

Events of a Day

AUCTION SALE.

Auctioneer Stockford will hold a sale of the household effects of Samuel Babon at the residence, King St. on Monday afternoon.

CHANGE OF TIME.

Commencing Monday, October 1st, and until further notice, steamers of the Star Line S. S. Co. will leave Fredericton for St. John and intermediate points at seven o'clock a. m. —Sept. 27—d81.

STEAMER DELAYED.

Fog was so thick that could almost cut it with a knife, hung over the river this morning. The steamer Victoria due to leave for St. John at eight o'clock, was delayed at her wharf for nearly two hours.

ANOTHER TEMPERANCE RALLY.

A temperance rally will again be held at the close of the church services tomorrow evening in the city hall. His Worship Mayor McNally will occupy the chair and addresses will be delivered by several city clergymen. An attractive musical programme will be a feature of the evening.

NEARLY FINISHED.

The Fredericton Boom Company have a large force of men at work sacking the logs from the shores and bars, in the vicinity of Springhill. The job is rather difficult as the water is extremely low. The logs are all being sent down to the Mitchell boom. This is the last cleaning up of the season, and it is likely that rafting operations will be completed in the course of another fortnight.

HOLINESS MEETING.

There will be a holiness meeting held in the I. O. G. T. Hall, over Burt's grocery store, Queen street, on Monday evening next, Oct. 1st, at 7 p. m. and Rev. G. B. Traflet of Marysville, will conduct the service (D. V.). An interesting and profitable meeting is anticipated and all are cordially invited to attend.

IN THE FAR NORTH.

Mr. James Malone, the well known and efficient deputy Crown Land Surveyor of Stanley has gone to Labrador to cruise a stretch of timber land for a large lumbering concern. He is at present at Grand Village, six hundred and seventy miles north of St. John's, Newfoundland.

UNIVERSITY FACULTY.

Members of the Staff as at Present Constituted.

The changes in the membership of the faculty of the University are so frequent that the public is scarcely able to keep pace with them. As constituted at present the staff which on Monday will commence work is composed as follows:

Dr. Cecil C. Jones, chancellor, chairman of the faculty and professor of mathematics.
Dr. L. W. Bailey, professor of natural science, Prof. W. T. Raymond, professor of classics and history.
Prof. W. H. Salmon, physics and electrical engineering.
Prof. S. W. Perrott civil engineering and chemistry.
Dr. John Brittain lecturer on chemistry.
Dr. M. S. Macdonald, philosophy and economics.
Prof. Harold Geoghegan English and French.

PROPERTY SALE.

McFarlane Residence at St. Marys Sold for \$2,600.

The fine dwelling house at St. Mary's, belonging to the estate of the late Walter McFarlane was sold at auction in front of the post office at noon today. There was a large crowd in attendance but bidders were rather scarce. A young man named Blair started the bidding at \$1000 and it quickly ran up to \$2600 at which figure it was knocked down to Mr. O. S. Crockett, M. P. representing Mrs. J. R. Howie, and Mrs. R. B. Adams, two of the heirs. The property is one of the most desirable in St. Marys and is easily worth double the price for which it was knocked down today.

Mr. D. J. Stockford officiated as auctioneer.

A GOOD MARKET.

There was an old time fall market this morning, and between the hours of eight and eleven o'clock Phoenix Square presented a very animated appearance. Eggs took a jump this morning from 22 to 25 cents a dozen and even at the latter figure the supply did not equal the demand. Spring chickens were plentiful and brought from 60 to 75 cents per pair according to quality. Other prices were as follows:

Potatoes per bbl.	\$1.20
Turnips per bbl.	50
Apples per bbl.	\$1.00 to \$2.00
Squash per lb.	.08
Cabbages each	.22
Butter per lb.	.22
Lamb per lb.	.08 to .10
Tomatoes per peck	.15
Young pigs each	1.50
Cranberries per bushel	.25

MRS. DINGEE'S DEATH.

