A PRAIRIE TRAGEDY.

Mrs. Harry Long Lost in Yorkton District— Her Body Found Near the Home of a Neighbor.

Broadview, Sask., June 18.—(Special)—Word has reached here of the tragic death of Mrs. Harry Long, who with her husband and two children, left Broadview a little over a year ago to take up a homestead at Hirsch, in Yorkton district. These neighbors had heard her cries, but had thought that it was some boys driving cows, and paid no attention. How the children, aged six and four, lived through those long dreary days almost without food of any kind, is a miracle.

CONTROL OF RATES.

Mr. Alcorn's Bill on the Subject Before the Railway Committee of Parliament.

Ottawa, June 18.—(Special)—The special committee on railway legislation, took up Mr. Alcorn's bill this morning. It proposes to place the control of express rates under the railway commission. Mr. F. H. Chrysler of Ottawa, representing the Dominion Express Company and the Canadian Express Company, contended that the Dominion parliament had no jurisdiction to deal with the matter, as proposed by the bill.

STILL ON THE REEFS.

Steamship Etolia Ashore at Cape Sable, N.S. May be Sold for Junk.

Halifax, June 18.—(Special)—Sixteen of the crew of the steamer Etolia, ashore at Cape Sable, arrived yesterday in the steamer Senlac, and some of them may go to London on the Furness liner, Almeriana. The party consisted of the cooks, two stewards, two deck boys, the carpenter, an apprentice, two able seamen and six seamen. The underwriters have taken control of the vessel and are considering an offer for an attempt to float her. One of the Bezley brothers, lighters called last Friday, and was under orders to proceed to Cape Sable with pumps, but remained in port awaiting final orders. If the steamer is not floated this week, the rest of the crew will come here on Sunday next.

DOUBLE DROWNING.

Quebec Stream Drivers Lost Lives in Trying to Break Log Jams.

Sherbrooke, Que., June 18.—(Special)—John Verville and Joseph Croteau, were drowned at Bromptonville this morning. In company with another workman, Michael Polette, they went up river to break a log jam, when the boat was caught in a current and upset,

SWEPT OVER NIAGARA.

Desperate Struggle for Life of an Unknown Man.

Niagara Falls, Ont., July 18.—(Special)—An unknown man was carried over the Horseshoe Falls this morning. About 9 o'clock he was seen by Archie McEachren, a hack-driver, and two gentlemen who were in his carriage. They were at the head of Goat Island, and in sight of the point where the river divides, one current setting in towards the American falls and the other towards the Horseshoe. They saw the man come down the river in a boat, but soon after he struck the White Horse Rapids the boat overturned and he was thrown into the water. He was trying to direct his course so that he would land at the head of one of the islands, but was too far to the west when his boat capsized. The current which sets across the river for the Horseshoe Falls above the Three Sisters Islands caught him, and then he had no chance.

THE LAST SAD RITES.

Many Citizens Attended Obsequies of Late G. T. Whelpley and J. E. Barry.

Two well known citizens were laid to rest on Sunday afternoon, and the large numbers of people who turned out to pay them a last tribute of respect show how keenly their loss is felt by the community. The funeral of the late Mr. George T. Whelpley took place from the homestead on Waterloo Row. A short service was conducted at the house, after which the body, which was incased in a beautiful cloth covered casket with gun metal mounting was taken to Christ Church Cathedral, where the deceased so often worshipped. The service was conducted by Rev. Mr. Carson, and was of a most beautiful and impressive character. Prof. Powell presided at the organ and the hymns rendered by the choir were "Now the Laborer's Task is O'er," "Thy Will be Done," and "On the Resurrection Morning." At the conclusion of the service the long funeral cortege reformed and slowly wended its way to Forest Hill cemetery, where interment was made in the family lot, Rev. Mr. Street officiating. The pall bearers were Messrs. T. C. Allen, G. N. Babbitt, A. E. Brock, O. H. Sharpe, Daniel Lucy and Sheriff Steele. The list of mourners included Mr. Charles W. Whelpley and son, Master Frank Whelpley, of this city, Harvey Whelpley of Long Reach, F. W. Whelpley and Fred E. Whelpley of Moncton, Daniel L. Whelpley of Moncton, G. S. Mayes, of St. John, Joseph and William Millican of this city, and the employees of the deceased.

THE LATE J. E. BARRY.
The mortal remains of the late Mr. James E. Barry were laid to rest yesterday afternoon in the hermitage. The funeral took place from his late residence, King street, at 3.30 o'clock and the very large attendance attested the esteem in which the deceased was held by his fellow citizens. The remains were taken to St. Dunstan's church, where Rev. Father Carney conducted an impressive service and paid a well deserved eulogy on the life and character of the deceased. He referred to him as a most exemplary citizen and one who would be greatly missed in the community. At the close of the service the funeral cortege reformed and proceeded to the Hermitage, where interment was made. The chief mourners included Messrs. J. H. Barry, Edward Barry, John Barry, Sr., John Barry, Jr., Jerry McNulty, James Farrell, Peter Farrell, Andrew Farrell, William McNulty and others.

THE STOCK MARKET.

Downward Tendency in Values in Sympathy with Wall Street.

Montreal, June 18.—(Special)—Sympathy with the downward tendency in Wall Street developed a weakness in the stock market today. There has not, as yet, been very much liquidation in dealings, the decline being so far largely of a professional character. The tendency was general, no particular stock being selected for the bearish attack. The most active features were: Detroit, 94 to 95; Toronto Street Railway, 117; Illinois, 94; Mackay, 74 1/2 to 75; MacKay, 73 1/2; Dominion Coal, 80 to 81; Montreal Power, 94 to 95; Nova Scotia Steel bonds, 108.

