GREAT LIBERAL VICTORY.

Our Tory friends are downcast to-day.

They have heard the news from North Bruce.

For a quarter of a century that Ontario constituency has gone wrong, returning Tories to parliament, without just or reasonable excuse.

But in the words of the old hymn, "While the lamp, etc."

North Bruce has at last braced up and shaken off its foolishness.

Up there on Tuesday the Liberal candidate for the vacancy in the House of Commons was elected by a majority well up to 500.

Two years ago the Tory candidate had a majority of 107.

That's quite a political turnover—somewhat of a landslide, and the news will delight every Liberal from the Atlantic to the Pacific.

The Tories thought they had a pretty sure thing in North Bruce.

Mr. Borden, their leader, went into the riding and took charge of the campaign for Mr. McLellan, and Billy McLean, M. P., was there, too.

The only outside help the Liberals seem to have had was a couple of vigorous speeches from Hon. A. B. Aylesworth, the gifted minister of justice.

The Liberals of North Bruce did the rest and they did it well.

The result is the more significant, since it is the first Ontario constituency the Liberals have won from the Tories since the last general election.

The reaction has reached Ontario, the only province in Canada that sent a Tory majority to parliament in 1904.

A triumph like that is worth recording.

And think of the thumping Liberal majority. Ponder on that.

In 1904, majority for the Tories, 107.

In 1906, majority for Liberals of nearly 500.

The North Bruce voters are mostly Scotch, keen, intelligent farmers, nearly all of them, and they appreciate Liberalism.

Mr. Tolmie, you're a hero.

Now, let us hear what excuses the Tories have for their heart-breaking defeat.

CARLETON COUNTY POLITICS.

The Woodstock Press, which is now Mr. Hazen's chief organ in this province, in the absence of any newspaper support in St. John, has been worrying a lot about the probable Liberal ticket in Carleton for the next local election.

It sees the hand writing on the wall of a straight Liberal victory, and the consequent defeat of Messrs. Fleming and Smith, and its dreams are disturbed by calculations as to the men who are going to assist Solicitor General Jones in reclaiming the constituency.

The Herald has not been up in Carleton lately, but our wireless system of communication with that excellent county enables us to forecast with some precision what may happen when the writs are issued.

How would a Liberal ticket composed of Hon. W. P. Jones, Mr. J. T. Allen Dibblee, ex-M. P., and Deputy Sheriff Foster strike our esteemed friend of the Press and his Tory friends in Carleton?

Wouldn't it be a winning combination?

Mr. Dibblee is said to be willing, to rejoin his former political friends, and it is believed his presence on the Liberal ticket would spread considerable consternation into the Tory ranks.

The Solicitor General's strength in the constituency is undoubted. Mr. Dibblee has always been a popular candidate, and the Deputy Sheriff is one of the best liked men in the county.

The Herald is not offering any advice to the Carleton Liberals. They do not need any. They know how to do things themselves, and when they set about in dead earnest to win an election they generally succeed.

They showed their mettle two years ago when they elected Mr. Carvell to parliament by a smashing majority.

They killed the Hale interest and sent its parent into political oblivion and they can do the same with Messrs. Fleming and Smith.

The Solicitor General has proved himself a splendid representative of the county and an effective member of the government, and Carleton owes it to him and to itself to send a couple of good men to support him in the legislature.

Catarrh of the Kidneys Not Always Recognized.

A Cold Settled in Kidneys, Causing Serious Trouble. Peruna Restores Health.

CATARRH of the kidneys is a very much neglected disease. It is not until the disease has a firm hold upon the kidneys that the patient begins to realize that there is some derangement of these organs.

The slight backaches, the feelings of lassitude, and other warning symptoms of kidney disease are overlooked.

They are not serious enough to detain the patient from his regular work.

Even when he discovers that the kidneys are affected, he does not recognize the difficulty as being caused by catarrh.

Catarrh is sometimes so very gradual in its approach and its earlier symptoms cause such slight discomfort that it is not noticed.

However, when it is once firmly seated in the kidneys it becomes a difficult disease to exterminate.

Indeed, catarrh of the kidneys is more serious than catarrh affecting some of the other organs of the body.

In the kidneys it is liable to terminate in Bright's Disease or diabetes, both of which are recognized as very serious ailments, if not fatal.

The thing to be done, when catarrh of the kidneys is discovered, is to take some internal, systemic catarrh remedy, one that reaches the very source of the catarrh and removes the cause of the difficulty.

Such a remedy has been found in Peruna. It reaches catarrh, no matter where it may be located in the body—whether in the more exposed membranes of the nose and throat, or whether in the remotest part of the kidneys.

That Peruna is at once the safest and most reliable remedy for catarrh of the kidneys is proven by the many testimonials written by those who have experienced its benefits.

The testimonials given here are only specimens of the many testimonials on our records, pertaining to the relief afforded by Peruna in severe cases of kidney trouble.

MR. ISAAC ROSENZWEIG.

Mr. Isaac Rosenzweig, 9 Dumarais street, Montreal, Can., writes:

"About three years ago, I suffered with a bad cold. It settled in the bladder and kidneys, causing serious trouble."

"I tried several advertised remedies, but it was Peruna which finally cured me, and I had taken only a few bottles."

"I feel that it saved me, and it certainly restored me to such perfect health as I had not known in years."

"I have good reason to give you my highest endorsement."

"I soon found I was getting better and continued taking it for four months. It cleaned out the system leaving me well and strong and feeling better than I have in years."
