

## Events of a Day

remembered in Fredericton football circles and his numerous friends will unite with the Herald in wishing him and his charming bride a happy and prosperous future.

### STRUCK BY LIGHTNING.

When Mr. Robert Cochran, caretaker of the Dominion rifle range at St. Mary's, visited it yesterday, he discovered that the building erected thereon for the use of riflemen had been struck by lightning Saturday night and quite badly splintered. Two telephone poles in the vicinity were also struck and destroyed.

### APPOINTMENT.

Mr. W. C. R. Anderson, a recent graduate of the U. N. B., and at present engaged in the business office of the Fredericton Boom Company at St. Mary's, has been engaged by the Fairville school board as successor to J. Simpson Lord in the principalship of the superior school.

## FOUR MONTHS JAIL.

William Hoyt Will do Time for Stealing a Bicycle.

Mr. William Hoyt, colored, who pleaded guilty at the police court on Friday to the charge of stealing a bicycle from Mr. Ernest Willis, was this morning sentenced by Col. Marsh to four months' imprisonment in the county jail.

In passing sentence Col. Marsh gave the prisoner a severe lecture, in which he embodied some very wholesome advice. He told him in plain language that if he had manfully owned up to the theft of the bicycle instead of lying about it, he might have been inclined to deal more leniently with him. He had been asked to allow him to go on suspended sentence but felt that he would not be justified in taking that course in the interests of justice. His Honor expressed surprise that Hoyt should allow himself to be mixed up in such a scrape, and hoped that he would be more careful of his conduct in future. He held out the hope that if the prisoner behaved himself he might secure his release on ticket of leave in a short time.

## A DOCTOR DROWNED.

Cape Breton Tragedy added to many Others Lately Recorded.

Glace Bay, N. S., July 24.—Dr. Jas. W. Chisholm was drowned at Big Glace Bay last evening while swimming and his two companions, Barrister J. McKinnay Cameron and County Stipendiary T. Hart narrowly escaped the same fate.

They were swimming in a small tidal stream flowing out of Glace Bay lake. The doctor was going out with the tide but in trying to return evidently became confused and in trying to swim direct against the current became exhausted and sank. Cameron, with Hart, got beyond their depth and the former owes his life to his big dog, which swam alongside of him. The doctor's body has not yet been recovered.

## TWO DAYS RACES.

Fredericton Park Association Will Have Big Meet in August.

The directors of the Fredericton Park Association held a meeting last evening and decided to hold a two days' race meeting here during the latter part of August, probably on the 21st and 22nd. Authority to fix the dates was left with Secretary Wilkinson, who will correspond with the managers of other tracks on the subject so as to avoid a conflict of dates. It is proposed to have four events, with a purse of \$300 for each. The classes decided upon were 2.15, 2.20, 2.23 and 2.28. Probably the 28 to 20 classes will be pulled off on the first day, so as to divide the programme as evenly as possible. The directors decided not to have a free-for-all event as it would be certain to limit the number of entries.

### MEN WANTED.

As will be seen by advertisement in another column the Bowman Lumber Company of Comaplix, B. C., are advertising for two hundred men to work in their mills and lumber woods. Mr. F. A. Estey, a former Frederictonian, is connected with the Bowman Lumber Company, and will see to it that eastern men are given a square deal.

### DEATH AT FRENCH LAKE.

Mr. George Ogilvie, a well known resident of French Lake, died at that place yesterday. He was sixty-seven years of age and is survived by a widow and seven children. The deceased was a member of the Orange Association and the funeral took place this afternoon under the auspices of that organization. Mr. R. B. Adams was the officiating undertaker.

### THE F. B. BAND.

The Fredericton Brass Band will give one of its excellent open air concerts in Parliament Square tomorrow, Wednesday evening. It is to be hoped that better order will be kept by the police than prevailed during the down town concert last week. This band is to run Thursday afternoon excursions down river during the month of August.

### SUCCESSFUL ANGLERS.

A party made up of Mr. Virgil P. Kline, Sr., Mr. Virgil P. Kline, Jr., and Mr. John Tebble of Cleveland, Ohio, returned this afternoon from a fishing and canoeing trip on Cain's River and are at the Queen. They had Mr. W. H. Allen of Pennac, as guide, and report having had a splendid outing with lots of fish.

### YOUNG MAN'S DEATH.

Mr. Joseph Walker, who lately removed to Scotch Lake from Caverhill, died at that place Monday morning after about a week's illness from an internal trouble. He was twenty-eight years of age and is survived by a widow and one child. The funeral took place this afternoon with R. B. Adams in charge of the arrangements.

### METHODIST SOCIAL.

## THE ABERDEEN MILL.

Reported That the Messrs. Fraser Will Rebuild Next Fall.

It was reported about the city yesterday on good authority that Messrs. Donald Fraser & Sons have practically decided to rebuild the Aberdeen mill on the old site. It is said that they are now getting out the frame at Plaster Rock, and expect to begin construction work next fall. The mill will probably be equipped for the manufacture of box shooks, clappboards, etc., but not for the sawing of long lumber. The firm have a splendid mill at Plaster Rock, which is capable of manufacturing all the long lumber, which they annually cut on the Tobique waters. The destruction by fire of the Aberdeen mill was a serious loss to Fredericton and citizens earnestly hope that the report that Messrs. Fraser are shortly to rebuild is well founded.

### FAKIRS ARE ACTIVE.

Judging by newspaper reports there seems to be the usual crowd of fakirs following in the wake of Barnum & Bailey's circus to exhibit here on Friday. The circus authorities have detectives employed and are doing everything in their power to protect the public from being deceived, but it is very necessary that the local police should take a hand in the work. Col. Marsh will no doubt have some special constables on duty on Friday and it is to be hoped that they will be expected to do something more than sponge their way into the circus.

### FUNERAL TOMORROW.

The remains of the late A. S. Thompson, who was killed last week at Strathcona, who was killed last here on the 11.20 a. m. train tomorrow and will be taken to the residence of his father-in-law, Mr. Thomas Peppers, Brunswick street, whence the funeral will take place, at 3 p. m. Services will be conducted by Rev. Willard Macdonald, at St. Paul's church, and interment will be made at the rural cemetery. Mr. John G. Adams will be the undertaker in charge.

### RIPE OLD AGE.

Mrs. Fenety, who resides with Mrs. George N. Seago on George street, on Saturday last celebrated the 92nd anniversary of her birth. That much esteemed lady is still in full possession of her mental faculties and is able to regularly walk to service at the Cathedral every fine Sunday morning. Mrs. Fenety is a half-sister of Hon. A. G. Blair. Next door to her resides Auditor General Beck, I. S. O., who is likewise in his 93rd year.

At Blackville, on Friday, Hiram Grady, a son of Mr. Joseph Grady, had the tip of the finger of his right hand bitten off by one of his father's horses to which he was feeding a piece of cake from his hand. The bone was crushed and Dr. McManus, who dressed the wound, found it necessary to amputate the finger at the first joint.
