RESENTMENT AT TOKIO.

Citizens of Japanese Capital Displeased With
Peace Treaty.

HOOTING MOBS THAT HAD TO BE DISPERSED BY
POLICE.

They Attacked and Damaged Government Newspaper
Office.

Tokio, Sept. 6.—(Special)—The first turbulence attendant upon popular anger over the terms of peace arranged with Russia, took place today.

A mass meeting to protest against the action was called to take place at Hibiya Park and the metropolitan police attempted to prevent the assembling of the people. The municipal authorities protested against the action of the police, finally the gates were thrown open and a large crowd gathered and voted in favor of resolutions declaring the nation humiliated and denouncing the terms upon which the treaty of peace was arranged.

The crowd was serious in its conduct rather than angry and the police handled it discreetly.

The gathering dispersed in an orderly manner.

Later on, however, a crowd at tempted to hold a meeting in Shinjomi Theatre, and the police dispersing it.

A portion of the crowd proceeded to the office of Kokumen Shinbun, the government organ and began hooting.

Employees armed with swords appeared at the doors and checked the crowd, and the police again dispersed it.

It was thought that the trouble had passed, when suddenly some of the crowd made a rush at the building, hurling stones, and damaging some of the machinery.

Several persons were injured during the attack, but the police eventually cleared the streets, and arrested a number of the rioters.

The disorder was not general and the situation not serious.

Similar meetings were held at Osaka, where the government was asked to resign.

The general sentiment throughout the country seems to favor reactionary measures, but it appears clear that the majority of the people will eventually accept the result of the peace conference however disappointing it may be.

TELEPHONE QUESTION.

Coun. Grosvenor Makes an Explanation
in Regard to Union Company

To the Editor of The Herald:

Sir.—In your issue of Saturday, Sept. 2nd, inst., you report an interview with Senator Thompson in regard to matters concerning the Telephone Company, of which he is managing director.

This interview came about through the talk caused on account of the action of Senator Thompson, as managing director of the N. B. Telephone Company, in placing poles in Government Lane at the west end of the city, on Friday last, Sept. 1st, said poles being set on the left side of the road going up, in direct line with those of the Union Telephone Company, which come to the city limits.

Senator Thompson has been quoted as saying in extenuation of his action in having poles so hurriedly placed, that it was with a view of giving connection for the Union Telephone Company, and bringing the business Union Co., into the Fredericton Exchange of the N. B. Telephone Co.

Now, at a meeting of the directors of the Union Telephone Company held in June last, it was unanimously decided to extend the Union Telephone Company's lines to Fredericton, and at a later date, to ask permission from the mayor and aldermen of the city to enter the city with their wires.

No proposition has ever been made to the Union Company by Senator Thompson, though he may very lately have written Senator Baird (who is one of the directors) in regard to this matter.

It has not been at any time the purpose of the Union Telephone Company to enter Fredericton except with the permission of the civic authorities and on its own wires.

Senator Thompson must know that the Union Company could not act on a proposition from his company without a majority of the directors assenting, and he further knows that it was unwise for him to first set those poles in Government Lane and then try to construe it as an act friendly to the Union Company.

Publication is asked for this letter in justice to a large number of stockholders of the Union Company throughout York County and elsewhere, to whom Senator Thompson's statements come as strange news.

Before closing, I would say that it is the intention of the Union Telephone Company in the near future to come before the mayor and aldermen of the city of Fredericton, and ask for permission to bring their wires into the city.

The fullest particulars of the Company and its works will be laid before the authorities.

I remain, sir,

your obedient servant,

H. F. GROSVENOR,
Supt. Union Telephone Co.,
York County.

Miss Carrie S. Everett, who has been visiting relatives here for a short time, left this morning for Boston.

BRILLIANT SOCIETY WEDDINGS.

Nuptials of Rev. George D. Ireland of Woodstock and
Miss E. C. Winslow

Other Events at Coaticook, St. John and Halifax.

A wedding which has been looked forward to by Fredericton society with more than usual interest was solemnized at Christ Church Cathedral at 3.30 o'clock this afternoon in the presence of a large gathering of people. The contracting parties were Rev. George D. Ireland, the popular and able pastor of St. Paul's Presbyterian Church, Woodstock, and Miss Elizabeth Caroline, eldest daughter of the late Mr. E. Byron Winslow, K. B. The ceremony was performed by Rev. T. W. Street, sub dean, assisted by Rev. Canon Roberts. The bride was attended by her sister, Miss Marguerite Winslow, and Miss Lenore Allen, while Rev. Dr. D. J. Fraser of the Presbyterian College, Montreal, was best man. The ushers were Messrs. D. B. Winslow, C. H. Allen and F. E. Winslow.

