

Events of a Day

AN ENGAGEMENT.

The engagement is announced of H. S. Savage, of Lower Southampton, York Co., and Miss Alma J. Miller, of Calais, Me.

FARM CHANGES HANDS.

City Treasurer Golding has disposed of his fine farm on the back road above town to Mr. James Kelly, at present residing in this city. It is said the price agreed upon is between \$6000 and \$7000.

TOURIST TRAVEL.

About forty American tourists arrived in the city by boat yesterday afternoon and divided up among the principal hotels. It was really the first big influx of tourists in the city this season.

Landlord McCaffrey, of the Queen Hotel has been notified that the Railroad Agents' Association of New England will pay a visit to Fredericton on September 14th. They will

arrive from Boston by the evening train and leave for St. John the following morning.

A FINE LIGHTING PLANT.

Mr. J. H. Whitman, representing the Victoria Manufacturing Company of Hampton, is among the guests at Windsor Hall. Mr. Whitman's concern installed the acetylene gas plant used in lighting St. Anthony's church and ground at St. Mary's. It was tested at the picnic last evening and gave the greatest satisfaction. He expects to instal several plants in this city in the near future.

LOCAL ANGLERS.

A party composed of Sergt. Major W. J. Duncan, Quartermaster Sergt. Galloway and Quartermaster Duncan of the Royal Regiment have gone to Bear Brook on a fishing trip. The officers and men of the corps are looking forward to their return with a great deal of expectancy.

Sewerage Committee Have Not Been Able to Settle With Hyde & Webster.

Mr. A. R. Shipp, representing Hyde & Webster had a conference with the sewerage committee last evening in regard to the cancellation of the firm's pipe contract, but an agreement was not reached. It appears that the contractors want the city to pay them for a quantity of eight inch pipe on the Normal School wharf, which some time ago was condemned by Engineer Barbour. They value this pipe at \$825 under the contract rate, but are willing to accept \$428 for the lot.

Engineer Lee being asked for his opinion, stated that the pipe was of no value to the city and on the strength of this statement the committee decided not to accept the offer. On all other points Mr. Shipp and the committee were able to arrive at an agreement.

This morning City Clerk McCready acting under orders from the committee, sent the following telegram to Hyde & Webster.

Fredericton, N. B., July 19th.
Hyde & Webster,
Montreal, P. Q.,

Having failed to arrange for a release of your contract, I am directed to request you to proceed with the contract and inform the city when the pipe scheduled in your letter of June 29th is due to arrive.

(Sgd.) J. W. McCREADY,
City Clerk.
From the above it would seem that unless Hyde & Webster come to terms, the city will insist upon the original contract being carried out, and if the firm fails to do this the bond of \$2000 will be forfeited. Several firms are ready to supply what pipe is needed but a new contract cannot be let until the difficulty with Hyde & Webster is settled.

THE GOLDEN WEST.

Quite a Party of Home Seekers Left Here on Wednesday.

Quite a number of people from this city and points in York and Sunbury Counties left here yesterday on the Home Seeker's excursion for points in the Canadian Northwest. The excursion was the last of a series of three, and a large number of people from different parts of the Maritime Provinces availed themselves of it, to get to points in Western Canada.

Following is a list of those who started from this city:
Miss Morton, Fredericton.
Mr. and Mrs. Harry Currie, Kingsclear.

Mrs. Sterling Staples, St. Mary's.
Mrs. W. S. Saunders and daughter, Fredericton.

Mrs. W. J. Scarr and family, Fredericton.
Mrs. Claude Plowden, Fredericton.

Mrs. Hayward and Miss Hayward, Lincoln.

Mr. C. Samson, Nashwaakiss.

Mr. and Mrs. James Miner, Nashwaak.
Mrs. James Charters, New Maryland.

Mrs. Ellen Lord, Fredericton.
Mr. W. H. Reid, Stanley.
Mr. G. Byron Kilburn, Kingsclear.

Mr. and Mrs. Charles I. Kilburn, Kingsclear.

The majority of the above named had tickets for points west of Winnipeg.

THE AMHERST CURLING BONSPIEL.

