

HACKS WIFE WITH AXE.

Terrible Deed of Insane Old Man.

HEAD AND SHOULDERS OF THE WOMAN COVERED WITH WOUNDS AND HER HANDS CHOPPED TO PIECES.

Vancouver, B. C., Sept. 2.—Renowned practically insane by giving way to his own rage and ill-temper, old man Mavis of Langley, a little agricultural settler on the Fraser River, is now in the lunatic asylum at New Westminster, after making a murderous attack upon his wife. The couple are 85 and 75 years of age, respectively, and it is not the first time during their long married life that Mrs. Mavis has had cause to fear her husband's violence. It was late at night that the homicidal mania seized Mavis this last time. Grasping an axe, he made for the terrified woman, who fled from the house and took refuge in a ditch. Meanwhile the cries of Mrs. Mavis attracted the attention of two neighbors, Messrs. Coulter and Allen, who ran to the spot, to be confronted by a horrible spectacle. Mavis was striking his wife repeatedly with the axe. Her head and shoulders were

covered with wounds, and her hands were hacked to pieces, the rings she wore being cut in two where the axe had struck them as she tried to protect her head. Mavis, as soon as he saw Coulter and Allen, ran to the house. Allen cared for the poor woman as best he could, while Coulter roused the neighborhood. Mavis was secured and later taken to the asylum, while his poor wife was conveyed to the hospital.

Considerable comment is being made upon the peculiar attitude of the provincial police, who so delayed action that the residents themselves had to become constables for the time being and effect the arrest of Mavis who was only overpowered after putting up as much of a fight as his great age permitted. Mavis was released from the asylum but a few months ago, where he had been confined after making a similar attack on his son.

BROKEN SLEEP—TIRED NEXT MORNING.

Sleep not only rests, but builds up the body. Cut down the hours of sleep, and you cut down health in the same proportion. Rebuilding then ceases, nerves go to smash, you grow tired, weak and wretched. To restore sleep you must get more bodily strength, more nutritious blood, healthier nerves. Ferrozone solves the whole problem, makes you sleep soundly, gives endurance, vim, ambition. No more morning weakness—instead the fire of youth will run in your veins, supplying abundance of energy and vigor. Witchery expresses the instant effect of Ferrozone; try it.

ROMANTIC STORY FROM BERLIN

A romantic story is being eagerly discussed in Berlin artist circles. A year ago a beautiful young woman presented herself at the studio of a well-known portrait painter in the west of Berlin and offered herself as a model. She explained that she was the daughter of an impoverished Austrian noble, and had adopted this means of earning a living. Her offer was accepted, and the model's head figures in several of the artist's pictures.

Suddenly she disappeared, and the artist heard nothing more of her till this summer, when he recognized her as one of two elegantly-dressed women at a table d'hôte in Kissingen. Introductions followed, and the lady explained that in her distress she had endeavored in vain to find a post in Berlin as a companion, and the occupation of a painter's model appeared to be the only resource. Her mother, a baroness, had unexpectedly inherited a large fortune, and had returned to the family estates. The engagement of the painter and his model is now announced.

SELL YOUR COLD FOR \$1.

You surely won't stop at a dollar bill to cure that horrid, sniffeling cold? Go to any druggist and get "Catarrhzone," and your cold will be a thing of the past. There is almost witchery in the swift way Catarrhzone kills colds. But when you consider the penetrating, healing and antiseptic qualities of Catarrhzone, perhaps it's not so wonderful. Certainly there is no remedy half so prompt for colds and catarrh as Catarrhzone. Refuse a substitute and insist on having "Catarrhzone."

CZAR LEADS SIMPLE LIFE.

Is Fond of Playing Tennis and Driving and Romping With His Children.

St. Petersburg, Sept. 1.—The life the czar is now leading at Peterhof is most quiet and simple, and his Majesty is always in the best of spirits. It is true that since the incident of the cannon shot at the ceremony of the blessing of the Neva in January last, he has been little better than a prisoner in his palace.

But there is little in his conversation or manner to indicate that he finds life there irksome.

When not engaged in the affairs of government, he is very often to be seen in an automobile, and generally drives himself. He spends, moreover, a good deal of his time playing tennis, and his enthusiasm for the game was shown the other day in an amusing fashion.

The court dentist had come to examine the teeth of the Empress, and the czar during the brief interview appeared three times to ask her Majesty if she was not yet ready to continue playing.

The czar is also fond of making little excursions with his family to the neighboring Castle Ropscha. He generally takes his son and the little Princesses with him in his motor car, the Empress accompanying them on horseback.

THEIR WESTERN TRIP.

Sir Wilfrid Laurier Receiving Lots of Advice.

Swift Current, N. W. T., Aug. 30.—Fine weather continued today to favour the western progress of the Government party now en route to Edmonton for the Provincial inauguration. The party awakened in the Indian Head region, in the midst of the Assiniboia wheatfields, which were at their richest. The grain was cut. Tall stems and heavy heads gave promise of an abundant return.

The train stopped two hours at Moose Jaw, during which Earl Grey and Sir Wilfrid Laurier visited the public school and addressed the scholars. Many residents spoke with their distinguished visitors, whose unaffected manners made a favorable impression on the unconventional west. Sir Wilfrid heard lots of free advice on how to run the western country.

In the afternoon the run was through the ranching country. One incident was a stop in the wilderness

AGONY AFTER EATING.

Dr. Williams' Pink Pills Cure the Worst Cases of Indigestion.

"I suffered so much with indigestion that my life had become a burden," says Miss Nellie Archibald, of Sheet Harbor, N. S. "Every time I took even the lightest meal it caused me hours of agony. The trouble caused a choking sensation in the region of my heart, which seriously alarmed me. My inability to properly digest my food, left me so weak and run down that I could not perform even the lightest housework, and I would tire out going up a few steps slowly. I sought medical aid, and tried several medicines, but without getting the least benefit. My sister, who lived at a considerable distance, and who had been an invalid, wrote us about this time that she had been cured through using Dr. Williams' Pink Pills, and this decided me to give them a fair trial, practically as a last resort. In the course of a few weeks there was a notable change in my condition, and I began to relish my meals. From that on I began to gain new strength, and by the time I had used seven boxes, all signs of the trouble had vanished, and I was once more enjoying good health, and I have not since had any return of the trouble."

Dr. Williams' Pink Pills cure indigestion, because they make the rich red blood that brings tone and strength to the stomach. Nearly all the common ailments are due to bad blood, and when the bad blood is turned into good blood by Dr. Williams' Pink Pills, the trouble disappears. That is why these pills cure anaemia, dizziness, heart palpitation, general debility, kidney trouble, rheumatism, sciatica, lumbago, and nervous troubles, such as neuralgia, paralysis and St. Vitus dance. That is why they bring ease and comfort at all stages of womanhood and girlhood, and cure their secret ailments when the blood supply becomes weak, scanty or irregular. But you must get the genuine pills. Substitutes and imitations which some dealers offer never cure anything. When you buy the pills, see that the full name Dr. Williams' Pink Pills for Pale People is printed on the wrapper around each box. Sold by all dealers or sent by mail at 50 cents a box, or six boxes for \$2.50, by writing the Dr. Williams Medicine Co., Brockville, Ont.
