

Events of a Day

BAND CONCERT TONIGHT.
The 71st Regt. Band will give an open air concert on the Smythe St. Band stand this evening.

FREE CONCERT.
Another of those delightful graphophone concerts will be held on the river in front of the bicycle and boating club house this evening, weather permitting. The programme will include the Vassar Girls' Quartette. This is the first quartette of female voices ever heard on a graphophone in this locality and is attracting great attention elsewhere. This concert will be free as the air you breathe.

SMALLPOX.
Word has been received here that smallpox has broken out at Prince William and also at Lower Prince William. Three houses have been affected by the disease. Chairman McElman of Gibson, who has been

communicated with will go to Prince William tomorrow morning to look into matters. Mr. McElman has not yet learned the names of the parties who are down with the disease.

A couple of cases of smallpox have also existed during the past month at Taymouth in the house of a family named Stewart, but the disease has died out and the houses are now being fumigated.

THE RIGHT OF WAY.

Mr. Archibald Foster of the Transcontinental railway staff, is engaged at the crown land office procuring information in regard to the ownership of land along the proposed route of the Grand Trunk Pacific from Chipman to Moncton. It is likely that in the near future negotiations will be commenced with a view of securing a right of way for the road.

Mr. Ainley Howell, formerly of this city but who now holds a good position in Boston, is in town on a vacation.

MILITARY MATTERS.

Lord Ayler Coming Next Week to Inspect the R. C. R.

Lord Ayler, inspector general of the Canadian Militia, is expected here on July 31st to inspect No. 8 Company of the Royal Canadian Regiment. He will be entertained at the officers' barracks and is expected to remain in the city two or three days.

Lieut. Col. Chiole expects to remove his wife and family to this city some time next month. Permission is given to all units of the permanent force in Canada to wear puggarees with helmets. The badge to be the same as worn on the cloth field service cap, except where a special badge has been authorized. A puggaree will be issued to each non-commissioned officer and man now serving and to recruits when issued with helmet. Subsequent issues to be made on repayment.

SPORTSMEN FROM AUSTRIA.

The fame of New Brunswick as a land of big game hunting seems to be extending pretty well over the world. On Wednesday Mr. Henry Braithwaite, the well known guide, received a letter from an officer in the Austrian army asking that arrangements be made for a party of three to hunt on the Miramichi during the month of October. It is needless to say that Mr. Braithwaite will endeavor to accommodate the party. The indications are that there will be an unusually large number of non-resident sportsmen visit the province this fall.

MARRIED AT TORONTO.

Many Fredericton friends of Miss Mary L. Wilmot, read with pleasure the announcement of her marriage published in Wednesday's Herald and join in congratulations. The bride, who is a daughter of the late John D. Wilmot of Belmont and niece of Mr. R. D. Wilmot, M. P., was wedded at Toronto, July 18, to Major Charles T. Dupont of Victoria, B. C. Miss Wilmot was a personal friend of the late Mrs. Dupont and resided with her for some time in Victoria. The newly married couple will spend a year touring Europe.

THE EATMAN INQUEST.

Coroner Weaver will conclude the inquest over the body of the late Joseph Eatman at the county court house this evening. So far Sergeant Phillips, who is working on the case, has not been able to find any one to corroborate the story told by George Sewell that he saw Eatman alive on Sunday afternoon. It seems to be an established fact that the fellow lost his life at an early hour on Sunday morning while trying to board the steamer Victoria.

SUNDAY SCHOOL PICNIC.

The Main Street United Baptist, Gibson, (formerly Free Baptist) will hold their annual Sunday School picnic on Aug. 15th on the beautiful picnic grounds known as Pleasant Point, eighteen miles ride on the I. C. R. up the Nashwaak. Already committees have been appointed and have in charge the different departments and are determined to make this the best picnic of the season.

Mr. Hartt holds a good position in his new home and his many friends in this locality will wish him every happiness.

BAND CONCERTS.

The Fredericton Brass Band rendered a splendid program of music on parliament square last evening. There was a large turnout of people and the concert was much enjoyed. This evening the band of the 71st regiment will play a program on the Smythe street band stand.

THE HORSE RACES.

The directors of the Fredericton Park Association have decided to add another event to the program of races to be pulled off here next month. It will be for colts under four years old bred in the Maritime Provinces. The entry forms for the meeting will be out in a few days.

The politest man has been discovered. He was hurrying along the street the other night, when another man, also in violent haste, rushed out of a doorway, and the two collided with great force.

The second man looked mad, while the polite man, taking off his hat, said: "My dear sir, I don't know which of us is to blame for this violent encounter, but I am in too great a hurry to investigate. If I ran into you, I beg your pardon; if you ran into me, don't mention it." And he tore away with redoubled speed.
