IMPORT OUR FLOUR.

Great Britain's Purchase for Nine Months
Double that of Same Period Last Year.

Ottawa, Oct. 30.—(Special)—Canada's commercial trade agent in Leeds, England, says that Canadian flour is making great inroads on the milling business of Great Britain. For the first nine months of 1905, the imports were 847,000 hundred weights, and for the same time this year they were increased to 1,520,000 cwt. It looks, says the agent, as if Canada would capture this trade.

GREAT SILVER MINE.

Excitement in Port Arthur District Over Wonderful
Discovery of Rich Ore.

Port Arthur, Ont., Oct. 30.—(Special)—The richest silver discovery ever made in this district, was made in the West End Silver Mountain mine on Saturday, when the company struck a fabulously rich section of vein. Ore was taken out almost solid. There is great excitement on account of the discovery. A sample weighing one hundred pounds is on exhibition at the Mariaggi Hotel. This vein was known to former operators, but had been lost. Captain Hanson, the proprietor is shipping a carload of ore to Omaha. The bulk of this ore has not passed under stamps, but is so rich as to be sent direct to the smelter. Captain Hanson has one piece of solid silver ore from the West End Mine that goes \$600 in silver and weighs 100 pounds. Other nuggets vary from six pounds upwards. A tunnel is to be run from the West End to Shuni Veau mine over 2,000 feet during which several veins are expected to be encountered. There is a mine located on Thunder Bay, east of Port Arthur and worked back in the seventies, since when it has lain idle, has changed hands and is to be put under to work right away. The purchase price is said to be \$75,000.

GOVERNMENT DEFEAT.

House of Lords by a Majority of 200 Passed
Amendment to Education Bill.

London, Oct. 30.—The first vote in the committee of the house of lords on the education bill was taken last night and resulted in the defeat of the government by a majority of 200. The vote came on an amendment to the first clause in the bill. The amendment which was offered by Lord Heneagh, Liberal, ranks religious instruction compulsory during a part of the daily school hours in all public elementary schools. Lord Heneagh, speaking for the government, refused to accept the amendment, but after a most business like debate the amendment was carried by a vote of 256 to 56. The majority included the entire opposition in the house of lords with the exception of Lord Amthill, who voted with the majority. Among the majority were the Archbishop of Canterbury, twenty bishops and the Duke of Devonshire. Among the minority were all the peers who are members of the government and Lord Rosebery, the Duke of Manchester, the Earl of Durham, Earl Russell, the Marquis of Northampton, Lord Brassy, Lord Grimthorpe, Lord Weardale, Lord Haversham and Lord Reay. The attendance was greater than any time since the last debate on the Home Rule Bill. The galleries of the House were thronged with peacocks and members of the House of Commons anxious to watch the progress of the measure.

MOUNT ALLISON'S LUCK

Late Jairus Hart of Halifax Left University
\$100,000, and Like Amount to

Halifax, N. S., Oct. 30.—One of the wills which the public of Halifax are praising more than any other for many years is that of the late Jairus Hart, which was proved yesterday afternoon. It provides for the disposal of an estate probably worth \$500,000, and the greater part of which goes to religious and benevolent purposes. Mount Allison University, Sackville, N. B., will eventually receive about \$100,000 and the Methodist church generally, in one way or another, \$100,000 besides the Halifax School for the Blind, the School for the Deaf, the Protestant Industrial School, and the Y. The Halifax Public Library is to get \$10,000 to purchase new books. Forty-eight nephews and nieces receive between them \$25,000 and two other relatives, Mrs. Coleman, of Halifax and Mrs. Black of Truro, each get a life interest in \$40,000. The executors are J. Y. Payzant and deceased's brother Levi.

amounting to \$5,000, as well as valuable registered mail matter, was stolen from the registered letter bag at Elkhorn, Manitoba, Friday. The sack was thrown from the early morning express from Winnipeg and was intended for a station on the Kirkella branch, which runs north west from Elkhorn. The mail is taken off at the latter place by a mail clerk of the branch line but he had an arrangement whereby the night operator took them in charge. Saturday morning when the bags reached the branch train the theft was discovered.

SERIOUS ACCIDENT.

Harvey Boy, Son of Coun. Robison,
Badly Hurt in His Father's
New Building.

On Saturday afternoon, at Harvey Station, Paul Robison, the fifteen year old son of Councillor Thos. Robison, was badly hurt while assisting at the new building which he is putting up.

He had occasion to go upon the tread of a horse power which was being used by the carpenters for ripping lumber. The power was in motion at the time, and he did not notice that one of the planks had become displaced and got his leg into the space left open and before he could extricate himself he was carried under the machine.

One of his legs was broken below the knee. The leg was also cut and torn in a terrible manner.

The injuries were attended to by Dr. B. H. Dougan assisted by Miss Nellie Smith, who is a professional nurse.

CAR RAN INTO KITCHEN.

Connellsville, Pa., Oct. 30.—While Mrs. Allen Blair, living in a small frame house near the Pennsylvania railroad at the New Haven end of the Younglough river bridge, was making preparations for supper, there was a tremendous crash and a freight car came rushing into the kitchen, crushing everything before it. The engineer at the front end of a long freight train had "put on the air" suddenly, while the engineer of the "helper" at the rear failed to stop; the train "buckled" and one car went bang into the house. Mrs. Blair escaped with a few bruises.

