RUSSIAN SITUATION.

**Czar and Ministers Anxious to Rid Them-
selves of the Present Parliament.**

**REPORTED ATTEMPT ON TREPOFF'S LIFE--RIOTING
IN CAUCASIA.**

St. Petersburg, June 19.—(Special)
—In spite of the government's left-
handed denial, that it intends order-
ing a parliamentary recess, Rech to-
day expressed the fear that a "Coup
de etat" is imminent and appealed to
the country to make its voice heard in
favor of the dismissal of the ministry,
and a prolongation of the existence of
parliament.

An official denial had been given
out of the report that members of the
ministry participated in a session of
the Trepoft star chamber, at Pet-
erhoff, which it is understood, abso-
lutely declared that parlia-
ment must be got rid of and only
hesitated in regard to the methods.

First—Order recess of parliament
for three months.
Second—Dissolve parliament and or-
der new elections on the basis of
universal suffrage, in hope that the
temper of parliament thus elected will
be different from the present

body.
Third—Declare the council of the
empire and the upper house the rep-
resentative body until the new par-
liament is elected.
Tiflis, Caucasasia, June 19.—Lawless-
ness in Caucasasia is growing.
In spite of the patrols of soldiers
and police, murder and robbery are
unchecked in this city.
At noon today, fifteen brigands,
armed to the teeth, entered a car in
the centre of the city and help up
and searched the passengers, taking
purses and jewelry.
No arrests were made.

St. Petersburg, June 19.—A cir-
cumstantial report is in circulation of
an attempt on the life of General
Trepoft, commandant of the palace,
by a well dressed woman, masquerad-
ing as Princess Narishkin.
According to the rumor, the woman
gained admittance to the palace and
when Trepoft appeared, drew a revol-
ver, but it was seized before she
could fire.

cases on the civil docket.

The situation in the saw mill
strike is practically unchanged. Some
of Hilyard's men want to go back,

tomorrow morning, so if the men
want to return they may do so.

ing through this morning, to Sydney

field, and he expects that other pro-
vincials now in the United States
will come back to play in the provin-
ces.

**Notorious Indian Murderer Adds Another
Capital Crime to His Record.**

Victoria, B. C., June 19.—(Special)
—Johnnie Jackum, a notorious In-
dian murderer, who was pardoned
from the British Columbia peniten-
tiary a couple of months ago,
shot and killed Asell Smalle, a half-
breed, as the result of a quarrel over
a game of cards yesterday.

The shooting took place in a saloon
on a lonely road on Reed Island, and
the Indian jumped on a pony and
fled.
Sheriff George Allen with four
mounted men is after him.
Jackum has now four murders
hanging over his head.

MOTORMAN A HERO.

**Reaches Back, Holds Woman and Child and Saves
Their Lives.**

Fairfield, Ct., June 19.—A trolley
car bound to Bridgeport from Fair-
field jumped the tracks at a curve
near Ash Creek bridge this morning,
ran along the roadway 75 feet and
overturned. Twelve persons were on
the car, which pinned four beneath it.
Charles Weidlich, aged 35, of Bridge-
port, a manufacturer, was crushed to
death, his skull being fractured and
several ribs broken.

Weidlich was accompanied by his
wife and child, both of whom were
badly injured. Mrs. Weidlich is in
a serious condition, partly from
shock, but will recover.

The motorman, Albert Crossman,
and the conductor, James T. McCoy,
both of Bridgeport, were arrested and
will be given a hearing.

The motorman, according to the
story of Henry Randolph, a witness,
displayed great courage. He stuck to
his car and all the time it was run-
ning along the roadway made efforts
to stop it. When the car started to
overturn the motorman, instead of
jumping, put his arms through
one of the car windows and
held a woman and child, thus saving
their lives.

After the accident the conductor,
motorman, Randolph and a fourth
man raised the car by main strength
sufficiently for the injured to crawl
out.

Motorman Crossman later col-
lapsed. It was reported that Mrs.
Downs, one of the injured, had lost
a pocketbook containing \$200.

THE SEWERAGE P.I.P.E.

Only a Small Portion from the
Steamer Hestia can be Used.

Mr. A. K. Grimmer, C. E., who
has been at Halifax inspecting sewer
pipes discharged from the steamer
Hestia, returned last evening. He
says that about thirty per cent. of
the ten thousand feet taken from the
steamer was cracked or broken when
the vessel went ashore. Of the bal-
ance only the eighteen inch pipe and
y's come up to the specifications.
The Italians working on the sewer-
age system, who struck for higher
wages last week, have pulled up
stakes and left the city. Contract-
or McManus expects a crew of men
here in the course of a few days
to take their places. At present
there are sixteen men working in the
trenches.

CAUGHT IN THE ACT.

