

Events of a Day

LORD'S DAY OBSERVANCE.

Rev. P. Albert Moore, secretary of the Lord's Day Alliance, Toronto, is to address a mass meeting in the Methodist Church this evening at 8 o'clock.

CONTRACT AWARDED.

The contract for rebuilding Flower's Bridge, in the Parish of Cambridge, Q. C., has been awarded to Mr. John Kelly, whose tender was the lowest.

CHARGE WITHDRAWN.

Rev. J. J. Colter has withdrawn the information in the St. Mary's schenck beer case for want of evidence. This case was to have been resumed in the police court this morning.

HOOD-SEWELL.

Mr. John D. Hood, the well known blacksmith of this city, and Miss Alma R. Sewell of Lincoln, were united in marriage last evening by Rev. Sub-dean Street.

MAY GET COMMISSION.

Mr. Fred Gilman, of Kingscler, who is now taking a long course of instruction at the Toronto Cavalry School, is said to be slated for a lieutenancy in the Royal Canadian Dragoons, a branch of the permanent corps.

TONIGHT'S LECTURE.

Rev. A. J. Prosser of St. John is to deliver his popular lecture on the Canadian West in the George Street Baptist church this evening. The reverend gentleman is a speaker of recognized ability and should have a good audience.

A NEW CHAIRMAN.

It is understood that at yesterday's meeting of the government Mr. James McElwain of Gibson, was appointed chairman of the County Board of

Health, in room of Dr. J.W. McNeill, resigned. At the last meeting of the York County Council a resolution was passed urging the government to appoint a layman to the position.

A HANDSOME SPAN.

Mr. W. H. Allen, the well known guide of Penniac, was in the city yesterday driving behind a handsome span of mares, which attracted a great deal of attention. They are full sisters and will be five and six years old next month. In color they are light bay, with black points and are almost perfectly matched. They are well set up, stylish in action and are good roadsters. Their estimated weight is about 1050 pounds each. These animals were bred and raised on the Nashua and are Messenger and Morgan stock. Mr. Allen has already received several tempting offers for his team, but has not yet decided to part with them.

A SLIGHT FIRE.

The firemen were called out this morning by an alarm from Box 38 for a slight blaze in the upper flat of the Coy block, corner of Queen and Regent streets. The indicator at the hose station gave the box number as 28, and the hose cart and hook and ladder wagon took a dash out York street before repairing to the scene of the threatened conflagration. When they finally reached the Coy block they found a lot of smoke pouring from a pipe hole in the flue, but there was no fire. No damage resulted.

MARKET AND WHARVES.

The tolls and fees from the city wharves, were sold at public auction by Ex-Ald. Stockford in front of the city hall this morning. Mr. H. C. Mackey bid in the wharves for \$401, an advance of \$12 on the upset price. The weigh scales were knocked down to Mr. James Israel Atherton for \$175, after a sharp contest with Market Clerk Cook. The upset price was \$100.

LADY TEACHERS HAPPY.

School Trustees Vote them a \$50 Advance of Salary--Morrison's Mill School.

The Fredericton School Board settled the question of increase of salaries of the lady teachers yesterday by voting an advance of \$50 to all in the public schools staff whose salary did not reach \$500. This action was pursuant to a recommendation of a special committee appointed to investigate and report upon the matter which came before the board at a late session through a delegation from the City Teachers' Association.

The lucky ones who profit by the change are Misses Thompson, Everett Vandine, McCann, Burt and Currie, of the York street school; Misses McAdam, Taylor, Thompson and Williamson, of the Charlotte street school; Misses Davis, V. McKenna, and E. McKenna of the Regent street school, and Miss Cassidy, of the Brunswick street school; and Misses Pinder and Strong of Morrison's Mills and Doak Settlement schools respectively.

Principal Hughes, of the Regent street school, also received an advance of \$65, making his salary the same as that of the Charlotte street school principal.

These increases will go into effect from the opening of the schools after the summer vacation.

The committee, while noting that there had been a falling off in attendance at some of the schools, felt there was urgent need of additional accommodation at Morrison's mills and the Board decided to provide accommodation for another department there, the present building to have an additional story for this purpose. The work will be carried on during the holidays. Sheriff Sterling and Messrs. Kitchen, Weddall and Vanwart were appointed a committee to look into the expense and other details.

