DISCOVERED YELLOW FEVER.

Southern Scourge Makes its Appearance in a Brooklyn Hospital.

New York, Aug. 17.—(Special)—The Tribune says: "What is believed to be a case of yellow fever, was found yesterday by Dr. Livingston in the Norwegian Hospital, Brooklyn."

Dr. Livingston was summoned to Brooklyn and found John G. Murphy, a laborer, violently ill.

In a lucid moment he said he came from Panama a few weeks ago. In the hospital other physicians agreed with Dr. Livingston that Murphy had a mild case of yellow fever.

The health department was notified and Murphy was placed in an isolated ward.

An effort will be made to find out what steamer he came on.

THE PEACE CONFERENCE.

Russia Yields Two More Important Points to Japan.

MR. WITTE NOT HOPEFUL OF THE OUTCOME.

Paris, Aug. 17.—(Special)—M. Matignon, states that M. Witte informed its Portsmouth correspondent that he expected to leave Portsmouth August 21. He never thought there would be a happy issue to the conference, and said he did not understand why Japan wished to continue the discussion after the delivery of the Russian reply last Saturday, rejecting the two most important clauses of the terms, namely, reimbursement of the cost of the war and the cession of Sakhalin, clauses which the Japanese themselves declared irreducible.

M. Matignon was informed by M. Matsumoto, the Japanese deputy, who accompanied the mission unofficially, that it was difficult to see how accord could be arranged. Within a few days, he said, the plenipotentiaries will have eight clauses accepted and four clauses rejected.

Portsmouth, N. H., Aug. 17.—(Special)—The peace conference began at 9.15 o'clock this morning. Five articles of the possible "Treaty of Washington" remained to be considered when the peace plenipotentiaries resumed.

Sakhalin, upon which it was found impossible to agree, which had been passed over, indemnity, limitation upon Russia's sea power, surrender of interned warships and the grant of fishing rights of littoral of the maritime provinces.

Remuneration for the cost of war, number one, was the first article to come up today. How far it will be threshed out before Russia will yield. There only remain the limitations upon Russia's sea power and the surrender of interned warships.

The final struggle is close at hand and preparations are now being made for it.

When the remaining points and possible agreement is demonstrated, then adjournment will be taken probably until Monday when the plenipotentiaries will show their last cards.

The Japanese are in closest touch with their government. They are keeping Tokio advised of every development in the proceedings.

Portsmouth, N. H., Aug. 16.—The

prospects of peace are distinctly brighter tonight. The plenipotentiaries are now laboring with a seriousness and earnestness which leave not the slightest doubt that both are anxious to conclude a treaty. Though the main points remain to be tackled and the plenipotentiaries of each side outwardly speak as if unready to give way, the conference will go to pieces, the spirit of compromise is in the air. When he returned to the hotel tonight, M. Witte, who was tired out with his hard day's work, said: "I am doing all I can for peace. Of the eight articles we have already considered I have yielded seven. No other statesman in Russia would have dared to do so much and I have done it upon my own responsibility."

Articles 7 and 8 were disposed of today, the former "in principle" the latter "unanimously," according to the official bulletins. Article 7 provides for the cession to China of the branch of the Chinese Eastern Railway running south from Harbin to Port Arthur and Dalny, and with a branch line connecting at Newchwang with the Shan-Hai-Kwan. Tientsin road. Article 8 provides for the retention by Russia of the line through Northern Manchuria which forms the connecting link of the main line of the trans-Siberian and the Ussuri railway, with its termini at Vladivostok and Harbin. From both sides The Associated Press is informed that the acceptance "in principle" of article 7 only means to be elaborated, not that a dispute still exists. But this may possibly be only a convenient method of postponing until the final struggle the acceptance of an article which could be used in the ultimate compromise. Russia by the acceptance of these two articles in connection with articles 2, 3, 4, and 6, surrenders every vestige of her ambition in Manchuria. She closes the door to the warm water ice free port of Dalny, upon which she lavished her millions, and retains only as a commercial, not as a military road, the link of the railroad connecting her European possessions with the Maritime Provinces upon the Pacific. As the right to police it with Russian troops or railroad guards is given up, and its protection will be the duty of China.

INCENDIARISM AT APOHAQUI.