The wedding was undoubtedly one of the most brilliant ones seen at the Cathedral for a number of years. The stately edifice was very tastefully decorated with cut flowers and potted plants, the work having been performed by young lady friends of the bride under the direction of Miss Ada Schleyer.

Punctually at the appointed hour the bridegroom, accompanied by his best man, entered the church and took his place in front of the altar. The bride arrived a few minutes later, leaning upon the arm of her brother, Mr. J. A. Winslow, who gave her in marriage, and preceded by her bridesmaids. Instantly the buzz of conversation ceased, and all eyes were strained to catch a glimpse of the bride as she moved slowly and gracefully up the aisle.

The bride looked very charming in white crepe de chene over white satin, with trimmings of boniton lace. She wore a white bridal veil, with orange blossoms and carried a shower bouquet of white roses and lilies of the valley.

Miss Marguerite Winslow, the first bridesmaid, was costumed in white silk with lace coat and white pome velvet hat. She carried a bouquet of white carnations.

Miss Lenore Allen wore white silk with lace trimmings and white beaver hat with ostrich feathers. She also carried a bouquet of white carnations.

The full choir of the Cathedral was present, with Prof. F. B. Powell presiding at the organ, and during the beautiful and impressive ceremony, rendered with splendid effect the hymns "The Voice That Breathed O'er Eden," and "Oh, Perfect Love."

At the conclusion of the ceremony, the bridal party left the church to the strains of Mendelssohn's wedding march, and with the invited guests, who included only relatives and intimate friends, proceeded to the beautiful home of the bride's mother, Church Street, where a reception was held.

The bride, who is one of the most charming and popular of Fredericton's young society women, was the recipient of a magnificent array of bridal presents in cut glass, silverware, etc. Her gift from the bridegroom was a gold locket and chain set with pearls which she wore during the ceremony. The bridegroom's present to each of the bridesmaids was an initialled pearl pin.

Rev. Mr. Ireland and his beautiful and accomplished bride will leave by

the 5.30 train this evening on a honeymoon trip to the upper provinces. Upon their return at the end of a fortnight they will take up their residence at Woodstock.

The bride's going away dress is of grey homespun with white silk waist, and black chenille hat.

The Herald heartily unites with the many friends of the worthy young couple in wishing them every happiness and prosperity.

GUTHRIE-SMITH.

A brilliant society wedding took place at St. John this afternoon at 3.30, when Miss Amy Gordon Smith, second daughter of Mrs. Geo. F. Smith, was married to Norman Guthrie, a popular young barrister of Ottawa.

The ceremony was solemnized at the Stone Church, and that edifice was crowded with the guests and friends of the bride, among the former being her uncle, Rev. Principal Gordon, of Queen's University, Kingston.

The bride was attended by her sister, Miss Leslie Smith, Miss Westbrook, Miss Harrison and Miss Guthrie, while Mr. McCann supported the groom.

The ushers were Alex. McMillan, Guy Robinson, W. H. Harrison, A. Chipman, St. Stephen and Herbert Adams, of New York.

The ceremony was performed by Rev. Gustav A. Kuhring, the rector, and the choir, under the direction of the organist and choir master, D. Arnold Fox, rendered music appropriate to the occasion.

After the ceremony luncheon was served, after which the happy couple will leave for a wedding tour to the United States. On their return they will reside in Ottawa.

SWELL HALIFAX EVENT.

Miss Silver Become the Bride of an Ottawa Civil Service Official.

Halifax, Sept. 6.—(Special)—A fashionable wedding took place at St. Paul's Episcopal church this afternoon, the contracting parties being Margaret S., daughter of W. N. Silver, and T. H. Cooper Bovill, a prominent citizen of Ottawa, where he holds an important position in the finance department.

The ceremony was performed by the rector, W. J. Amisage, attired in a beautiful dress of white satin. The bridesmaids were Miss Elsie Silver, and Miss Blanch Smith.

The presents were of a most costly nature, and came from New York, Halifax, Montreal, Toronto and England.

The groom upon his departure from Ottawa was presented with a handsome silver tea set by the officials of the finance department.

Among the guests present at the wedding was Rev. R. G. Bovill, of New York, brother of the groom accompanied by Mrs. Bovill and the groom's sister, Miss Bovill of Ottawa.