Through the illness of Miss McKenna, who will not probably be able to resume work at the Regent street school, the secretary treasurer was obliged to obtain a supply for the term and Mr. William Shea was appointed to assist Principal Hughes. The matter of future arrangements of the departments there was referred for recommendation to Mr. Sharkey and Mrs. Lynch.

Mrs. Clarke, from the committee on requisition of teachers as to filling in time upon extra Saturdays to enable them to conveniently attend the Provincial Teachers' Institute at Chatham, reported favoring the holding of the public school examination upon Saturday, June 23rd, which was agreed to.

An application of Miss Vandine for a year's leave of absence was granted and also the application of Miss Thorne for the first week at the opening of the school term in September, these ladies intending to travel abroad during the summer.

Notice was received from Mrs. Coulthard that Dr. Coulthard Memorial medal for the present year had been struck and would be ready for presentation, which the board decided to have made at the next public examination.

Considerable work of a routine nature was done at this meeting, at which the full board of trustees was in attendance. Believing that the interests of the school service would be best conserved by the appointment of a school inspector for Fredericton, the committee recommended such an appointment, and the board on consideration decided to have this matter considered before the next meeting. Meanwhile they accepted the committee's recommendation.

BOARD OF EDUCATION.

King's County May Have Another Consolidated School--New School Manual.

The Board of Education held a meeting yesterday afternoon with the Lieutenant Governor in the chair, the others present being Premier Tweedie, Dr. Inch, Chancellor Harris, and Hon. Messrs. LaBelle, Faris, Sweeney and Jones.

Quite a lot of business was transacted but it was mostly of a routine nature. It was decided to unite school districts No. 14 and 20 at Royal Road, in the Parish of Douglas, York County. The Hendricks district in King's County was joined with Hampton village to form a consolidated school district.

A proposal was submitted to unite seven districts at Belleisle Creek, King's County, to form a consolidated school, but in the absence of the attorney general no action was taken.

Dr. Inch announced that the provincial teachers' institute would meet at Chatham on the last three days in June. On the evening of the 28th there is to be a public meeting, presided over by the Lieut.-Governor, and addressed by Premier Tweedie and Prof. Robertson.

Dr. Inch also announced that the copy for the new school manual was in readiness, and asked for instructions in regard to having the same printed.

It was decided to leave the matter in the hands of the governor-in-council.

THE RIVER RISING.

Ice Still Holds Above Grand Falls--Two Million Feet of Logs Adrift.

The river here is still on the rise and is pretty well clear of ice. There have been very few logs running since yesterday, and probably the booms will be in readiness before the next lot come down.

A local lumberman informs the Herald that the published statement in regard to the quantity of logs which had passed the city since the ice ran out was considerable outside the mark. He does not think from at a late session through a delegation would exceed two million feet.

A despatch from Grand Falls this morning stated that the ice is still firm at that place. The weather today is cold, cloudy and wet.

The Booms Company's logs and men are getting along well with the booms and expect to have them in position to catch the logs now held by the ice above Grand Falls.

ROYAL CANADIAN REGIMENT.

Major Bridges Receives Official Notification of the Corps' Removal to Fredericton.

Major Bridges, P. A. M. C., this morning received the following letter from Lt. Col. White, D. O. C., which is self explanatory:

St. John, April 25, 1906.
I have been notified from headquarters through the officer commanding the maritime provinces, that No. 8 Company of the Royal Canadian Regiment will in all probability proceed to Fredericton, N. B., the first week in May, exact date to be notified later.

Be good enough to inform me by return mail if the officers' and men's barracks accommodation is in proper order, and in readiness for occupation.

I have the honor to be your obedient servant.

GEO. ROLT, WHITE.

D. O. C. M. D. NO. 8.
The barracks are now all ready for the accommodation of the troops. Caretaker McKenzie will be requested to vacate the Sergeant Major's cottage at the upper end of the barracks and as now his new quarters in the armory are not quite ready for occupancy, he will remove to the rooms in the western end of the drill hall, which he formerly occupied.

LETTER OF THANKS.

The Deanery, Fredericton, April 25, 1906.
To the Editor of the Herald:

Sir--Will you allow us through "The Herald," to express to the people of Fredericton, our most sincere thanks for their words and acts of sympathy at the time of Dean Partridge's death?

They have laid upon us a debt of gratitude which we shall never be able to repay.

In the confusion incidental to such sad times, there may be a few to whom we have been unable to convey our thanks personally; to these we now wish to offer our thanks.

Sincerely yours,

M. L. PARTRIDGE.
