ELECTRICAL STORM.

A severe electrical storm, accompanied by a heavy down pour of rain, passed over this city between eight and nine o'clock on Saturday evening. The flashes of lightning were very vivid and frequent while the storm lasted and the thunder peals were exceptionally loud. So far as can be learned there was no damage done in this vicinity. The rain fall cooled the air considerably and undoubtedly resulted in great good to the country.

HENDERSON--HENDERSON.

Attractive Wedding Ceremony and Festivities at Windsor, Carleton County.

At the residence of the bride's parents, Robert F. and Matilda Henderson, Windsor, Carleton County, N. B., June 27th, Frank and Cora Henderson were united in the holy bonds of matrimony by Rev. C. T. Phillips. The occasion throughout was a most imposing affair.

Those who were to be united appeared on the lawn in front of the residence accompanied by Mendell's Wedding March, rendered by the bride's sister, Mrs. Henry Smith. The bride was attended by her niece, Wilhelmina Henderson.

The ceremony being closed, the happy couple were cordially saluted by the guests, after which a sumptuous repast was served, of which one hundred and fifty guests partook.

The following a cheering serenade, when the groom, with the bride on his arm, responded to the serenaders in cordial style. They left Windsor at half past seven for their future home in the suburbs of Woodstock.

The large circle of young people will miss them as they were among the society leaders and Windsor will miss one of the fairest and accomplished daughters in the person of Miss Cora F. Henderson.

The bride and groom were the recipients of numerous and valuable presents, amounting to the sum of two hundred dollars.

The groom's present to the bride was a handsome gold watch and chain.

MRS. FRASER'S OFFER.

Two Globes, Property of the Late Judge Fisher for Chatham School.

Chatham, July 21.—Chief Superintendent Inch writes W. B. Snowball, chairman of the Chatham board of school trustees, as follows: "I have been requested by Mrs. Fraser, widow of Governor Fraser, to offer on her behalf to the Grammar School at Chatham, two large globes, which were formerly the property of her father, the Hon. Chas. Fisher."

"Mrs. Fraser has been influenced in this matter by the fact that her late husband was a native of Northumberland County, and that Mrs. Fraser remembers with great satisfaction and pleasure the enthusiasm with which her husband was received in his native county upon his official visit to the county during the period of his governorship."

"I am desirous to say further that in case the Grammar School is already supplied with globes, and does not need an additional equipment of this kind, she desires that the globes may be offered to the convent school in Chatham."

"Kindly report to me any action of your school board to any action of the school board at its next meeting."

MARYSVILLE NEWS.

July 22.—It was a splendid ball game last Saturday evening when the Marysville team met and again defeated the St. Mary's Stars. It was a pitcher's battle between Malloy and Brogan and the latter won out, the score being 3 to 1. Both of the teams played gift edge base ball, from start to finish and the large crowd present witnessed an A 1 game. The features of the game was Brogan's pitching, and a wonderful catch made by Edmond Downing in left field for Marysville, who after a long run captured a high fly and threw a man out at first, he and "Bobby" Cain making an excellent double play. The Marysville team made 2 home runs and 3 bagger. They seemed to bat when and where they wanted to, although the excellent pitching of Malloy and the good support he got kept the score down considerably.

During the game a collection was taken which goes towards paying expenses. There will be a game next Saturday night between the home team and the Fredericton Tartars. A good game is in store for all who attend. A collection will be taken. "Bert" Denison was the umpire on Saturday night and his work was very satisfactory to all.

The many friends of Mr. A. D. Macpherson will be sorry to hear that he is confined to his home through illness.
