SPORT AT DRIVING PARK.

Belfry Chimes an Easy Winner in 2.20 Class—The Other Events.

The horse races at the driving park yesterday afternoon attracted a crowd of about five hundred spectators and were the equal of any ever seen here. Belfry Chimes won the 2.20 class in slight heats. The General, a worthy son of Lord Dufferin, had things all his own way in the colt race. A heavy thunder shower made it necessary to postpone the 2.28 event after three heats had been run off.

Ruth Wilkes drew the poll in the first heat of the 2.20 event, but lost it at the first turn to Belfry Chimes. The horses of which there were seven, passed the half mile post fairly well bunched, Belfry Chimes had the lead with Claudia Hal a good second. Shamrock succeeded in passing the Truro mare in the second half, but the leaders did not change their positions. The time by quarters was: 34, 1.09, 1.43, 2.18.

In the second heat Belfry Chimes at the poll travelled beautifully, and finished the half with a good margin, Ruth Wilkes being second and Claudia Hal third. The others were strung out a good distance behind at the three-quarter pole. Claudia Hal passed Ruth in the home stretch, and the struggle between them for second place was a very pretty one. Belfry Chimes finished with a good lead, Ruth Wilkes taking second place. The time by quarters was 34, 1.09, 1.43, 2.18.

In the third heat Belfry Chimes broke near the first turn and fell into fourth place. Ruth Wilkes broke and shied at the same time, and only the coolness of Driver Cox prevented what might have been a serious mishap. He sprang from the sulky and brought the mare to a standstill, but not before his sulky had collided with one of the others and suffered the loss of a wheel. Belfry Chimes was not long in picking up the lost ground, and won the heat with a good margin Claudia Hal being second. The time by quarters was 34, 1.11, 1.45, 2.21.

Belfry Chimes was the favorite in the betting and nobody was surprised at his victory. He is a Boston bred horse, a grand son of the great Electioneer, and one of the fastest in the Maritime Provinces.

The 2.28 event also had seven starters and was well contested. Badger drew the poll with Drugist in second position. Little Egypt soon worked into first place and Burling kept close at her heels. These two kept the lead during the second half with the others well strung out. Little Egypt won the heat with Burling a good second. The time by quarters was 34, 1.09, 1.45, 2.23.

In the second heat Little Egypt led from the start with Burling second and Badger third. At the half mile post Fleetfoot stepped ahead of Badger and in this order the heat was finished. Egypt won by length over Burling. The time by quarters was 36, 1.11, 1.45, 2.23.

In the third heat Burling passed Egypt at the quarter pole, and was never afterwards headed. The struggle between them was a very pretty one, and although Egypt partly closed the gap on the home stretch, she did not have the speed to overhaul the gelding. Littlemore had a bad upset before the beginning of this heat and had to be withdrawn. Drugist was also withdrawn. A heavy thunder shower, which set in as the horses were lining up for the fourth heat, made it necessary to postpone the race until this afternoon.

Burling and Little Egypt were the favorites from the start, and the sports who have their cash staked are awaiting the result with much interest. The time by quarters in the third heat was 33, 1.08, 1.45, 2.22.

The General driven by Harvey McCoy, had things all his own way in the colt race. This remarkable colt has a record of 2.22 and easily outclassed his competitors. There was quite a struggle for second place between Belmar, Cecil Mac and Weary Willie, but the Chatham horse won. Cecil Mac broke her hobbles in the 4th heat but managed to hold 4th place. Tom Abbott was drawn at the end of the second heat and Roxy G. at the end of the first heat. The time by quarters in this event was: Third heat 37, 1.14, 1.51, 2.27. Second heat 35, 1.12, 1.50, 2.27. Third heat 35, 1.14, 1.51, 2.27.

THE ROYAL ARCANUM.

Grand Council of Royal Arcanum in Annual Session.

(St. John Telegraph.)

Sheriff J. A. McQueen of Dorchester, was elected grand regent of the grand council of maritime provinces, Royal Arcanum, at the afternoon session of the annual meeting yesterday. The other officers elected were: P. A. Masters, G. V. R. Frank Power, G. O. J. F. Allison, G. S. C. W. Burnyeat, G. T. G. H. McAndrew, G. C. H. C. Martin, G. G. Wm. Crowe, G. W. C. A. McClellan, G. S. J. D. McKay, G. T. F. L. Blair, G. P. R.

