

SEASONABLE SPORTS.

A Peep Into the World of Base Ball, Racing, Golf Bowling and Athletic Sports Generally.

BASE BALL.

BASEBALL NOTES.

July 1, last season, the Boston Nationals had won 24 games and lost 45; this season 23-43.

"Bad Bill" Dahlen is entitled to play again after a sentence of three days for umpire baiting.

The Boston Americans return to play double headers today and tomorrow with the New York Americans.

Providence has secured Thorneil, the third baseman, who has seen service in several New England clubs.

Baltimore has certainly made matters warm for Newark this season, having administered five defeats in succession to that club.

The National League put up a double header at St. Louis Sunday and thereby far outdid the American who had but one game to offer.

Al. Selbach did a very graceful thing before leaving Boston to join the Providence team. He gave each How and Hayden, the new outfielders, one of his favorite bats with his best wishes.

The National commission this season at least, has not been a howling success. The body seems to lack nerve. It caused to be promulgated a statement that contract jumpers would be barred for life, and yet has placed not a few of them in good standing again. —Brooklyn Citizen.

If it can be proven that Garry Herrmann, chairman of the National Commission, made a wager on the outcome of the National League pennant race, there should be a new chairman of the commission in a hurry, says Charley Matheson in the New York Globe. It doesn't need to be proven. Herrmann admits it.

It plays to have a winner. Toledo drew something like 15,000 people to Columbus last Sunday and lost the game 1 to 0. As seven of the Toledo club had played in major league companies and six of the Columbus team it will be seen that there can be nothing of the minor league description about the salaries paid.

THE RING.

BOXING NOTES.

"Spike" Robson and Tommy Murphy will meet again in Philadelphia July 23.

Jimmy Gardner and Peter Sullivan will meet at Lymanville, R. L., July 19 to 23.

Amby McGarry and Willie Hasey are to fight in private near New York in a few weeks.

Boxing is to be started at Old Orchard July 15, and Rudolph Unholz will be one of the contestants in the main event.

One of the fight promoters of Philadelphia wants to get Matty Baldwin to meet "Spike" Sullivan in that city the latter part of this month.

Kid Goodman's nose, which was broken in one of his contests, is bothering him so much that he is going to have an operation performed.

Belfield Welcott and George Ashley will meet in the main bout at Gloucester Monday night.

Sam Langford's manager, Joe Woodman, says that if Tommy Sullivan will post some kind of a forfeit Langford will fight him at 150 pound and bet him something on the outside.

Even though he Bradley showed up badly against Tommy O'Toole in Philadelphia, one of the promoters in the Quaker City is going to give him another trial. Tommy Kington, who boxes like Bradley, will be his opponent.

The matchmaker of the Lincoln club is anxious to have Willie Fitzgerald box at Chelsea. Fitzgerald is ready to go but the matchmaker is having hard work getting a suitable opponent. The only time he showed there was with Billy Gardner at the Criterion Club, but he won so quickly that the sports could not see him in action.

NEARLY KNOCKS OUT GRIFFITH. Billy Griffith, of Indianapolis, lost the middle states light welterweight championship on Wednesday night at Hamilton, O., when he was knocked out in three rounds by Charles Neary of Milwaukee. Griffith later begged to proceed with the match. It was Neary's fight all through.

THE TURF.

GOSSIP FOR HORSEMEN.

The local interest increases in the Canadian Derby each day, and it is expected that a large crowd from Toronto will see the race. The A. A. Club will run an excursion over the Grand Trunk, leaving at 11.30 and returning leaving after the last race.

The Seagram stable will have the best lot of two-year-olds to take east this season that they have ever had. In the lot there are two Watercross colts that should make good.

The Dufferin Park Driving Club is making great preparations for their meeting to be held in August. This should be one of the best harness horse meetings that has been held here in some time.

Windsor, July 4.—The Canadians made quite a clean up in the last race here yesterday, when the mare Loupania, owned by Robert Davies, of Toronto, came home an easy winner. The good odds of 3 to 1 was laid against this mare.

The rest of the card was well divided by first and second choices. Capor Sauce was the good thing in the first event, but could not get inside the money.

The winners: Nervator, 8 to 5; Attention, 3 to 1; Sultry, 15 to 1; Minton, 7 to 2; Clifton Forge, 5 to 2; Loupania, 3 to 1.

