A HERO THIS.

**Brave Rescue Made by Young Scotchman,
 Near Truro, from Swirling Cobequid Tides.**

Truro, N. S., July 18.—An exceedingly narrow escape from drowning both had gone under. Higgins in the occurred near the Board Landing Bridge at Truro last night. Incidental thereto was an exhibition of bravery on the part of a young Scotchman whose name your correspondent could not ascertain. He is employed by Dexter McNutt. Another named Everett Brown also exhibited self-sacrificing conduct. Fred Higgins, and four others were bathing. Higgins got beyond depth and was rapidly floating down with the tide. The Scotchman went after and caught hold of him but was himself in danger, and let go to avoid being suffocated by the struggles of Higgins. He also floated out of range, and Brown went after him, succeeding in getting him ashore after both had gone under. Higgins in the meantime sank but floated into shallower water, and for several minutes lay submerged. His friends finally secured him and brought him to shore. His condition was such that the most strenuous efforts were necessary to revive him. Finally fearing the shock too great, he was placed in a wagon and brought to Truro, and given attention by Dr. Kent. The latter states that Higgins had but a small chance for recovery when brought to his office. All who witnessed the rescue state that Brown and his Scottish friend are entitled to the greatest praise for their heroism.

N. B. MEDICOS.

**Business of Annual Meeting Finished Last
 Evening—A Pleasant Excursion.**

The twenty-sixth annual meeting of the New Brunswick Medical Society was brought to a close at eleven o'clock last evening. The meeting was a profitable one and all thoroughly enjoyed their visit to the city. At the afternoon session officers were elected for the ensuing year as follows:
 President—Dr. Stewart Skinner, St. John.
 1st Vice-President—Dr. J. W. Bridges, Fredericton.
 2nd Vice-President—Dr. G. C. Main, Edmundston.
 Secretary—Dr. Day, St. John.
 Treasurer—Dr. Melvin, St. John.
 Corresponding Secretary—Dr. J. L. Nugent, St. John.
 Trustees—Dr. J. D. Deacon, Milltown, G. J. McNally, Fredericton, C. T. Purdy, Moncton.
 The annual report of the council of physicians and surgeons was presented by Dr. Skinner and adopted after a brief discussion.
 St. John was unanimously chosen as the next place of meeting.
 At four o'clock the meeting adjourned to take part in an excursion and picnic on the river as the guests of the local medicos. The tug Fanchon, Capt. Duffy, was chartered for the occasion, and left the normal school wharf at 4.30 with a merry party of ladies and gentlemen on board numbering about fifty. She steamed up river as far as Camp Idylwyld, where after some difficulty a landing was effected. Mr. Charles Williams was in charge of the camp, and served an excellent tea on the lawn. Before embarking for home short addresses thanking the local physicians for their hospitality, were delivered by Drs. Gaudet and McInerney. The return trip to the city was made without incident, the party disembarking at nine o'clock. The medicos held another session after their arrival and finished up the business.
 Dr. Mullin read a report on a case of twin pregnancy, complicated with placenta praecia, which was listened to with much interest and briefly discussed.
 Dr. W. H. Irving of this city contributed a paper on chronic bilateral salpingo oophoritis with multiple adhesions. He handled his subject in a manner which went to show that he had given it much careful thought. The case was one treated by the doctor in his private practice and a complete recovery was the result.
 Dr. Butler of MoAdam read a paper on smallpox, which was discussed by Drs. Fisher, Weaver, Mullin, Main and Deacon.
 A vote of thanks was extended to the mayor and city council for the use of the council chamber, another to the local physicians for the entertainment provided, and another to the press for publishing reports of the proceedings.
 The secretary was voted \$20 for his services and a donation of \$5 was made to the janitor of the opera house.
 The following additional members registered Tuesday afternoon:
 Dr. W. C. Crockett, Fredericton.
 Dr. B. M. Mullin, St. Mary's.
 Dr. P. E. Butler, MoAdam.
 Dr. Lorenzo Chapman, Boiestown.
 Dr. J. P. McManus, Blackville.
 Dr. W. S. Loggie, Chatham.
 Dr. M. MacLaren, St. John.
 Dr. P. R. Inches, St. John.
 Dr. Thomas Walker, St. John.
 Dr. A. G. Addy, St. John.
 The visitors left for their several homes by boat and train this morning.

LIGHT IN BULL'S EYES.