Farmer Meets With Loss Through Fire

Apoahqui, Aug. 17.—(Special)—About two o'clock this morning a barn, full of hay, together with two horses and two cows, the property of Walter Burgess, were destroyed by fire. Fortunately, the wind was blowing away from the house, so it was saved without difficulty.

The loss is very heavy, as Mr. Burgess had just got all his hay in. It is estimated at \$1,000. No insurance.

The fire is believed to have been the work of incendiaries.

BAPTIST MISSIONARY UNION.

Very Encouraging Financial and Other Reports—Officers Elected for Current Year.

At yesterday afternoon's session, an outline of which has already been given in The Herald, an unusually large amount of business was transacted. Mrs. Mary Smith of Amherst, presented her annual report which showed an income of \$15,292.11 from all sources, with a balance on hand, on July 31, of \$2,754.60. The debt sheet showed that there was devoted to foreign missions \$9,050.05, to home missions \$1,350.00, to work in Quebec, Manitoba and the Northwest \$1,850.00.

Mrs. Ida C. Crandall of Chipman, gave the annual report of the work accomplished by mission hands. It showed total receipts of \$2,368.63, of which \$1,991.73 was devoted to foreign missions, and \$475.90 to home missions.

A pleasing feature of the afternoon session was the greetings tendered to the visiting sisters. Mrs. A. F. Randall extended a cordial welcome on behalf of the local aid society of the Baptist Church, in which she referred to the beginning of the movement, thirty-five years ago, Miss Beverly on behalf of the auxiliary of St. Paul's Presbyterian Church, and Mrs. F. P. Thompson on behalf of the Methodist Mission Society, extended cordial greetings to the visitors. To all of which Mrs. J. N. Gouding of Brussels Street Church, St. John, made a fitting reply.

The evening session was largely attended. Mrs. Daniel Hutchins, of St. John, gave the first address, her subject being, "Our Mission Work," in which she considered (1) Its demands upon us, (2) Our preparation for it, (3) What we may expect as results. She was followed by Miss Peck, who, in a frank and impressive manner, told of her decision to make this her life work. She was followed by Miss Mabel Archibald, who gave an admirable address on her seven years experience in foreign mission work. Miss Archibald is an eloquent speaker, and tells her audience first what they wish to know of the people among whom she labored. During the service the choir rendered appropriate music. Mrs. H. A. Brown of Chipman, rendered the solo "Come unto me," to the great delight of the congregation.

NOTES.

It is sometimes said in criticism of missions that too much money is expended in the administration of affairs. That cannot be said of the W. B. M. U., as a comparison of the cost of administration with the income of the society will show that only 2.3 of 1 per cent, is expended on executive work. That is to say for every \$1.00 received, 99 1-3 cents its way to the direct work.

Mrs. Hartley, wife of Major Hartley of Florenceville, has brought to the convention a number of cards from foreign lands. She occupies

the lady's parlors of the church, and between sessions it is filled with visitors.

Mrs. Gouding, who responded to the address of welcome, is deeply interested in mission work at home. She conducts a vigorous Chinese campaign in St. John, having in her Sunday School some thirty or more Chinamen. The Originals in Fredericton were delighted to see her yesterday.

The convention was entertained at a garden party at the home of Mrs. James G. McNally this afternoon.

THURSDAY MORNING'S SESSION.

Thursday morning's session opened with a memorial service in honor of the members of the union who passed into the beyond last year. The memorial exercises closed with an appropriate solo by Mrs. F. A. Good of Fredericton.

Miss Weyman, president of the Free Baptist Auxiliary, was introduced and gave a comprehensive account of the work in which the Free Baptist women of the province are engaged. She also conveyed Christian greetings to the convention.

Miss Eva McDorman, of Truro, secretary of the Bureau of Literature presented the annual report of that department, in which it was shown that the unions and bands make fine use of literature in carrying on their work. Special mention was made of Miss Carmichael's new book, "Things as they are in Southern India."

The finances of the bureau showed stock on hand, \$130.55 and cash \$34.00.

Miss Hume read the Home Mission report prepared by Mrs. W. P. King of Truro. Strong emphasis was laid on the importance of the sparsely scattered and new fields at home.

Mrs. M. S. Cox gave a striking and unique object lesson on the missionary life which was much appreciated by the body.