Buffalo, July 4.—Out of six favorites only two landed in first place yesterday. The rest of the events were won by outsiders.

Although there were many good things picked to beat Martin Doyle in the last race of the day, he easily disposed of his field, and was rightfully made the odds-on choice.

The winners: Grace Kimball, 7 to 1; Rusk, 5 to 1; Delmore, 5 to 1; Bertha E., 5 to 1; Tamacco, 7 to 2; Martin Doyle, 4 to 5.

FLIP FLAP BRINGS \$16,000. Whitney Langdon has at last got hold of a horse of the first class.

With part of the money he took out of the betting at Sheepshead Bay on Saturday through the victories of Oran and Magna Stella, Mr. Langdon yesterday purchased from Jack Bennett the mare Flip Flap, conqueror of Whimsical, Accountant and Sir Huon in the advanced stakes.

Mr. Langdon always admired Flip Flap and offered to buy her from Mr. Bennett at Washington last fall after her triumph in the Grand Consolidation stakes. The price paid was \$10,000.

CASSIDY A FAILURE. The New York Telegraph says:—"If the Jockey Club is right as to the system of starting Cassidy is a failure, and should be got rid of immediately. There can be no true racing without good starting, and the Jockey Club is under a solemn obligation to the people of New York to furnish true racing."

Mr. Richard Baird, of Hamilton has a green pacer by Arbuteskan, 2,094, which is regarded as a grand circuit prospect.

ACQUATIC.

WHAT THE PRESS SAYS.

London, July 4.—The Post says the pace of the short stroke of the Canadians robbed them of all their reserve for making a spurt, which would have wiped but the few feet by which they lost. The Tribune says their work has been so good and sporting instincts so bountiful that the joys of their conquerors are mingled with regrets that Canada and not Belgium had been vanquished. Even at Henley blood is thicker than water.

The Chronicle said the Canadians rowed with tremendous power, but every spurt was answered by the Hull man. The other crew was just the least bit better.

Said Captain Wright to the News "Of course I am disappointed, but we were fairly beaten. They got off more quickly at the start, and won by the lead they took then. They did not gain more. Yes, we are coming back to lift the cup."

The Standard says that everyone is sorry for the Canadians. They are good sportsmen, to a man and will always be welcomed.

The Telegraph says that scarcely a single Englishman imagined that Stewart would do what he did with the Cambridge crew against her magnificently built opponents, by far the strongest eight that Canada has sent.

The Mail says that it was undoubtedly due to the efforts of Stuart that the might Argonauts were beaten.

PALE FACED GIRLS.

Thousands Using Successful Cure for Paleness and Anaemia.

The pallid girl always lacks appetite. What little she eats is badly digested.

At night she is restless, she dozes but doesn't sleep soundly.

Vital force must be increased, new blood must be supplied and a general rebuilding take place before she will feel like she ought.

Dr. Hamilton had invaluable experience in these cases and found nothing so prompt in building up the young women as his vegetable pills of Mandrake and Butternut.

Dr. Hamilton's Pills begin by cleansing the system and purifying the blood, they also improve digestion and render food ready for absorption. Additional nourishment is quickly supplied and the patient is fast strengthened and invigorated.

Full of spirit, ruddy and strong is the girl that assists her system by Dr. Hamilton's Pills.

The following recent letter from Miss Etta McEwen, of Haliburton, speaks for itself.

"In using Dr. Hamilton's Pills I find my system is wonderfully built up. It is certainly the most effective remedy I ever used. I have now a good appetite, sleep more soundly and awaken in the morning feeling quite refreshed."

"Formerly I felt tired and depressed. I looked as if a severe illness was hanging over my head."

"Nothing could give quicker results than Dr. Hamilton's Pills and I strongly advise every young woman to use them."

All dealers sell Dr. Hamilton's Pills, 25c. per box or five boxes for \$1 by mail from N. C. Polson & Co., Hartford, Conn., U. S. A. and Kingston, Ont.

Clarence: "I told the minister he mustn't kiss you."

Cordelia: "And what did he say?"

Clarence: "He thanked me, and said under these circumstances he would only charge me half the usual fee."

THE GREATER MONCTON.

Work Commenced on the I. C. R. New Terminal Site.

