## An Absolute Cure For DYSPEPSIA

Dyspepsia, Indigestion, Belching of gas after eating, mean weakness.

By means of its muscles, the stomach should churn the food—changing solids into liquids—mixing in the gastric juice to start digestion.

If the stomach is weak—then food is not properly churned and mixed with enough gastric juice. Then you have indigestion and then dyspepsia.

## MADE HIM FEEL SERIOUS.

Love had just laughed at the look.

"Why don't you laugh at the milliner and the landlady and the grocer?" asked a bystander.

"Because," replied Love, "they always make me feel mighty serious."

## What Does it Mean?

Dr. Hamilton Gives a Full and Satisfactory Explanation.

Look at your tongue! Sometimes it's heavily coated sometimes it's clear and red.

Study this out and you'll find some interference with the functional activity of the body.

This means the bowels are not regular, the liver is sluggish and the blood is contaminated.

Strong cathartic pills act so destructively on the intestines as to provoke deadly sickness; this often frightens people from taking medicine when they badly need it.

To the multitude of dangerous purgatives now on the market, Dr. Hamilton's Pills are a notable exception, they neither gripe, cause sickly feeling or headache, yet they cleanse and purify the entire system in one night.

No other laxative acts with such mildness and certainty. Giving proper stimulus to the liver and kidneys strengthening the stomach and lending valuable aid to digestion, it's small wonder that such marvelous results accompany Dr. Hamilton's Pills.

Mr. Geo. O'Hartory of Amherst, N. S., writes: "Last winter I worked in a lumber camp and neglected my health. I was dreadfully constipated and had a headache that fairly made me reel at times. I was sick and miserable, and hadn't the slightest ambition to work or stir around. I felt heavy and dull and had a bad taste in my mouth. I sent into the city for Dr. Hamilton's Pills, which I knew were good for my condition. They fixed me up very quickly and have kept me in good condition ever since. There are other men in the camp that use Dr. Hamilton's Pills also. They say they wouldn't be without the pills for ten times their price."

Every dealer in the land sells Dr. Hamilton's Pills—25 cents per box or five boxes for \$1.00. By mail from N. C. Polson & Co., Hartford, Conn., U. S. A., and Kingston, Ont.

## WHAT WOMEN SUFFER.

At All Ages They Need the Rich, Red Blood That Dr. Williams' Pink Pills Actually Make.

A woman needs medicine more than a man. Her organism is more complex, her system more delicate. Her health is disturbed regularly in the course of nature. If anything happens to interfere with that natural course, she goes through unspeakable suffering. In fact the health of every woman in a woman's life depends upon the richness and regularity of her blood supply. That is the simple scientific reason why Dr. Williams' Pink Pills are worth their weight in gold to women of all ages from early girlhood up—they actually make the rich, red blood all women need.

Mrs. Edwin Ward, Brookside, Ont., says: "For years I suffered from those ailments that make the lives of so many of my sex miserable. I would take weak spells and become so nervous that I could not go about. My stomach was out of order and frequently vomited the food I took. Headaches and backaches afflicted me nearly all the time. Then I took a severe cold, which settled on my lungs, and I went to an hospital for treatment. I had the best of care, but the doctors gave me little hope of recovery. My face and limbs became swollen and my system racked with a harsh dry cough. As the doctors did not look hopefully upon my case, I decided to try Dr. Williams' Pink Pills. By the time I had taken taken half a dozen boxes there was a great change for the better. I still could not get the cough out, but I had used thirteen boxes and I am now enjoying perfect health. I have no hesitation in saying that I believe Dr. Williams' Pink Pills saved my life."

Dr. Williams' Pink Pills cured Mrs. Ward by steadily uniting the blood and her system. That is all Dr. Williams' Pink Pills do, but they do it well. They don't act on the bowels. They don't bother with mere symptoms. They go straight to the root of the trouble in the blood. That is why they cure blood and nerve troubles, like anaemia, female irregularities, indigestion, rheumatism, headaches and hiccups, sciatica, nervous prostration, and St. Vitus dance. Substitutes and imitations won't cure, purging medicines only make you worse. Therefore you must get the genuine pills with the full name "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.