The following committees were appointed for the ensuing year:—Committee on laws—A. U. Chartiers, T. H. Belyea, J. C. Ferguson, H. D. Fawcett, S. J. Huston, State of the order—J. T. Faulkner, J. Albert Black, H. H. Schaefer.

The newly elected officers were installed at last evening's session by A. C. Tripp, of Baltimore, who was delegates for this office by the supreme council. The election occupied practically all the afternoon session.

The fourth annual meeting of the grand council opened yesterday morning in the Foresters' Hall, Charlotte street, with a fair attendance. The visiting representatives from the United States were: A. C. Tripp, of Baltimore, past supreme regent; A. D. McConochie, supreme representative of the state of Maryland, and Wilson Taylor, deputy supreme regent.

All three addressed the meeting. Mr. Taylor said that he was present by the request of the supreme regent. If New Brunswick was to be better organized, all he asked for was the aid of the members of the Royal Arcanum in the provinces. The past year has been a strenuous one for the Royal Arcanum in the maritime provinces. Unfortunately a decrease in the membership had taken place—accounted for by the radical changes in the rates. On July 31, 1905, the membership for the maritime provinces was 1,199. On July 31, this year the membership numbered 947, a decrease of twelve per cent.

The following representatives were among those in attendance yesterday: Frank Wetmore, St. John; John J. Weddall, Fredericton; H. C. Carter, Amherst; Wm. Crowe, Halifax; A. W. Chapman, Bon Temps; W. W. Folkins, Sussex; John P. Chipman, Kentville; Donald Munroe, Woodstock; J. C. Ferguson, Campbellton; Hiram Goudy, Yarmouth; C. T. Bent, New Glasgow; George H. McAndrews, St. Stephen; W. W. Hay, Woodstock.

The provincial medical examiner, Dr. W. A. Christie, was not present, for he is attending the British Medical Association meetings in Toronto.

The past regents present were G. D. Martin, P. E. Troop, A. B. Smalley, H. C. Martin, W. H. Barbour, W. H. Cochran and A. G. Burnham.

AGAINST TAMMANY.

Jerome Would Not Accept Support of Men of Chas. F. Murphy's Type.

New York, Aug. 21.—A statement by Charles F. Murphy today that he found no sentiment in Tammany Hall for District Attorney Jerome as a prospective nominee at the Democratic party for governor, but that on the contrary, he found plenty of sentiment for Wm. Randolph Hearst, brought a quick response from Mr. Jerome tonight. Mr. Murphy in his interview declared that Tammany delegation to Buffalo undoubtedly would be bound by the unit rule and that Tammany delegates usually were guided by the sentiment of the organization.

In a reply to Mr. Murphy given out tonight, District Attorney Jerome declares it was no surprise to him to find Murphy practically declaring for Hearst and among other things he said:

"Birds of a feather flock together, and when a person intellectually sterile, socially vulgar, and morally obtuse, insults the decent people of the state, irrespective of party, by seeking the nomination of a political party by advancing dollars and not ideas, and by methods akin to those of the blackmailer, no thinking man could doubt where Murphy could be found."

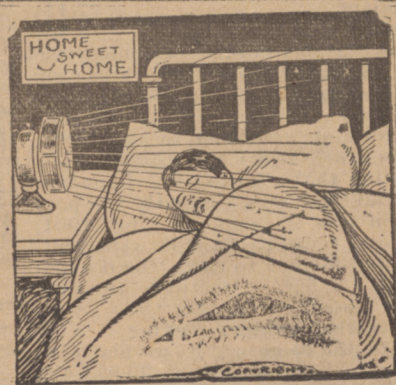

"I should fear I had lost all my ideals if I found men of this type supporting me, except under absolute compulsion."

"If I ever come to have any influence in the Democratic party it will be used to drive out of it bosses of this type."

"The fight is to free the parties from just such men as Murphy. To deprive them of their control, of the executive machinery, to restore it to the discharge of functions for which it was created, viz: the effective expression of the will of the people who compose the party."

District Attorney Jerome after reading over the statement to the newspaper men said:

"I think that will hold you boys for a while."
