PERSONAL MENTION.

Movements of People in whom our Readers are Interested.

Your investment in the minds and memories of the people, is the safest thing you own.

Mistakes will be made in every business, but the greatest mistake is to worry about them.

RECORD YEAR FOR MINERALS.

Canada's Production More Than \$68,000,000, an Increase of \$8,500,000 Over 1904.

Ottawa, March 6.—A summary of the mineral production of Canada for 1905 has been issued by the geological survey branch of the interior department.

The value of mineral products for the year is \$68,574,707, or \$2,000,000 higher than Canada's best year, 1901, when it was more than \$66,000,000. In 1904 the mineral production was \$60,073,897, or \$8,500,000 less than for the past year. Last year's returns are all the more remarkable in view of the falling off in the output of gold from the Yukon. There is a decrease in the output of Yukon gold of more than \$2,000,000. The non-metallic is placed at \$31,123,877, and the metallic at \$37,150,830, to which \$300,000 products not returned are added, making \$68,574,707 in all.

Coal occupies the largely predominant position, making over \$17,000,000 and when added to the value of the metallic products about 80 per cent of the production of the country is accounted for. The output of Yukon gold was \$8,328,200 and other gold \$6,159,633, making \$14,486,833 in all. Copper is placed at \$7,420,451, nickel at \$2,634,084, and pig, \$1,047,860.

FOR SECOND SUCCESSIVE YEAR.

TRURO'S SNAPPY CURLERS.

Win the Championship of Nova Scotia.

Truro Daily News:—The Senior Curling Tournament for this season in Nova Scotia was finished Friday evening by the exciting "final" between the Truro Club and the Blue Nose Club of New Glasgow, and resulted in a great victory for the present holders of the Provincial Trophy—the champion curlers of Nova Scotia—the Truro players, by 18 points.

Two rinks were played in New Glasgow and two in Truro. The telephone between the two rinks were kept pretty busy, and at times the play was most exciting on account of these reports.

Sample in New Glasgow was defeated by nine shots and Dover by one—a loss of ten at the New Glasgow end of the contest.

In Truro McKenzie defeated his opponent by 20 points and Cox vanquished his man by eight points; a rousing victory for Truro of 18 shots.

CATARH CANNOT BE CURED.
