BAPTIST CONVENTION.

Maritime Gathering Favored a Dominion Convention--Closing Business of the Session.

Liverpool, N. S. Aug. 28.—At the Baptist convention this morning Rev. D. Hutchinson reported from the committee on union which met at Middleton, August 23. This joint committee was composed of representatives from Nova Scotia Free Baptist conference and the maritime convention. Inasmuch as the Nova Scotia Free Baptists expressed by vote their attitude towards union, it was unanimous on the basis as formerly agreed upon by the United Baptists last autumn, the basis of present union except conditions that are necessarily different because of the different provinces affected. The union has yet to be ratified by the Nova Scotia Free Baptists at their conference that meets August 30. Judging from the sentiment of this body as expressed by its leaders, the ratification is but a formality, as the conference and its churches have already adopted the basis of union. The meeting will probably take place in Zion church, Yarmouth, on next Monday night.

Provisional arrangements have been made for a union service similar to the one held in Main street church, St. John, last October. The Free Baptists in Nova Scotia have about forty churches, located principally in Yarmouth and Shelburne counties, though they have a few in Kings, Queens and Cumberland counties. This unites the various Baptist bodies of the maritime provinces, giving them an adherence of about 200,000. A committee of 10 from each body was appointed to act in a representative capacity on the night of the union.

Rev. F. H. Beals, the treasurer of the denominational fund for N. S., reported the raising of \$16,483.73 from the churches and \$8,663.99 from the W. M. B. W., making a total of \$25,147.72. Rev. J. W. Manning, treasurer of the denominational fund of New Brunswick, reported raising \$6,127.83 from the churches and \$1,030.61 from W. M. B. U., making a total of \$7,158.44. A. W. Stearns, treasurer of the denominations funds for P. E. I. showed receipts of \$804.16, from the churches, \$889.76, making a total of \$1,693.92. The United Baptists for the three provinces have raised \$28,336.10 for all denominational purposes.

Dr. S. B. Kempton, secretary to the Board of Governors of Acadia University, presented his report. Last year there were 34 students for the ministry in college. From the Payzant fund these students received \$2,828.39 for mission work. Dr. Trotter's severance from the college staff was referred to and mention made of excellent work done by him. The report stated that the board felt it to be a matter of great importance that the right man be found and that a few months or even a year's delay will be more acceptable to the convention than a hasty and premature appointment. There were 19 B. A. students sent out by the college last year.

Dr. Creed of Fredericton moved a vote of thanks to Andrew Carnegie for his magnificent gift which made possible the erection of a new science building.

D. McLeod Vince at Woodstock and A. L. Wood of Halifax were elected to fill vacancies on the board of governors of Acadia College.

The question of the organization of a Dominion convention of Baptists to embrace all the Baptists of Canada came up. Rev. D. Hutchinson introduced the question and spoke enthusiastically in its favor. Rev. H. F. Lafamme, from Ontario, spoke next. He said he believed that a tribe of savages given a knowledge of reading the Bible and left alone for three years without any teaching of Bible truth would instinctively organize a Baptist church. He said this thing had happened in principle in Russia three times. He thought it would facilitate missionary enterprises very much.

W. T. Stackhouse, the superintendent of home missions for Western Canada, was warmly welcomed to the platform and spoke favorably to

the scheme.

After a lengthy discussion, in which a variety of opinions was expressed, Dr. Cohoon introduced a motion involving the following action on the part of the convention, viz, that the report of the committee on Canadian union be adopted and a committee appointed to meet similar committees appointed by other conventions to arrange and report some plan of union or co-operation in such branches of our work as it seems could be better forwarded by such union, it being understood that no arrangement shall be made likely to weaken the efficiency or influence of this convention.

The report by the Sunday school board was reported favorably to the appointment of a special agent to work among the schools of the convention. This feeling was quite general and will perhaps next year take tangible form. Principal DeWolfe, Mr. Mercereau and Prof. Jones from Wolfville, each gave very interesting addresses bearing on education and the institutions at Acadia.

The estimates for the ensuing year for all purposes are as follows: For Acadia College, \$7,000; for foreign missions, \$9,000; home missions, \$8,000; other boards, \$3,000 total, \$28,000. Of this amount \$18,000 is to be raised in Nova Scotia, \$9,000 in New Brunswick and \$1,000 in P. E. Island. The convention asked the board of governors of Acadia to consider the question of the establishment of a theological department in connection with the college at Wolfville. This project will be considered during the year and reported on next year. Rev. W. S. Cummings of Amherst preaches the annual year Rev. A. A. Ridout of Fredericton as alternate. The convention adjourned shortly after midnight.

UPPER MAUGERVILLE.

Aug. 23.—Forest fires have been raging in these parts.

One man cut a stack of hay in a clearing that he had made in the woods. Some hornets had a nest not far from where he was working and gave the farmer some trouble, so he set fire to the nest and burnt the stack of hay and some lumber near by.

Mr. G. F. Banks left here by steamer Hampstead for Fredericton this morning.

Miss Hattie Brown and Miss Mar Perley of Central Blissville, are spending a few days at their homes and took in the picnic yesterday.

Miss Annie Harding of Maugerville, who is teaching school at Stanley, came down yesterday for the Maugerville picnic.

Yesterday was a day that could be desired for the picnic to Jemseg. The sail was grand down the beautiful St. John, which is one of the prettiest rivers in the world. Everything passed off smoothly, not one mistake was made by the committee, which speaks well for them.

The prizes were taken by the following:

Bert Lint of Fredericton, took three

first prizes. Miss Jessie Brown carried off the first prize at the ladies' bean toss, which was a beautiful ring. Mrs. Ashley Harrison took second prize, a jardiner stand. The ladies' ring toss was carried off by Miss Jessie Brown, first a music roll.

The second prize was a music roll won by Mrs. Ashley Harrison. Miss Hattie Brown carried off the second prize in the excelsior game which was a dressing case.

The left left at 5.45 from Jemseg for Fredericton, and arrived at 7 o'clock.

Miss McRobbie of St. John, is visiting Miss Allie Magee.

The farmers of Jemseg, say that the crops are very good, except the potatoes.

Miss Allie Magee and Mrs. A. R. Lovely went to Fredericton today on the steamer Hampstead.

Mrs. Creswell and child of Lakeville Corner, are visiting her mother, Mrs. Brown.

Alexander, the eight year old son of Alex. Archibald, of Millerton, Northumberland Co., was drowned at that place on Saturday afternoon. The little fellow was playing around the wharf and fell overboard, but was not missed for some hours. On Monday his body was found in the water.
