over in boats and canoes from Mr. Bert Atherton's boat house. EX-ALD. Mitchell was admiral of the fleet. The party had a very enjoyable time, except that one gentleman was chased by a cow and badly scared.

JOHN DEAN'S DEATH.

Coroner's Jury Found That He Died From Heart Disease.

An inquest over the body of John Dean, the colored man who dropped dead in the Barker House stables on Wednesday, was held by Coroner McNally at the office of the clerk of the peace last evening. The witnesses examined were William Hector, Dr. Irvin and their evidence was in accord with the story of Dean's death published in yesterday's Herald. The jury, after deliberating a short time, returned the following verdict: "We, the jury empanelled to enquire into the cause of the death of John Dean, find that he died from heart disease, and that no blame attaches to the management of the stable, employees or any others."

DOING GOOD WORK.

Nearly Eighty Feet of Lumber Rafted at Booms up to August 1st.

The following statement given out today by Manager Bliss shows the quantity of logs rafted by the Fredericton Boom Company up to July 31st:

RAFTED AT THE BOOMS.	
feet.	
Spruce	60,253,642
Pine	2,060,810
Cedar	7,908,521
Hemlock	41,525
Total	70,263,998

RAFTED AT SPRINGHILL.	
Spruce	9,427,032
Cedar	287,499
Total	9,714,531

This is more than the total quantity rafted last season. Manager Bliss estimates that there is still forty million to be rafted this year.

DECLARED A DIVIDEND.

At a meeting of the New Brunswick Railway Company held yesterday at St. John in the office of the company, a dividend of \$1 a share on the capital stock, equivalent to 4 per cent, was declared. The following were re-elected directors: Lord Strathcona and Mount Royal, Robert Meighen, John Turnbull, Joseph Hardisty, John S. Kennedy, Samuel Thorne, D. Willis James, H. H. McLean, Frank S. Meighen, Robert Meighen was re-elected president, Col. H. H. McLean, vice-president, Alfred Seely, secretary-treasurer, and W. T. Whitehead, land agent. The remainder of the proceedings was confined to routine business.

HEIR TO FRENCH ESTATE.

St. Andrews Beacon.—George Bury, a lad of 14 years, who has made his home for several years with his aunt Mrs. DuVernet Jack, on Grand Manan, is one of the heirs to a large estate in France. The former owner of the estate was the lad's uncle, who has just died.

The lad visited his French uncle a few years ago with his mother. The uncle took a fancy to the bright youth and promised to leave him a share of his estate when he died. This promise he has now carried out. The value of the bequest is said to be 30,000 francs, (\$5,000). There is also a chateau and piece of land in the legacy.

The boy's mother is dead, but his father is still living.

VALUE OF ADVERTISING.

The handsome little booklet for tourists, issued by Proprietor McCaffrey of the Queen Hotel, showing forth the attractions of Fredericton, is bearing fruit. The party of American tourists, forty-three in number, who arrived here yesterday and enjoyed their short visit immensely, were induced to come to this city by reading Mr. McCaffrey's booklet, which was placed in their hands at St. John. Previous to that they intended going direct to Digby, but they declared they would not have missed the trip up the St. John river for a great deal.

GRAVEL FROM SPRINGHILL.

Messrs. B. Mooney & Sons, contractors for the pumping station improvements are having a large quantity of gravel brought from Springhill in scows. This gravel is said to be admirably adapted for street work, but somehow or other the civic authorities were never able to obtain it, preferring to bring gravel of an inferior quality away from Grand Lake at greater expense. It remained for outsiders to come in and do what the city authorities always declared was impracticable.

MOONLIGHT EXCURSION.

BIG TOURIST PARTY.

Gillespie and Kingport's touring party numbering forty-three persons from New York and Pennsylvania, came up from St. John by boat yesterday afternoon and registered at the Queen. Soon after their arrival they engaged teams and spent two hours driving about the city. They visited all the points of interest, and more than once different members of the party were heard to express the opinion that Fredericton was the most beautiful city they had seen on their tour. The party returned to St. John by train last evening, and were given a whole car to themselves.