There is every indication that the Maritime Curling Bonsel, to be held in Amherst, N. S., in January next, will be a big success. Several splendid trophies will be offered for competition, among them particularly a handsome trophy, presented by the Lowndes Company Limited, Toronto, makers of the celebrated 20th Century Brand Clothes for Men. This trophy will be open for annual competition among all the curling clubs in the Maritime Provinces. To the members of the rink winning the trophy, the Lowndes Company Limited, are also giving four suits of 20th Century Brand Clothes, to be supplied by the nearest agent. It certainly will be a keenly contested event.

ILLEGAL FISHING.

Local fishermen are complaining of a scarcity of salmon in the river at Springhill and declare that it is due to illegal fishing carried on the Narrows and other points in the vicinity of Indiantown. It is claimed by parties who ought to be in a position to know, that drifting for salmon is being carried on to an alarming extent of late on lower section of the river. This method of fishing is contrary to law and if the reports are well founded it seems rather remarkable that the authorities do not make some effort to stop it. It is said that nets are stretched clear across the river.

MACHUM-BOYD.

A nuptial event of interest to Fredericton people took place yesterday at Sydney, C. B., when Arthur W. Machum, of the Union Mutual Life Insurance Company, St. John, formerly of Fredericton, was married to Miss Millie W. Boyd, daughter of Mrs. Thos. Boyd. The ceremony was performed at the home of the bride's sister, Mrs. Coenig.

PATTERSON--PALLEN.

Newcastle Lady Who Has Fredericton Relatives, Married to a Banker.

Newcastle Advocate.—The marriage of Miss Linda, daughter of Mr. and Mrs. H. H. Pallen of the Waverley, and Mr. Harry Patterson, took place on Saturday afternoon at half past two at the home of the bride's parents, the Rev. D. Henderson officiating. The bride, who was given away by her father, looked very pretty in a princess gown of white embroidered net over chiffon and carried a bouquet of white roses.

The drawing room was prettily decorated with pink and white roses with a floral bell suspended from the ceiling, under which the happy couple stood.

After the ceremony there was an informal reception and later Mr. and Mrs. Patterson left on the Ocean Limited for their honeymoon which will be spent in Quebec, Murray Bay, Tadoussac and Montreal.

Their home will be in Chicago, where Mr. Patterson is assistant manager of the Bank of Nova Scotia.

(The bride is a cousin of Mrs. William Anderson, Government Lane.)

DEATH AT LOWER SOUTHAMPTON.

The many friends of Mr. and Mrs. Wm. Monroe, will be shocked to hear of the death of their only boy, Willie E., a young man of twenty-five years of age, on Tuesday morning, the tenth inst. An operation was performed on him for appendicitis, from which he never rallied, and he passed away to God. Besides his parents he leaves four sisters to mourn his loss. They are Mrs. J. F. Freeman of Middle Southampton, Mrs. J. W. Hughes of Houlton, Mrs. Stanley Patterson of Woodstock, and Miss Gertrude Monroe, at home. The funeral was held at the Presbyterian Church at Lower Southampton, at three o'clock Friday afternoon, by Rev. Wm. Ross of Prince William, and was attended by a large number of friends from the surrounding district. Mr. and Mrs. Monroe wish to thank their many friends and kind neighbors for their kindness and sympathy in their hour of sadness.

MILLVILLE MAN DEAD.

Edward Hayes, a native of Millville, York Co., who has recently lived in Staceyville, Maine, but who was taken to the Woodstock Hospital for treatment a short time ago, died of kidney trouble at that institution Monday morning, aged 72 years. The body was taken to Millville Tuesday for interment. Three sons are living in Staceyville, Hanford, Fred and Havelock; Thomas in North Carolina and George in Colorado. Mrs. John E. Currie of Woodstock, is a daughter.

WHY THIS DELAY?

Citizens are complaining of the delay on the part of the sewerage contractors in back filling the sewer trenches on some of the principal streets. To have the streets left open for four or five days cause a great deal of inconvenience and those in a position to know say that it is not in accordance with the terms of the contract. It is hoped that the contractors will give this matter some attention and see to it that in future there is as little delay as possible in backfilling the trenches.

RUNAWAY.

A horse attached to a light wagon, and driven by a young son of City Marshal Roberts, ran away on Queen Street this forenoon. The animal dashed into the driveway on parliament Square and when near the education office collided with a tree, throwing the driver out. He escaped with a few slight scratches and the wagon was not seriously damaged.