A RECORD BREAKER.

C. P. R. Liner Made a Fast Trans- Atlantic Trip.

Quebec June 18.—The Empress of Britain docked at Quebec at 12.50 noon Saturday, after making a record trip from Monville to Rimouski, via Cape Race. The Canadian Pacific flyer left the former port at ten o'clock last Sunday morning and arrived at Rimouski at 2.47 Saturday morning, making the trip between these points in 5 days, 10 hours and 47 minutes, and adding to this the difference in time amounting to 4 1/2 hours completes a record of 5 days, 22 hours and 20 minutes made by the Allan liner Virginian on her last voyage. On her maiden voyage last month the Empress covered the same in 5 days, 23 hours and 47 minutes.

CAMPS DESTROYED.
Mr. John Gibson had two of his camps at Nashwaak destroyed by fire on Thursday of last week. About one thousand cords of dry hard wood also went up in smoke. Mr. Gibson thinks the blaze may have been started by a spark from a locomotive.

FIGHT OF HIS LIFE.

Lone Fisherman Had Terrific Battle With a Whale.

Provincetown, Mass., June 18.—Alone in a fourteen foot dory, miles from land, in the darkness of the night, Henry Stowell Whorf, of the mackerel driftnet Letha May, last night fought the battle of his life with a whale that had blundered into one of the string of 30 nets that stretched from the sloop's bow fully a mile into the windward gloom. Mr. Whorf is a veteran whalesman, but it is many years since he abandoned that exciting work. Unlike the old days, when he went into the fray equipped with harpoons, hand lances, bomb guns and salt to put upon the tail of the animal sought. Mr. Whorf was in this latest instance sadly handicapped, having nothing except his hands and a pair of light ears with which to do battle. He was alone in his frail rowboat, fourteen miles west from Wood End light, underunning nets and fishing mackerel therefrom, when he started to underrun the net in which the huge creature was entangled. As Henry Whorf drew upon the rope a great weight instantly lost its ebullient color in a disk of luminosity churned outward from mid-netting, the great eighty yard long net shook and thrashed about, and almost instantly a huge black head, with opened jaws

WEEKLY SPOON MATCH.

Local Riflemen Had Good Sport at St. Marys on Saturday.

The spoon match at the St. Mary's rifle range on Saturday afternoon was well attended. The weather was fine and warm, but the competitors seemed to find it hard to connect with the bull's eye and no very high scores were made. The match was shot at King's ranges and resulted as follows:
CLASS A.
J. W. MacFarlane 82
F. M. Merritt 66
R. T. Mack 65
Sergt. Major Duncan 35
CLASS B.
F. A. Good 79
H. H. Hagerman 73
A. S. McFarlane 68
CLASS C.
J. E. Page 64
J. H. Pope 61
Duncan Robinson 38
CLASS D. (NEW SHOTS.)
C. A. McVey 67
P. V. Smith 61
J. V. Lynn 53
John Cain 44
G. W. Robertson 31
Morris Perley 20
Spoons were won by F. A. Good and C. A. McVey. The scores in Classes A. and C., were not up to the minimum mark required, viz.: 87 and 67 respectively. Tricky wind made good shooting difficult. The Ross rifle was seen on the range for the first time, being used by Sergt. Major Duncan, Sergt. LaVoie and Sergt. Duncan of the R. C. R.

SL. PETER'S TOMB.
Rome, June 18.—The Pope may authorize Dr. Grisar, the Jesuit priest who made interesting antiquarian discoveries in the Scala Santa Church, to explore St. Peter's tomb in the Vatican Cathedral. The apostle's resting place has remained unseen except by Pope Clement VIII., when the pavement of the crypt collapsed in 1584. The Emperor Constantine had the body incased in a silver coffin, a gold cross weighing 150 pounds being placed there by Constantine and his mother in 320 A. D. Protestants maintain that the tomb does not contain St. Peter's body.

PROVED HIS INNOCENCE.
One of the non-commissioned officers who was arrested last week on a charge of selling a part of his kit, succeeded in satisfying the commanding officer that he was innocent of the charge, and this morning he was released from custody.

WEDDING BELLS.
Mr. Joseph Christie, of this city, son of Mr. James Christie, the well known coachman, and Miss Holland, of St. Mary's, were married at five o'clock this morning. The ceremony was performed by Rev. Father Ryan at St. Anthony's church, St. Mary's.

MARYSVILLE NEWS.

June 18.—Mr. Alfred Rowley accompanied by his daughter Nan, left Saturday for Dalhousie where they will visit friends. Mrs. Moses Hall of Fredericton spent Sunday with her friend, Mrs. Rowley. Mrs. Harry Gibson is recovering from her recent accident. Mrs. Mildred Reid continues very ill. Mr. Walker is recovering under the skillful care of Dr. Fisher. The Marysville brass band gave an open air concert one evening last week, which was very much enjoyed by the citizens. We hope they will be continued through the summer. The prentice boys intend holding a grand bazaar next month which promises to be a brilliant affair. Mr. "Dan" Pickard one of Marysville's most popular young men, returned Saturday evening from the state of Maine where he has been the past few weeks.

WANT OF CONFIDENCE.

Tories Will Make Moncton Land Pur- chase Basis of Attack on Government.

Ottawa, June 18.—(Special)—The Conservatives intend bringing up in the house today or tomorrow, the land purchase at Moncton and a resolution of want of confidence will be moved. Mr. Ames, M. P., of Montreal, is working up the case. The Tartars and St. Mary's Stars have arranged a base ball game for tomorrow evening at Scully's Grove, beginning at 6.45 o'clock. Immediately after the match a meeting will be held to form a local league.