**Youthful Shoplifters Before Col.
Marsh This Morning.**

Two boys, aged about thirteen
years, sons of respectable parents,
were before Col. Marsh this morning
charged with stealing from the store
of Mr. George Y. Dibblee. One of the
boys was caught red handed by one
of Mr. Dibblee's clerks on Sunday
night and confessed that he and a
companion had been pilfering cigar-
ettes and other articles from the
store for some time past. The modus
operandi was to follow some custom-
er into the store and while the clerk
was busily engaged, snatch up a box
of cigarettes or a box of chocolates
from the window and disappear.

As it was not the desire of Mr.
Dibblee to prosecute, Col. Marsh
gave the boys a lecture and warned
them that a repetition of the offence
would land them in the reformatory.
He then allowed them to depart.

FOR CAMP SUSSEX.

The local captains of the 71st are
having some difficulty in getting re-
cruits for Camp Sussex, which opens
on Tuesday, June 26th. They say
that it will be absolutely impossible
to comply with the new regulations,
which requires all service rolls of
companies to be forwarded to head-
quarters before camp opens. One
officer informed The Herald that if
the regulation was strictly adhered
to there would be no militia compa-
nies to go to Sussex from Fredericton
this year.

62nd. MAY COME.

Secretary Hooper, is in corre-
spondence with Col. M. B. Edwards of

Montreal, Que., June 19.—At a
meeting of the board of governors of
McGill University yesterday Sir Wil-
liam C. MacDonald, the millionaire
tobacco manufacturer and benefactor,
intimated that it was his intention
to hand the school of agriculture
and college for teachers in training
now under construction at St. Anne
de Bellevue, over to the board of
governors of McGill.
The cost of the college buildings
and equipment will be over a million
dollars and in addition Sir William is
giving an endowment of two million
dollars, which, it is expected, will
be sufficient to fully maintain it.
The institution will be ready to begin
work a year from next December.
Dr. Robertson, formerly Dominion
dairy commissioner, is the head of
the new institution, and is in charge
of the construction.

He that would have a short lent,

THE CIRCUIT COURT.

**Nisi Prius Sittings Opened by Chief Justice
Tuck--Important Cases on Docket.**

HIS HONOR TALKS ENTERTAININGLY TO GRAND JURY

Chief Justice Tuck opened the June
term of the York Circuit Court at
the Court House this morning in the
presence of a large gathering of spec-
tators. The list of barristers in
attendance included:
Dr. Stockton, M. P.; J. D. Hazen,
M. P. P.; J. H. A. L. Fairweather,
St. John; H. A. Powell, K. C., Sack-
ville; A. B. Connell, K. C., Wood-
stock; J. H. Barry, K. C., J. W. Mc-
Creedy, P. J. Hughes, R. B. Hanson,
H. G. Fenety, J. Stewart Campbell,
Walter Limerick of the local bar.

The following grand jurors answered
to their names and were duly
sworn:
W. A. Lindsay, R. G. Lee,
W. Walker, G. R. Perkins,
P. M. McDonald, G. F. Wilkes,
W. T. Fenety, P. D. MacKenzie,
Elzer Boone, A. B. Kitchen,
J. W. McKay, Cole Kitchen,
Archie McDonald, A. A. Belmore,
S. L. C. Coleman, N. J. Smith,
W. E. Doohan.

The grand jurors retired, and, af-
ter electing Mr. P. D. MacKenzie
foreman and returning to the court,
were briefly addressed by the chief
justice. He was in a happy, reminis-
cent mood, and talked very enter-
tainingly for about fifteen minutes.
At the outset, he said, it was very
pleasant to know that he had no
criminal business before him. He
noticed that there were several ab-
sentees, but at this time of year the
farmers had crops to put in and their
absence was quite excusable. His
Honor went on to say that he began
the study of law in Fredericton in
1848 in the office of the late Judge
Wilnot and the years he spent here
were the happiest of his whole life.
In 1870, after Judge Weldon had been
appointed to the bench, he (Tuck),
came to Fredericton to attend Cir-
cuit Court as crown prosecutor. There
was a lot of criminal business at that
time, every crime on the calendar be-
ing represented on the docket, and a
conviction was secured in every case.
One man, who shot a blacksmith, was
convicted of manslaughter and sen-
tenced to fourteen years imprison-
ment. The pistol he did the shoot-
ing with now had a place in the li-
brary of the speaker. He (Tuck) con-
tinued to look after the criminal
business of the province until 1884,
when he was appointed recorder of
St. John. His position was some-
what similar to that of Clerk Cam-
bell, but he never got a dollar in
fees from criminal business. The
present clerk of the St. John Circuit
Court was such an expert in making
up bills of costs that clerks in out-
side counties enlisted his services. He
had been able to make up bills as well
as John Willet he would have been
hundreds of dollars in pocket. He
was now past 75, and, like most old
men, he was able to talk too much
without knowing it.

