting in their work.

THE BRIDGE PIERS.

Simmons and Burpee Have Been Awarded the Contract.

The contract for building three masonry piers for the Fredericton highway bridge, to support the two new steel spans, has been awarded by the chief commissioner of public works, to Simmons and Burpee. The amount of their tender was \$26,000. It is understood that the piers will be of granite and that work will commence next week.

Messrs. Simmons and Burpee are now building a \$36,000 wharf at Campbellton, and they are also the contractors for the Fredericton drill hall.

A BAD RUNAWAY.

A runaway accident, which came near being attended with serious results, occurred on University Avenue last evening. A Fredericton gentleman and three young lady visitors were driving down the hill from the College with a span of horses, when the neck yoke broke, causing the pole to drop. The horses started to run away and overturned the carriage in the gutter on top of the occupants. Fortunately all escaped without serious injuries, though one of the young ladies got a severe shaking up, and sustained a cut in one of her limbs, and will be confined to her room for a few days.

INTERRED AT SPRINGHILL.

The remains of the late Mr. G. Herbert Lee, whose death was announced in these columns yesterday, arrived from Boston by the noon train today, accompanied by his brother, Mr. Charles Lee. Undertaker John G. Adams and some Fredericton friends met the body at the depot and accompanied it to Springhill, where interment was made. The funeral service was held in St. Peter's church by Rev. H. Montgomery. The list of mourners included Messrs. Carleton Lee, W. G. Lee, T. C. Lee and Reginald Lee of St. John.

THE TENNIS TOURNAMENT.

The New Brunswick Tennis Association tournament at St. John, was practically finished yesterday afternoon. The majority of events were carried off by the Rothesay Club. T. McA. Stewart captured the men's singles, and he and W. S. Allison won the men's doubles. In the mixed doubles, the Rothesay Club also came out on top. W. S. Allison and Miss H. C. Robertson winning. No Fredericton players were among the winners. Miss Babbitt and Mr. C. H. Allen in the mixed doubles being defeated by Miss H. Robertson and Mr. W. S. Allison in the semi-finals.

A NARROW ESCAPE.

Woodstock Sentinel.—His Honor Judge Carleton and Mr. Payson, were driving Saturday morning behind Payson's black pony. The animal ran away, bolted across the creek bridge, and struck a building on the other side of the creek. His Honor was thrown against Smith's grocery but when picked up was found uninjured save a bad shaking up and a few bruises. Mr. Payson escaped by jumping. The judge had a close call.

Dr. Kelly, agent for Shamrock oil and other kindred remedies, has been holding forth to large crowds on Phoenix square the two nights. He gave the crowd a free show, and afterwards expatiates on the merits of the Shamrock remedies. Last evening shortly after the flood of oratory had been turned on, a fire standing near by became unmanageable, and caused the crowd to stampede. Several persons were knocked down, but nobody was injured.

THE DEAL MARKET.

Fredericton's Growing Time

How many really appreciate the fact that Fredericton is growing in importance as a commercial centre?

Daily routine is apt to spoil the prospective, just as holding a quarter up to your eye will shut out everything else. We think perhaps we see things clearer, and the rapid developments of this business fully confirms the faith we have had for some time.

We're keeping our eyes well on the future and planning for such business as Fredericton not only will need but will thoroughly deserve. We supplement our judgment with

Big investments of money
Larger plans and preparations
New and improved methods
Modern and up-to-date Facilities

In anticipation of what we believe is coming. Our intention is to give Fredericton a thoroughly up-to-date store, and what we're doing in the line of Dry Goods, Clothing, House Furnishings, etc. Others can afford to do in other directions.
