PROSPEROUS ORDER.

Annual Meeting of New Brunswick Free
Masons Opens at St. John--Synopsis
of Grand Master's Address.

St. John, Aug. 28.—(Special.)—The annual session of the Grand Lodge of Free and Accepted Masons of New Brunswick opened at the Masonic Temple this afternoon, Grand Master Edwin J. Everett in the chair, with a large attendance of officers and members.

The Grand Master, in welcoming the members of the Grand Lodge to the thirty-ninth annual communication, congratulated them on the continued prosperity of the Grand Lodge and the fraternity throughout the province.

He informed them that since the last session the balance of bonds issued to pay for stock in the Masonic

Hall (having several years to run) had been paid off, leaving ample funds in the treasury for all requirements. The Grand Master spoke feelingly of the death of five members of the Grand Lodge who died during the past year. Brothers Rev. Francis Partridge, D. D., and James D. Fowler, both of Fredericton, Frank W. Humphrey of Hampton, Robert Morrison of Sussex and Thomas Cochran of Salisbury.

He also made a full report of all official acts during the year, including the opening of new lodges and official visits to private lodges, all of which he found prospering.

The election of officers takes place this evening.

THE HIBERNIANS.

Provincial Convention Opened at Halifax--Procession
to Mass Said by Archbishop-Elect McCarthy.

Halifax, Aug. 28.—(Special.)—The provincial convention of the Ancient Order of Hibernians opened this afternoon with a large attendance.

The special train from St. John, bringing most of the New Brunswick delegates and a party of excursionists in all numbering about 400, arrived in the city at midnight, but a number of the delegates came in on the regular train some hours earlier.

This morning the delegates and the local division marched in procession to St. Patrick's Church, and made fine display.

The procession was a very attractive one, and the uniformed knights from New Brunswick, thirty strong, made a particularly fine appearance and marched well. Their uniforms were of dark blue cloth with silver sword belts and straps, buttons and shoulder straps. The plumes of the hats were of white and green.

Nearly all in the procession, excepting those in uniform, wore black clothes, silk hats and white ties and gloves.

Although it rained heavily in the

early morning the weather became fine and warm by the time the procession started.

At the church mass was conducted by Rev. Dr. McCarthy, archbishop-elect of Halifax, and the sermon was preached by Father McManus, chaplain of the local division.

After the service the procession was reformed and marched to A. O. H. Hall where the delegates were given a hearty welcome to the city by Mayor McCreith.

This afternoon the convention opened as did also the meeting of the Ladies' auxiliary, the latter at St. Mary's parish hall.

The Knights of Pythias whose hall is in the same building as the A. O. H. placed their hall at the disposal of the A. O. H. for the auxiliary meeting, but it was thought to be too small.

It is expected that the convention will have finished its business Wednesday night but a concert and dance at the A. O. H. Hall has been arranged for Thursday night for delegates remaining over.

Methodists Holding Denominational
Gathering at Gibson.

The Fredericton Methodist District began its sessions last evening in the Gibson Methodist Church. The opening service was conducted by the chairman, Rev. J. C. Berrie, of Gibson, and a sermon, timely in its thought, forceful in utterance, containing many very eloquent passages was preached by Rev. J. W. McConnell of Fredericton. This was followed by a short evangelistic service conducted by Rev. Mr. Ramsay of Boiestown.

A public service in which many ministers will take part, is to be held this evening. To all the services the public is cordially invited.

St. John, Aug. 28.—(Special.)—The St. John county court opened this morning, Judge Forbes presiding. The grand jury found true bills against Elai Salay for criminal assault on Mrs. Michael Shannon, and against John and James Kerygan for aggravated assault on Christopher Brothers in the harbor. The Grand Jury will further deliberate in case of King vs. James O'Brien for theft.

CUBAN REBELLION.

Government and Insurgent Forces Met in
Battle and Latter Were Defeated.

Havana, Aug. 27.—At the moment yesterday when the government was issuing its proclamation offering pardon to rebels who would lay down their arms, its forces were dealing the most telling blow that has yet been struck against insurgents in the field.

For several days it has been stated that General Guzman's force of insurgents, which was variously estimated at from 200 upwards, contemplated an attack on Cienfuegos. Colonel Valle, with a detachment of rural guards and volunteers, was dispatched to Cienfuegos for the purpose of engaging Guzman and breaking up the bands. The encounter of the two forces yesterday resulted in the worst disaster which the insurgents have sustained up to this time. They lost 17 men killed and many wounded, while the loss of the government force was one man killed.

The insurrection seems in a shaky condition, although the end may not be as near as members of the government profess to believe. Ex-Congressman Faustino (Pino) Guerra, th insurgent leader operating in the province of Pinar Del Rio, in a signed statement telegraphed to the Associated Press last night declare that he is as determined as ever that the last presidential election shall be annulled before there can be peace in Cuba. That Guerra's force of 2,000 men is well armed and supplied with ammunition and food is amply verified. Their lack of money, but the people of the western part of Pinar Del Rio are furnishing them with all the supplies needed, taking in return therefore orders on the Cuban government, and in many cases, refusing to accept any consideration.

OFFER OF AMNESTY.

The government's offer of amnesty which was issued yesterday afternoon, is variously received. It is impossible to say what effect it will have on those to whom it is addressed.