PICK VS. EDWARDS.

Suit to Decide Ownership of Queen Street
Property Before the Equity Court.

An important and rather interesting case, in which Mr. George H. Edwards' reply in which he stated that Mr. Pick had no claim on the property. It was stated in conclusion that the defendant had admitted to Charles H. Allen, when the papers were served, that he was acting as agent for Mr. Pick. The answer to the bill was read by Mr. McLellan, and in it the defendant denied that any power of attorney was ever executed by Mr. Pick either to him or on his behalf. After the death of Miss Mount, Mr. Pick on the other hand, claims that the property is his and that Mr. Edwards in managing the property was merely acting under a power of attorney executed to him in 1880. He also claims that he has never received any monies derived from the property since that time. Mr. W. B. Chandler, K. C., of Moncton, appears for the plaintiff, and Mr. Edwards' interests are being looked after by Mr. L. A. Currey, K. C. of St. John and Mr. R. W. McLellan of this city. The bill of complaint read to the court by Mr. Chandler, set forth among other things that the property was formerly owned by the late Edward Pick, father of the plaintiff, who sold a third interest in the same to the late Mr. James Mount, and it was at the request of Mr. Chandler, in the hearing was adjourned until 2.30 o'clock to enable Judge Gregory to be present as a witness. Judge Gregory was called as the first witness this afternoon and issued appointing Mr. Edwards agent for the said property. The defendant then took charge and collected the rents, paid the taxes etc., but the six years ago. He (Gregory) had plaintiff claims he never made an accounting to him of the monies derived from the property. The bill had first been held under seal by Miss Annie Williams, and for the past fifteen years by Mr. Dugald McCatherine, and the annual rental sum of \$4 per month be paid to Mrs. Carr, for the support of her two grandchildren, Katherine and Jean O'Leary, daughters of the late Mr. John O'Leary. Mr. D. J. Shea is the guardian of the children and the money is to be paid from a fund of \$50, now on deposit in the government savings bank. In the matter of Mary D. Peters and E. Byron W. Peters, infants, J. F. Winslow moved for an order or authority to renew certain leases of land on King Street, this city. Court considers.

OTHER MATTERS.

On motion of Mr. J. J. F. Winslow, the Judge ordered that the sum of \$4 per month be paid to Mrs. Carr, for the support of her two grandchildren, Katherine and Jean O'Leary, daughters of the late Mr. John O'Leary. Mr. D. J. Shea is the guardian of the children and the money is to be paid from a fund of \$50, now on deposit in the government savings bank. In the matter of Mary D. Peters and E. Byron W. THE LAST SAD RITES.

Remains of the Late Mr. Alex. Burchill
Committed to the Grave with
Masonic Honors.

That the late Mr. Alexander Burchill enjoyed the esteem of his fellow citizens was amply attested by the large number that turned out this afternoon to pay their last tribute to his memory.

The funeral took place at three o'clock, from the home at Queen Street, and was under the auspices of Hiram Lodge, of Free and Accepted Masons, an organization which the deceased had been actively identified with for the long period of forty-nine years. The members of Court Millicote, I. O. F., the mayor, alderman and city officials attended in body. The Masonic Grand Lodge of New Brunswick was represented by Grand Master Edwin J. Everett, Grand Secretary J. Twining Hartt and Grand Director of Ceremonies, Frank L. Tufts, all of St. John.

The body was taken to Christ Church Cathedral, where a beautiful and impressive service was conducted by Rev. Sub Dean Street, assisted by Rev. Mr. Carson. Prof. Powell presided at the organ and the choir rendered the hymns "Lead Kindly Light" and "Abide With Me," followed by the Nunc Dimittis.

At the conclusion of the service the body was returned to the house, and the long funeral cortege reformed. The Fredericton Brass Band was in the lead and next came the members of the city police force. Next came the members of Hiram Lodge in regatta, led by Worshipful Master C. Fred Chestnut, and grand lodge officers. A coach containing the official clergy, men followed and then came the large funeral car, drawn by a handsome span of black horses. The list of chief mourners was composed of Charles A. Burchill, Dean Clarke, Master Donald Massie, A. E. Massie, W. W. Clarke, Hugh Block, and George Edney. Following the chief mourners came the mayors, aldermen and city officials, and the members of Court Millicote, who preceded the general public. The pall bearers were Messrs. A. F. Street, S. H. McKee, William Lockhart, J. F. McFarlane, Austin Dunphy and J. H. Fawcett, all members of Fredericton Royal Arch Chapter. Mr. George Y. Dibblee discharged the duties of master of ceremonies.

To the sorrowing strains of the Dead March in Saul, the procession slowly wended its way to the old Brunswick street burying ground, where the body was interred in the family lot. The Masonic burial service was read at the grave by Past Master H. V. B. Bridges. The funeral arrangements were in charge of undertaker John G. Adams. girls were on the verge of collapse, and are both ill in bed. The sisters were crossing a field, when they heard a noise behind them and looking around, saw the bull coming, head down and tail up. Pushing and pulling each other the girls in their desperation climbed the pole beneath them. When at last they were rescued from their perilous position after six dreary hours, both girls were on the verge of collapse, and are both ill in bed.