The death occurred last evening at her home on Saunders street, of Mrs. Bessie Dingee, late of Gagetown. She had been in delicate health for some weeks, but her death was quite unexpected. The deceased was a daughter of Mr. Alex. Ross of this city, and besides her parents is survived by one brother, Mr. Marvin Ross. She was thirty-three years of age. The funeral will take place on Monday, at 2.30 with services by Rev. J. H. Macdonald. Mr. George W. Adams is the officiating undertaker.

THE FOOL WITH THE GUN.

The swimming season is over so that the rivers and ponds are not likely to claim any more death victims from among those who go into the water, but cannot swim. But the gunning season has opened, and the number of those who died from "did not know it was loaded" and other causes in the huntingfield, will no doubt be duly recorded within the next few weeks.—Sackville Post.

(These observations appeared in the Herald a couple of weeks ago, and were considered so apropos that the Sackville Post transferred them to its columns without credit.)

A REAL CURIOSITY.

There is white cow moose, roaming about the woods somewhere in the great stretch of forest watered by the Tobique and Miramichi rivers. It has been seen within the past few weeks by several guides and sportsmen and they describe it as a genuine albino, with not a dark spot on it. Quite likely an effort will be made to procure this strange freak of nature for the Crown Land office.

MARRIED AT BOSTON.

The marriage took place at Boston on September 22nd of Mr. George L. Churchill a former resident of Liverpool, N. S., and Miss Margaret L. Rurledge, of Oromocto, N. B. The ceremony was performed at St. Joseph's church by Rev. Father Walsh.

COLLEGE Y. M. C. A.

The Y. M. C. A. of the University will hold the first meeting of the college year at their rooms in the U. N. B. building tomorrow afternoon at four o'clock. Dr. Jones will address the members.

Don't fail to look in at the special Book offerings at McMurray's. They are very interesting.—d.

SCOTT ACT CASES.

North Lake Man Offers Sensational Testimony at the Police Court.

The Scott Act cases against Roy Veysey and William H. Foster of North Lake, was continued in the police court yesterday afternoon. The Veysey case was taken up first and Otis Carr of North Lake was called to the stand. He said that he lived at Amity, Me., and knew the defendant, who kept a store near the boundary line and made a business of selling rum. Witness bought liquor from him on August 22nd.

Under cross-examination by Mr. H. F. McLeod, the defendant's counsel, the witness said he was not in the habit of getting drunk. He had trouble with Mr. Veysey over a cow, but they were good friends afterwards. Veysey served a dirty trick on witness by saying that if he came to the city to give evidence a man here would shoot him. Carr's evidence closed the case for the prosecution.

In the Foster case, Carr also gave evidence. He swore that he saw a man named George Swanton, purchase liquor from the defendant on August 26th, and he (witness) afterwards drank some of it. The defendant was now doing business in a camp on the American side of the line.

At the request of the defendant's counsel, both cases were stood over until Friday, to allow the defence a chance to procure witnesses. Rev. J. J. Colter was the complainant and conducted the prosecution in both cases.

Col. Marsh has two Scott Act cases set down for trial on Tuesday next. The defendant in one case strange to say, is a resident of Marysville, while the other come from St. Mary's. Rev. J. J. Colter laid the information.

A special effort is made to fill all requirements in office stationery and requisites at McMurray's. Tell them your troubles, they will help you.—d.

THE PIPE CONTRACT.

Under the terms of their contract Hyde & Webster were to have delivered all the pipe required for the sewerage system by Sept. 15th. It is now a fortnight past the time, and there is some \$2,000 worth of pipe still to come. City Clerk McCready, when asked this morning what action, if any, the city proposed to take to bring the contractors to book, he replied, that he had no information to give out on the subject. Engineer Lee says there is sufficient pipe on hand, to keep the work going, but no time should be lost in getting the remainder here.

U. N. B. EXAMS.

The entrance examinations at the U. N. B., which have been going on since Thursday, were concluded this afternoon. Lectures will begin at the college on Monday morning at nine o'clock. So far fourteen new students have registered, but a much larger number of the old students have returned to the city.

LEASED A HOTEL.

Mr. Duncan Robinson of Marysville has leased the brick hotel building at Marysville and will occupy it as a hotel. Mr. Robinson is a good business man and popular with all classes and will no doubt make a success of the hotel business.
