FAIRWEATHER --- TABOR.

Brilliant Society Wedding at St. Ann's Church This Afternoon.

A society wedding which has been looked forward to with more than usual interest, was solemnized at St. Ann's Church at three o'clock this afternoon in the presence of upwards of one hundred invited guests.

The principals in the happy event were Mr. John Hall Allison, Leo Fairweather, B. A., barrister of St. John, and Miss Agnes Clifton, second daughter of the late Mr. Charles Clifton Tabor, late of His Majesty's Fifteenth Regiment.

The interior of the church was very tastefully decorated for the occasion with sweet peas, astors, lilies, callies etc., the work having been done by young lady friends of the bride. Rev. J. De Wolfe Cowie, rector of Fredericton, performed the marriage ceremony, assisted by Rev. C. W. Forster.

The ushers were Messrs. Stewart L. Fairweather, D. R. Winslow, D. B. Winslow, C. H. Allen and Ralph Sherman.

The bride, who was given in marriage by Rev. Subdean Street, looked very charming in a beautiful costume of ivory satin on train, with lace berthe, trimmings, and white tulle veil and orange blossoms. She was attended by Miss Louie Wadmore of Halifax, and Miss Grace Winslow of this city, who were becomingly costumed in pink silk muslin with pink and white valenciennes trimmings and pink paque velvet hats. The bride's bouquet was of white roses, and the bridesmaids carried pink roses.

Mr. W. H. Harrison of St. John discharged the duties of best man.

Mrs. John Cameron presided at the organ, and during the ceremony the choir rendered the beautiful and appropriate hymns "The Voice that

Breathed O'er Eden" and "Oh Perfect Love."

At the conclusion of the ceremony the bridal party and guests repaired to the residence of the bride's mother King street, where a reception was held, at the conclusion of which luncheon was served from a marquee on the lawn. The hall, dining room and stairway were beautifully decorated with cut flowers and ferns.

The bride, who is one of Fredericton's most popular and accomplished young ladies, was the recipient of a host of magnificent wedding presents, the remembrances of friends in England, the United States, Upper Canadian cities, St. John and Fredericton. The bridegroom's present to the bride was a pearl necklace, to Miss Wadmore he gave a pearl brooch and to Miss Winslow a signet ring.

Among the guests present from outside points were: A. C. Fairweather, Misses Fairweather, Misses Donville, St. John; Rev. A. W. Daniel, Mr. Davidson, Miss Davidson, Miss Robertson, Rotheay.

The bridegroom, who is a son of Mr. A. C. Fairweather of St. John is a graduate of the University of New Brunswick, and has many warm friends in this city. He has always taken a warm interest in athletics and holds the office of honorary president of the University Athletic Club. The Herald wishes him and his charming bride a long and happy life.

Mr. and Mrs. Fairweather will leave by the 5.30 train on a honeymoon trip to Canadian and New England cities. The bride will travel in a blue cloth tailor made suit with hat to match.

Dauphin, Man. Aug. 29.—(Special).—Members of the vice regal party with the exception of Earl and Countess Grey yesterday, enjoyed a morning's horse back ride for several miles about this district. They expressed themselves as delighted with the appearance of the country and its bracing air.

Shortly after the return of the party the train proceeded westward. Owing to the condition of his injured right eye, Earl Grey could not accompany the party, much to his disappointment. His eye is inflamed, and it is feared some of the finer particles of glass entered it, as a result of the electric light globe explosion at Winnipeg Sunday night.

MENDED SPINAL COLUMN.

Remarkable Operation by New York Physicians.

New York, Aug. 29.—(Special).—February, the doctors declared that in the virtual curing of Mrs. Elka Shuster, who has just been rescued from the complete mental and physical paralysis following a double compound fracture of the spinal column, Bellevue physicians believe they have accomplished one of the most remarkable achievements of modern surgery. When Mrs. Shuster was carried to the hospital, slumped to a plank, her back broken in four places as the result of a street car accident last

Baring the spinal cord the surgeons wrapped it in a covering of rubber sheets, sewed up the dura, cut the jagged ends off the vertebrae so that they would no longer press against the cord and then placed Mrs. Shuster in a plaster cast, through which they cut holes in order to treat the wound.

Finally they placed the paralyzed woman upon a specially made bed of rubber, constructed on the principle of a gigantic hot water bag. She lay thus for seven months.

Yesterday the woman was taken from the bed and the plaster cast removed. Her joy was pathetic when she found that she could speak, move her hands, body and legs.

THE HIBERNIANS.

Halifax, Aug. 29.—The greater part of yesterday afternoon's session of the A. O. H. convention was occupied with the report of Provincial President, John Morrissey, M. P. Seated on the platform with the provincial president were Rev. Father Crumley, Rev. Father MacLaughlin, Rev. Father McManus and Rev. Father Sweet.

President Morrissey, in his report, spoke of the loss sustained by the order owing to the death of such men as Michael Davitt, the wise patriot, and James O'Donnell, of this city.

He also spoke of the grand work done by the order in relieving suffering humanity in connection with the San Francisco calamity, and of the splendid results accomplished through out Canada.

Two important matters that came up in connection with the report were the proposition to create a life insurance scheme in connection with the order, and that Prince Edward Island be approached with a view to having the order there amalgamated with that of Nova Scotia and New Brunswick.

The financial report was satisfactory in every detail, and showed the order to be in a most flourishing condition in that respect.

During the afternoon the following despatch was sent to His Holiness Pope Pius: "The Ancient Order of Hibernians of New Brunswick and Nova Scotia, in annual session at Halifax, N. S., express to your holiness sincere love and devotion.

(Sgd.) "MORRISSEY." The following despatch was also sent: "Matthew Cummings, national president, A. O. H., Fall River, Mass., Officers and members of the A. O. H. of New Brunswick and Nova Scotia, in convention, send fraternal greetings to Massachusetts state.

Last evening's session was largely taken up with routine business.

A resolution was passed congratulating the Right Rev. Dr. McCarthy on his elevation to the episcopal seat at Halifax, and heartily thanking His Grace for the kindly interest shown in the affairs of the order and the warm words of encouragement which marked His Grace's short address of welcome at the opening of the convention, one of thanks to Mayor Macleith for kindly words of welcome, and good wishes for the welfare of the organization, expressions of gratefulness to J. C. O'Mulvin, F. J. Cragg, F. P. Hayden and Joseph A. Chisholm, representing the Knights of Columbus and C. M. B.A. for their kindly fraternal greetings.

Also a resolution in which was feebly expressed the profound regret of the loss to the church and country by the death of Archbishop O'Brien.