Moncton Transcript.—The first sod marking the beginning of work on the erection of the I. C. R. new car works and machine shops at the northwest portion of Moncton, on the land adjoining the I. C. R. near the junction of the railway with John street, on the site where the freight car repair shop is to be built, was turned Thursday. This afternoon, the work of digging for the establishment of the foundations is to begin.

The turning of the first sod for the erection of the shops, although it marks the beginning of the era which is bound to see the development of that greater Moncton which Hon. H. R. Emmerson, minister of railways and canals, foretold, was unmarked by any particular ceremony.

TERRIBLE BACK PAINS. They fairly agonize your life. Something powerful and penetrating is needed. Doctors know of nothing so swift to relieve as Nerviline, a strong, penetrating liniment made to cure just such pains as yours. Nerviline is very concentrated, about four times more powerful than ordinary liniments. In the worst cases Polson's Nerviline is extraordinarily good. All muscular pain flees before it. Nearly fifty years in use—a good recommendation, surely.

DEATH OF THE REV. PAUL PRESTWOOD. Was One of the Oldest Ministers in the Nova Scotia Methodist Conference.

Berwick N. S., July 5.—The death took place last evening at half-past seven at his residence on Main street, of Rev. Paul Prestwood, in his eighty

third year. He was born in Bamley, Lincolnshire, England, and came out to Newfoundland as a candidate for the Methodist ministry in 1852. He was ordained in 1855, along with three others, Rev. Charles Stewart of Mt. Allison University.

Mr. Prestwood was for some years in Newfoundland. He also labored in Charlottetown, River John, Kentville, Shelbourne, Port Mouton, Petite Riviere and Maitland. When he retired from active work, he lived in Truro for some time, but for the last sixteen years he has been a resident of this town.

He was a very fine, estimable man, a good preacher, and was one of the oldest ministers in the Nova Scotia conference. He is survived by his wife, who was a Miss Edmund of Lincolnshire, England, a son, Rev. W. Prestwood, of Dartmouth, and two daughters, Mrs. Thomas Spicer, of Welsford, and Miss Emma, at home.

LISTEN FOR THE BROECHIAL "WHEEZE." It means that disease will soon attack the lungs. Wheezing is distressing to the sufferer and annoying to his friends. Nothing half so certain in bronchitis and throat trouble as relief and cures even the worst cases. "Catarrhazone"; it gives instant relief. Bronchitis fairly flees under the magic influence of Catarrhazone which cures so thoroughly the disease never returns. Other remedies may relieve, but Catarrhazone cures bronchitis, catarrh, and throat trouble for all time to come. Sold everywhere.

"Queer thing, isn't it?" remarked the thoughtful thinker.

"What's queer?" asked the other party to the dialogue.

POPE LOOKS LIKE WEARY OLD MAN.

Pius X. is Now 71 Years Old andvanced Age. Feels Langour of His Ad-

Rome, July 6.—The truth about the Pope's health is somewhat less alarming than the rumors that have recently been circulated. There seems to be nothing more serious the matter with His Holiness than a general languor due to his increased age and his lack of exercise.

Pius X. is now seventy-one years old and looks far from well and is very weary.

He no longer refuses to use the sedan chair in which Leo XIII. was carried about. The Pope undoubtedly feels keenly the deprivation of the active life he led before his pontificate when he was simply Bishop of Mantua, and the confinement imposed upon the occupant of the Holy See is telling on his health.

The Pope, moreover, is a martyr of gout. This is on the authority of Dr. Lapponi, His Holiness' physician, and although his attacks are periodic, he is not cautious enough in using his foot after an attack, and suffers accordingly.

He also persists in the Italian fashion of taking a glass of wine with his meals and his cure is thus made more difficult than it would be if he followed his physician's advice more strictly.

Mabel (studying her lesson): "Papa what is the definition of volubility?"

Mabel's Father: "My child, volubility is a distinguishing feature of your mother when, on account of urgent business affairs, I don't happen to reach home until after two o'clock in the morning."

Geraldine: "Papa, I want you to hear some of Reggy's good things; he's full of humour."

Papa: "I heard one of them the other night; he asked me to be his father-in-law."

Celery contains sulphur and helps to ward off rheumatism.

Irate Father: "I'll teach you to kiss my daughter!"

Young Man: "Not necessary, sir; I have just learnt."

Mrs. G.: "I never have any trouble with baby I've only to sing to him and he goes off to sleep at once."

Mrs. P. (gushingly): "What a knowing child!"