His Honor, in conclusion, in-
formed the jury that they were free
to make a presortment of any sub-
ject they thought fit.
After spending a few minutes in de-
liberation, the grand jury, through
Foreman MacKenzie, informed the
Court that they had no presentment
to make. His Honor thanked them
for their attendance and dismissed
them.

The following petit jurors answered
to their names:
George Armstrong, St. Mary's.
Hedley Vanwart, Fredericton.
Henry Morgan, New Maryland.
Balfour Hill, Douglas.
Albert Neill, St. Mary's.
Luther Goodspeed, St. Mary's.
James Merriethew, Bright.
John McKean, Bright.
John Burnett, Kingsclear.
Alfred Everett, Fredericton.
Rainsford Foster, St. Mary's.
Jonathan Sims, Kingsclear.
Charles Estey, Kingsclear.
Fred T. Williams, Douglas.
Charles Foster, St. Mary's.
John C. Gilman, Kingsclear.
Thomas Powers, Kingsclear.
J. Del. Robinson, Fredericton.
William H. Scully, Fredericton.
Charles W. Esq., Bright.
William Graham, P. Light.

THE DOCKET.

The following docket was made up
by the respective attorneys.

JURY CASES.

Josephine Seery and R. W. McLe-
lan, executors of the estate of the
late Dr. F. J. Seery vs. The Federal
Life Assurance company.—P. J.
Hughes files record.

The Petrie Manufacturing Company
Limited vs. Jacob Estey—J. H. A.
L. Fairweather files record.

Non Jury—Peoples Bank of N.B. vs.
Fred H. Hale—J. W. McCready files
record.

The most important case on the
docket is that of Seery vs. the Fed-
eral Life Assurance Company. This
case was tried last term, but owing
to the illness of the wife of the pre-
siding judge was never submitted to
the jury. Mr. A. E. Cliff one of the
jurymen died a short time ago neces-
sitating the retrial of the case. It
is an action brought by the executors
of the late Dr. F. J. Seery, of this
city to recover the amount of a one
thousand dollar policy which he had
in the Federal Life at the time of
his death. Mr. H. A. Powell, K. C.
appears as counsel for defendant in the
absence of the attorney general, with
R. B. Hanson as attorney, Dr. Stock-
ton M. P., and P. J. Hughes appear
for the plaintiffs.

The case of the Petrie Manufac-
turing Company vs. Jacob Estey is an
action for slander, the defendant,
having, so it is alleged represented
that the plaintiff company who are
cream separator manufacturers, were
involved, and about to go out of
business.

The case of the Peoples' Bank vs.
Fred H. Hale is an action for prom-
issory notes totalling \$22,500, dis-
counted by the late firm of Hale &
Murphy at the bank.

The case of Seery vs. the Federal
Life is now being tried before a jury
composed of Messrs. John McKean,
J. Del. Robinson, Jonathan Sims,
George E. Armstrong, Balfour Hill,
Alfred Everett and John C. Gilman.
Messrs. Thomas Powers, W. H. Scul-
ley and Charles Forbes were challeng-
ed and stood aside.

Mr. Hughes made the opening ad-
dress for plaintiff and afterwards
read the declarations.

HALIFAX WEDDING.

**Young Lady With Friends in Fredericton
Married to a Navy Officer.**

Halifax, N. S., June 19.—(Special)

ing at the Chapel at Mount St. Vin-
cent Academy, Rockingham of Lieu-
tenant Charles Richardson, R. N.,
and Miss Elizabeth White, daughter
of Hon. A. J. White, registrar of
deeds.

Because of the recent death of the
bride's mother, the wedding was a
quiet and private one.

The ceremony was performed by
Rev. Dr. McCarthy, rector of St.

Mary's Cathedral, and the groom and
bride were unattended.

Lieut. and Mrs. Richardson will
spend a few weeks in Nova Scotia
after which they will embark for Eng-
land.
(The bride whose father was for
several years attorney general of
Nova Scotia has a number of
friends in Fredericton. She is a
musician of note and some two or
three years ago took part in a musi-
cal entertainment at the opera
house here.)

THE GRAND MASTER'S VISIT.

Hon. C. N. Skinner, Grand Master
of the L. O. O. F. for the Maritime
Provinces, paid an official visit to
Victoria Lodge of this city last even-
ing. He made a very able and in-
structive address, dealing with the
aims and progress of the Order. At
the close of the meeting the Grand

Master and brethren repaired to the
York Hotel, where a sumptuous re-
past was made. Happy speeches in
response to toasts were made by
the Grand Master, Past Grand Mas-
ter Sampson, Brother Holman, Dis-
trict Deputy Hooper and others.

Mr. Donald Cameron and bride have
returned from their bridal tour.