An appeal was made to the aid societies of N. B., to raise \$4,000 during the coming year.

At the afternoon session the officers for the ensuing year was appointed as follows:—President, Mrs. J. W. Manning, St. John; Vice-Presidents, Mrs. D. H. Simpson, Milltown; N. B., Mrs. David Hutchinson, St. John, Recording Secretary, Mrs. H. Everett, St. John; Corresponding Secretary, Mrs. M. A. Chubbick, Treasurer, Miss G. B. Smith, Amherst; Treasurer, Mrs. Ida Crandall, Chipman.

Provincial Secretaries.—N. S. Miss Emma Howe, Dartmouth, N. B., Mrs. M. S. Cox, Annapolis, Mrs. A. A. Wadman, Charlottetown.

At the evening session addresses will be given by Mrs. Emma Estey, formerly of Fredericton, now of Wolfville, and Rev. H. F. Ladham from the Ontario mission board to India.

FARRIS—KEIRSTEAD WEDDING.

Brilliant Nuptial Event at Wolfville in Which Son of Hon. L. P. Farris Was a Principal.

Wolfville, N. S., Aug. 17.—A brilliant social event of much interest to a large circle of friends, took place, in the Wolfville Baptist church last evening, when one of Wolfville's fairest daughters, Miss Evelyn Fenwick Keirstead, a graduate of Acadia in the class of '98, eldest daughter of Rev. E. M. Keirstead, D. D., formerly professor English at Acadia University, and now of McMaster University, was united in marriage to J. Wallace DeB. Farris, Acadia, '99, barrister at Vancouver, B. C., son of the Hon. L. P. Farris, of White's Cove, N. B.

At eight o'clock the church was filled with the many friends of the bride and the guests, which included the faculty of Acadia and their families, the immediate relatives and the intimate friends of the bride and groom.

The bride, who looked very handsome in an exquisite white satin gown en train, with veil, carrying a bouquet of white sweet peas, entered the church, which was artistically decorated with a great profusion of fragrant sweet peas, on the arm of her father, and to the strains of Lohengrin's wedding march, played by Miss Lillian Strong, passed up the aisle and took her place beside the groom.

She was preceded by her class mate Miss Carrie W. Blair, Acadia, '98, of this town, in a pretty gown of white basiste, with white hat, as maid of honor, and her young sister, Miss Francis Parker Keirstead, in a dainty dress of soft, white silk. She was accompanied by her brother, Master Ronald McNeil Keirstead, who stood at the left of the bridal couple.

The groom was attended by his brother, Hugh A. Farris. The ushers were, Charles F. Crandall of the St. John Star, Acadia, a class mate of the groom; Frank Chipman, Acadia, a class mate of the bride;

Bruce M. Farris and Wendall B. Farris, brother of the groom.

The ceremony was performed by the bride's father, Dr. Keirstead, assisted by the Rev. L. D. Morse, pastor of the church.

The wedding party left the church to the glad strains of Mendelssohn's processional march and repaired to the residence of Dr. Keirstead on Acadia street, where a brilliant reception was given in honor of Mr. and Mrs. Farris, who received the congratulations of their friends.

Among the guests were Hon. L. P. Farris and Mrs. Farris, Col. H. H. McLean and Mrs. McLean, St. John, Dr. Hay, Chipman, N. B.; George H. Sharp, Boston, and Miss Bernice McLeod.

After a pleasant social hour dainty refreshments were served by young lady friends of the bride, Miss Edith Rand, Acadia, '03; Miss Hattie Strong, Acadia, '06; Miss Hilda Tufts of Wellsley; Miss Alice Strong and Mrs. Lina Kirkpatrick, assisted by the ushers.

The happy couple were then driven to a neighboring town, where they took the morning train for St. John, and will spend a few weeks at the home of the Hon. L. P. Farris, White's Cove, after which they will proceed to their home on Daire St., Vancouver, B. C.

The bride's going-away was a blue silk shirt waist suit, with hat to match. Many handsome and valuable presents were received, including checks from members of the family, and pieces of valuable jewelry.

The bride's present to her maids were a pearl pin to Miss Blair and an opal ring to Miss Keirstead. The groom presented pearl pins to the ushers. The bride's present from the groom was an exquisite brooch of pearls and opals.
