ALEX. BURCHILL DEAD.

Well Known and Esteemed Public Official
Pays the Debt of Nature.

Death removed a well known and esteemed citizen Sunday night in the person of Mr. Alexander Burchill, superintendent of the Fredericton Water Works. He had been in failing health for some months, and had not been at his office for about six weeks. He suffered from a complication of diseases and his family and friends and the public generally were quite prepared for the fatal termination of his illness.

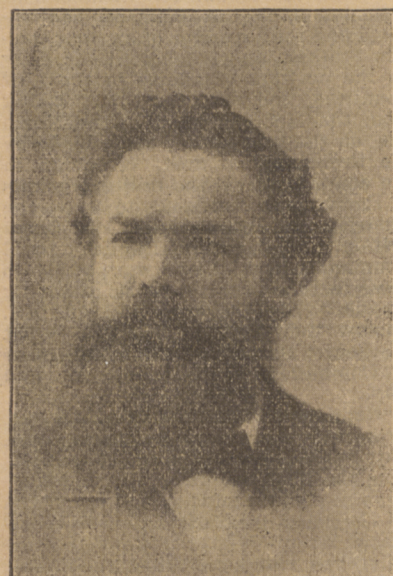

Mr. Burchill has been a prominent figure in the life of the city, for many years, and news of his death has created widespread regret. The deceased gentleman was a native of County Cork, Ireland, but had been a resident of New Brunswick since he was thirteen years of age. He spent several years in St. John, where he acquired a knowledge of the baker's trade and came to this city in the early fifties. He learned the trade of a stone mason and brick layer with his cousin, the late Mr. Alexander Block, but did not follow it as a vocation. He conducted

Mr. John Macpherson. As an official he was painstaking, courteous and was known as a very careful and systematic worker. He was greatly devoted to his work, and took pride in making the water service satisfactory to the public.

Mr. Burchill has for years been actively identified with the Masonic Order. He was a past master of Hiram Lodge of this city and for some years has been its secretary. Past Deputy Grand Master of the Provincial Grand Lodge; Past M. E. G. H. P. of the Grand Royal Arch Chapter of New Brunswick; and M. Ex. High Priest of Fredericton Royal Arch Chapter; T. L. G. Master of St. John Council No. 1, Royal and Select Masters; and a member of St. John Encampment Knights Templars. He was also a member of Luxor Temple A. A. O. N. Mystic Shrine. He was an active Forester, being for a time secretary of Court Millicite, and was also an Oddfellow. He was a member of the Old Free Masons' band of this city, an organization of twenty-six members only two of whom Major Cropley and Mr. C. Sterling Brannen are now alive. Mr. Burchill was a member of the Church of England and had for some time been a sidesman of the Cathedral.

The deceased gentleman was twice married, first to Miss Howell, of this city, by whom he had two daughters, both of whom died some years ago, the eldest having married Mr. W. W. Clarke of St. Stephen. Mrs. E. Cadwallader of Maryville is a sister to Mr. Burchill's first wife. By his second wife, who was a Miss Williams, daughter of the late Mr. Edward Williams of this city, and sister to Mr. Edward Williams of Woodstock, he had five children. They are Charles A. and Mrs. A. E. Massie of this city, Mrs. A. Wood of Brooklyn, N. Y., Mrs. W. R. Rourke of British Columbia and Miss Mabel Burchill at home.

The funeral will take place tomorrow afternoon at three o'clock, under the auspices of Hiram Lodge F. and A. M. Services will be conducted at the Cathedral by Rev. Sub-dean Street, and interment will be made in the old burying ground. The flag in the city hall is flying at half mast today out of respect to the memory of the deceased and the mayor and city council and city officials will attend the obsequies in a body. Mr. John G. Adams is the officiating undertaker.

THE LATE ALEXANDER BURCHILL.

(From a photo taken some thirty years ago.)

COL. MARSH'S TRIBUTE.

Police Magistrate Marsh, seen by a Herald representative this morning, spoke very feelingly of the death of his old friend and brother official. "I have lost one of my closest friends," he said, "and the city has lost a very worthy citizen. Perhaps no man in the city knew the late Mr. Burchill more intimately than I did. I always found him a gentleman, a true friend and kind neighbor. I used to drop into his office nearly every day and have a chat with him. He was a man of extraordinary good sense, and was remarkably well informed in current events. No man in this city will miss Sandy Burchill more than I will."

City Treasurer Golding, City Clerk McCready and Rowmaster McKay also spoke very feelingly of the late Mr. Burchill.

A MILITARY RUMOR.

It is rumored in military circles that the Department of Militia may in the near future establish a cavalry force in this city, and remove No. 8 Co. of the R. C. R. to Montreal, where an infantry school is to be opened. The R. C. R. authorities here have not been notified of any change and do not give much credence to the rumor. It will be remembered that when No. 4 Company of the R. C. R. was transferred to Halifax the minister of militia talked of sending a squadron of cavalry here, but a change was afterwards decided upon and it went to St. John's, P. Q., instead. It is said that the department now feels that there should be a cavalry depot in the maritime provinces, and if one is established, Fredericton will stand a good chance of getting it.

"NO. 101."

A story founded on unpublished MS. despatches now in the Record Office of the British Museum, which record the fact that during the reign of Louis XV. the British government obtained important state secrets through an agent known to the British ministers as "No. 101." Who this mysterious agent was, whether it was a man or a woman, why and how he or she so successfully played the part of traitor, have not, so far as known to the author, been discovered by historians or archivists. Upon this foundation the author has created a romance which will be sure to delight those who peruse it. It begins in today's Herald.

The masquerade carnival in the Arctic rink next Wednesday evening, is the leading topic of conversation just now. The general admission is 25 cents. Admission for those in costume, including skates, will be 25 cents also.—d.