**Flashed by Boy of Twelve Years
 Saved His Father's Life.**

Wilmington, De., July 18.—(Special.)—Representative Timothy E. Townsend, a well known Union Republican member of the Delaware legislature, owes his life to the presence of mind of his twelve year old son, Fred. It was learned today that when an infuriated bull attacked the legislator on his large farm near Frankford and was going him, the son seized a new tin milk pail, and as the sun was shining brightly, threw its reflection, which was similar to a ball of fire, into the bull's eyes. The animal became terror-stricken and fled from the enclosure. Mr. Townsend is badly injured, but will recover.

A HALIFAX WEDDING.

**Newspaper Man Has the Courage to
 Lead a Bride to the Altar.**

Halifax, July 18.—(Special.)—The marriage took place at 11.30 today at the residence of the bride's father, of Miss Daisy Gue, daughter of Mr. T. R. Gue, president of the Acadia Powder Co., and R. M. Hattie of the Maritime Merchant.

THE STOCK MARKET.

Montreal, July 18.—(Special.)—Except for a goodly number of sales of Montreal Power at 96 1/2, the stock market was again quiet today.

THE FLEET HAS GONE.

**Visiting Yachts Took Their Departure
 at 2.30 this Afternoon.**

The Royal Kennebec Yacht Club which has been in port since noon yesterday, weighed anchor at two o'clock this afternoon and on the return trip to St. John. The squadron was favored with fine weather and a stiff breeze from the west, which sent them scudding along at a good rate of speed. Most of the larger craft were able to make the draw of the railway bridge without tackling and in the meantime they should reach Gagetown by dark. The flagship, Sciounda, which gave the signal to the fleet to depart, was the last to weigh anchor and pull out.

The jolly yachtsmen, although their stay was all too brief, thoroughly enjoyed themselves while here and added to their list of friends. They always regard their visit to Fredericton as the feature of the annual cruise and this year was no exception. Their return one year hence will be eagerly looked forward to.

THE HOT WAVE.

The hot wave which struck the city during the latter part of last week, is still hovering about somewhere in this vicinity. Mr. C. Fred Cheatum, the enterprising druggist, has lately placed an up-to-date thermometer in front of his establishment and takes the temperature each day at three p. m. Following is the record since Friday last:

Friday	87
Saturday	81

DEDICATED TO GOD.

**Handsome New Church at St. Mary's Scene
 of an Impressive Service.**

Today will long be remembered as a red letter day in the history of St. Anthony's Roman Catholic congregation at St. Mary's Ferry, as it marked the completion and dedication with solemn and impressive ceremonies of their handsome new church.
 Probably the largest congregation ever gathered at St. Mary's was present, including many visiting priests and a congregation which represented all sections of the parish and included many from outside places throughout the province.
 The clergy and attendant altar boys formed a procession marching around the church chanting the vespers, all the people kneeling.
 The Bishop and priests then entered and blessed the interior, after which the public were admitted and grand pontifical mass was celebrated by his Lordship Bishop Casey. Rev.

the Bishop, this being His Lordship's first official visit to the parish.
 Mr. Peter J. Hughes, B.A., read the address, which was as follows:
 To the Right Rev. Timothy Casey, D. D., Bishop of St. John.
 My Lord—We are happy today to welcome Your Lordship among us, together with the priests of the Church, who have honored St. Anthony's with their presence and who have come to assist at the dedication of this new temple to the worship of the eternal God.
 It is not many years since the ground was first broken for the erection of a Catholic Church in this parish, then newly formed. Many thought the task so sparsely inhabited, and so poor in worldly possessions, but a humble Church was built, which in time, became inadequate. A new

 The music was the subject of favorable comment and was certainly of high order. The organist was Rev. Father Robichaud of Fox Creek, and the choir consisted of visiting priests.
 Father Gannon of Montreal preached the dedicatory sermon, which will be found elsewhere in this issue. His remarks were listened to with interest by the large congregation present.

ADDRESS TO THE BISHOP.

**His Lordship Presented with the
 Felicitations of St. Anthony's
 Parishioners.**

At the conclusion of the mass, an address was presented to

THE BISHOP'S REPLY.

Bishop Casey replied thanking the people of St. Mary's parish for their kind words. He congratulated the pastor and congregation of Saint Anthony's on the completion of the church, which he said gave him great pleasure to dedicate.