Alfredo Zayas, president of the senate and leader of the Liberal party, stated last night, in his opinion as a lawyer, Secretary Montalvo could not legally issue such an order, for the constitution provides that only the president may make such a proclamation.

tion, which must be countersigned by some member of the cabinet.

Secretary Montalvo, on the contrary, said to The Associated Press that the offer of clemency was issued by the direct order of President Palma and also gazetted officially. The foreign element, including many Americans, criticize the offer of amnesty as a weak and disappointing action, showing a desire for peace at any price and a willingness to sacrifice the possibility of a future security to a present expediency.

Secretary Montalvo's order does not provide for the relief of alleged conspirators who are now in jail in Havana, and the question has arisen as to what shall be done with them.

A considerable number of insurgents are known to be returning quietly to their homes in the province of Havana and in the eastern part of the province of Pinar Del Rio. In the western part the latter province the situation remains unchanged. Guerra knows nothing of the Montalvo order and if he does it is altogether unlikely that it would affect his course materially. The district in which he is operating is inhabited by Liberals who are practically all tentative if not active sympathizers with the insurrection.

Tien, too, Guerra has hilly fastnesses to which he retires nightly and from which it will be practically impossible to rout him. A favorable feature of the situation in Pinar Del Rio is that Guerra will not fight if he can help it. He intends, he says, to remain out indefinitely to protest against the subservience of the Palma administration.

The Associated Press is reliably informed that Asvert's force, the main insurgent body now in the province of Havana, amounts to 150 men and there are not exceeding 100 more in small parties. The eastern part of the province of Pinar Del Rio is practically unprotected, but there have been only petty depredations there by small bands.

There is some question whether the Santa Clara bands called Mendieta's party, were actually commanded by the captured leader, but undoubtedly he was with them most of the time. The Matanzas insurgents, but little figure and eastern Cuba remains quiet.

PYTHIAN GRAND LODGE.

Annual Convention of the Order in
Progress at St. John.

St. John, Aug. 28.—(Special.)—The Knights of Pythias grand lodge opened this morning. Owing to a delay in preparing reports, it was about 10.45 before the Grand Chancellor Ganter called the meeting to order.

All the officers were present and the total attendance of representatives was about 60.

Following the opening ceremonies reports of various standing committees were taken up.

The reports of the grand chancellor, G. K. R. and S. G. M. of E. and the grand trustee were, on motion, referred to the committee on distribution.

The committee on returns and credentials submitted a report, which was ordered to be printed on the minutes. The following past chancellors were given grand lodge rank:

W. C. Bowden, C. T. Jones, R. M. Bartsch, St. John.
D. A. McBeath, Moncton.
E. C. Thomas, St. Stephen.
W. B. Wilson, Alex. McKenzie, Amherst.
H. A. Porter, Halifax.
John H. Trapper, Parrishboro.
S. J. Soley, W. W. Hatfield, Port Greville.
John L. Godkin, Charlottetown.
H. Chase, Frank Wilson, Truro.
Andrew Roy, J. J. Dooley, Westville.
Wm. D. Chisholm, New Glasgow.
J. J. Brooks, C. C. Rogers, Perth.

The supreme chancellor was then admitted and introduced to the members of the grand lodge.

He was accompanied by supreme representatives F. A. Godsoe and LeB. Wilson, Past Supreme Representatives, James Moulson and W. C. H. Grimmer and Supreme Representative Powers of Quebec.

The head of the order was received with supreme honors and addressed the assembled knights.

He delivered a very eloquent speech dealing with the fraternal relations of Americans and Canadians speaking of the greatness of Canada and dealing at length with Pythianism and its growth.

He exemplified the secret work of the order. This afternoon there was an inspection of the Uniform Rank, after which the Knights had an excursion on the river. This evening there will be a banquet at the York Theatre.

CUT HORSE'S LEGS OFF.

Brutal Act of Vengeance at Gladstone
Man.

Gladstone, Man., Aug. 28.—(Special.)—Early yesterday morning some party or parties entered the barn of E. Bowman, veterinary surgeon, of this place, and chopped the hind legs off of his horse, which stood in the stall. Dr. Bowman had been called to Plumas and returned by train, arriving about eight o'clock. On going to the stable he discovered the animal. So completely was the work done that the detached parts hung only by the tendons midway between the hoofs and hocks.

Mrs. Bowman heard noises early in the morning, but there was a storm raging, and she was timid about going to investigate the cause.

The animal was slaughtered. So far there is no clue leading to the discovery of the perpetrator.

Local lumbermen are making preparations for next season's lumbering operations in the woods. Already several crews of men have been despatched to the head waters and more will go forward this week. Wages range from \$24 to \$26 per month.

JUDGE GREGORY'S COURT.

It is likely that Collins the New Ireland murder suspect, will be tried at the January term of the Albert circuit court which opens at Hopeville Cape on January 15th. Judge Gregory will be the presiding judge.

A THOROUGHbred.

Mr. John Howell, of St. Mary's, has imported from Everett, Mass., a thoroughbred English bulldog.

Mr. J. F. McMurray's serious illness has been diagnosed as typhoid fever. He is reported to be resting easily today.

Rev. Father McEachern, for ten years a priest of the Roman Catholic church, created a scene in St. Michael's Cathedral, Toronto, at mass Sunday morning. He denounced the authorities of the church, and shouted so loud that the congregation became frightened and several left the church. The reverend gentleman had become insane from over study. He was overpowered and taken from the church, and is now in an asylum.
